PRESENTED BY
CLASS OF "1962"

ADMINISTRATION

JOSEPH S. UMOWSKI
PRINCIPAL

To you, The Graduate of 1962:

For some of you, formal education beyond high school is not possible now, and you are obliged to select a vocation. Be assured that this in no way need limit your success - - - especially if you are forcefully purposeful and avidly dedicated to self-improvement. Perhaps the most important thing you have to face now is to find the right job. Do not compromise by selecting one for the relatively easy, quick money it will afford you, and sacrifice the opportunities for which you might be better qualified. Patience is as much a requisite to success as enthusiasm, ambition, intelligence, and a desire to improve. All these I wish to you, together with many years of happiness and success.
