THE GRADUATING

CLASS OF 1988

A LAST FAREWELL

... And now we stand adults at last
Looking to our future and learning from the past
The years have been so long
And now the time has come to see
What it takes to become you and me
Did all that teaching do any good?
Do we understand what we should
We thank those special persons who made this
year great ...

Mr. Bromberg ... Remember us for the money we
made.

Mr. Jaffe ... Remember us for our pride.

Ms. Girgenti ... Remember us for all the NOISE we
made.

Undergrads? Remember us and hide!

To our Moms and dads who brought us up right

And to our friends who made it worth the fight!

Friends Forever Class of 88'!

Teachers! Wish us the best, cause we're gonna
need it!

Is Honored to Dedicate Its Yearbook to
Mrs. Elaine Abbate Marco

... and she wants to retire.

Mrs. Abbate Marco is retiring at the end of December after many years of devotion to the Essex County Vocational School System. Mrs. Abbate Marco contributed much to the youth and faculty of Bloomfield Tech, and will be sorely missed by all. Every wish goes with her for a long and well deserved retirement.

ADMINISTRATION & FACULTY

Dear Graduates:

All of the students who attend Bloomfield Tech. are very important to me — however, the “Class of 1988” will always occupy a very special place in my heart because you are my first graduating class as principal of the school.

During your years here, we have all endeavored to provide you with vocational and academic programs that will enable you to compete in the world-of-work as a competent and skilled tradesperson and/or a student of higher education.

Whichever roads you choose to follow, I hope that you will work diligently towards accomplishing all of the goals you have established for yourself. As you reflect on your high school years, I hope that you will remember them as the happiest times of your life.

My sincerest best wishes to each and every one of you for good health, success, and happiness in all that you do.

My first year as Vice-Principal of Bloomfield Tech. High School was in 1984. That was also the year most of you started as 9th graders.

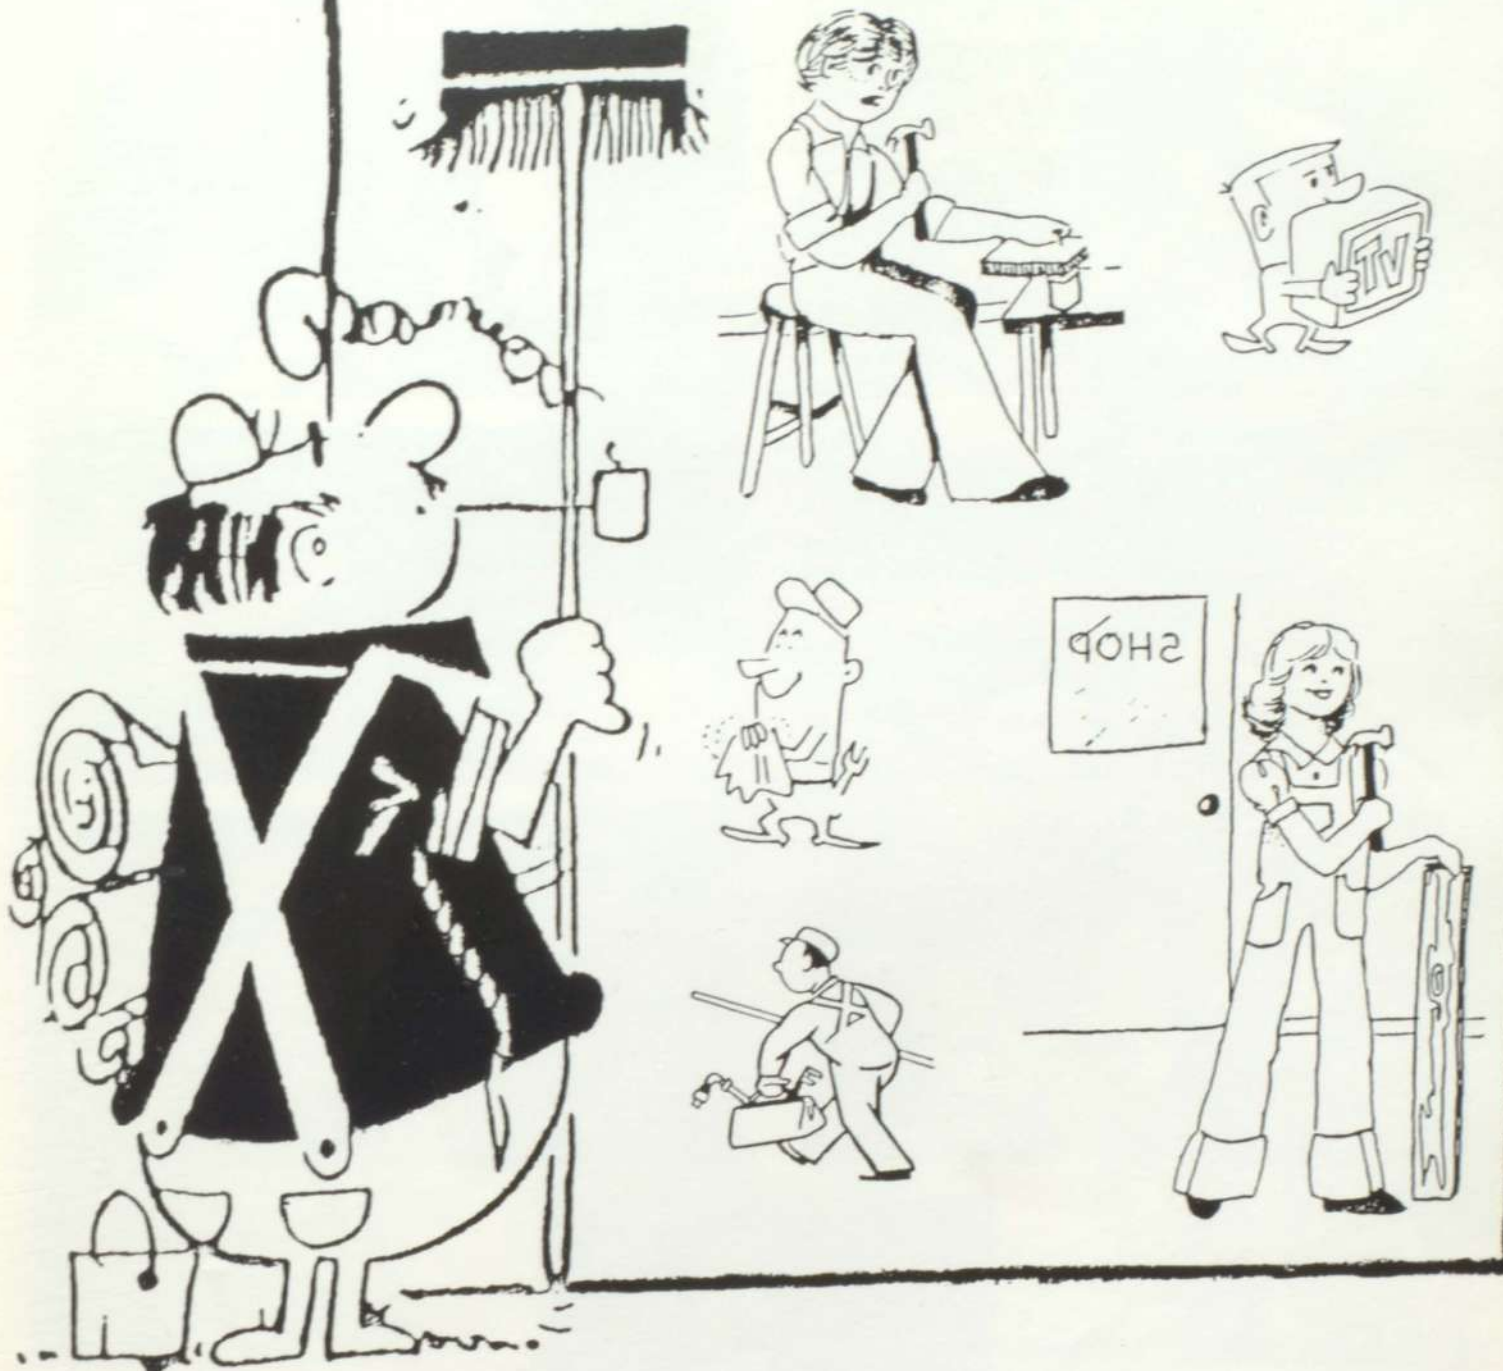

We have spent 4 years together and I hope that in some way I was able to assist you in maturing as young adults.

Congratulations to all of you on your accomplishments thus far. May your future be filled with happiness and success.

Good Luck and the very best to each and every one of you.

Mr. Jaffe, you are a wonderful teacher and also a friend. You came to school everyday to do your job and teach us how to draft, but we think when you taught us a few things about life you weren't doing your job; you were being yourself and showing us you cared. You taught us a lot of things other teachers never even attempted to teach us. You always seemed to be on our side even if sometimes you weren't and you always understood how we felt, right or wrong. You showed us both sides right and wrong and tried to help us handle it the best way we could.

We would like to give you our thanks, especially for always being there for us and for always being willing to give so much of yourself and expecting so little in return.

We'll miss you!

With love,

A FRIEND

A friend is one of the nicest things you can have, and one of the best things you can be. A friend is a living treasure, and if you have one, you have one of the most valuable gifts in life.

A friend is the one who will always be beside you, through all the laughter and through each and every tear. A friend is the one thing you can always rely on; the someone you can always open up to; the one wonderful person who always believes in you in a way that no one else seems to. A friend is a sanctuary. A friend is a smile.

A friend is a hand that is always holding yours, no matter where you are, no matter how close or far apart you may be. A friend is someone who is always there and will always — always — care. A friend is a feeling of forever in the heart.

A friend is the one door that is always open.
A friend is the one to whom you can give your key.
A friend is one of the nicest things you can have,
and one of the best things
you can be.
