Principal

"It is with great pleasure that I say congratulations to the class of 2007. You are the first graduating class that I have been able to see grow from ninth graders into the fine seniors you are today. I know you thought that this day would never come and now it is time to leave Bloomfield Tech. I wish you the best in whatever you choose to do in life and hope you go on to great things."

Love

"I wish our senior class the best that life has to offer! I hope you remember your years at Bloomfield Tech fondly and have gained information to help you in life. Try to make a possitive difference in your community, with your families and friends! May God be with you always."

This year was a good year for volleyball here at Bloomfield Tech. The team was dedicated and spirited to accomplish a successful season. Thanks to the group of seniors for your hard work and trusted leadership. Good luck in the future.

"The 2006-2007 Bloomfield Tech Soccer team finished the season with an admirable 10-5 record. They succeeded with hard work and dedication. On the field they proved to be as well conditioned as any team they faced. The team will look to improve next year as younger talent will have to step up and take the place as seniors; Milton Jerez, Jean Montero, Jahir Calderone, Carlos Rivas, and Anthony Santiago. See you in the summer boys!"

MEMORABLE moments

"Most memorable moment was when I caught my infamous crossover against Piscataway High School after blowing them out by 30 points. After that game I told the girls it was the beginning of a new Team because that night we was BALLIN."

"The best game of the season was senior night when we played Weehawken. We played hard and together. Love You Guys."

"My most memorable moment this season was every single moment with the Team. Being the captain and one of the leaders on the squad and helping my Team get better gave me all the pleasure in the world. Oh yea, and when I hit the point guard from St. Peter's of NY with my crossover, that was a good feeling too."

"My most memorable moment is when we played Morristown and we were leading them. The coach put all the seniors in at the same time and we were all doing good on the court."

"My most memorable moment of 06/07 basketball season was senior night. I always think back to this moment because it was one of the last nights me and my fellow seniors played in a game all at once. We also won! I love those guys!"

The Bloomfield Tech Spartans were a unified force this year. Their unselfish play enabled the team to obtain another Group I Championship, the fourth in five years. The team has continued the tradition of excellence, laying the groundwork for future competition. It was fun watching the team play and make it to the Essex County Tournament Championship and the State of New Jersey Tournament of Champions. Thank you to the team for their dedication and determination; you have made the Bloomfield Tech family very proud!

Spartan Baseball

Graduation hit Bloomfield Tech Baseball hard this year coming off a strong 20-4 2006 season but the young Spartans still came away with a very successful year. Led by seniors Anthony Santiago, Carlos Rivas, and

Yamil Miranda the 10-5 Spartans qualified for the Essex County Tournament as well as the State Tournament. At press time the Spartans are in the Final Four of NJ Vo-Tech State Tournament with a championship in sight. The future is bright for BT baseball with 2 freshman and 3 sophmores seeing a lot of playing time, along with a strong junior class.

Seniors Last Words

"My most memorable moment was the Glen Ridge game where I went 4 for 4 with two homeruns."

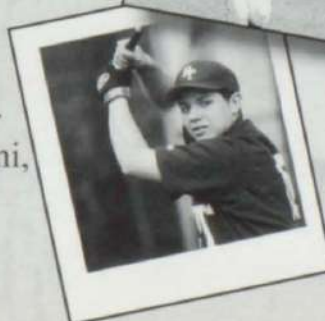

"My 4 years here were great, even though we only won one trophy. It was a great experience being coached by Mr. Romano."
