PRINCIPAL
MR. LOVE

Congratulations to all of the members of Bloomfield Tech's class of 2015. I want to wish all of you great success in your future endeavors. It has been a pleasure to watch you grow from the shy ninth graders into the fine young adults you are today. I know that you will make us proud as you move out into the world and take on new challenges. As you move through life remember the Spartans of Bloomfield Tech.

Head Coach
Daniel Rudy

The 2014 Bloomfield Tech Boys Soccer Team finished the season with a final record of 10-12-0. The Spartans advanced to the second round of the State tournament before losing to Harrison who later went on to be crowned state champs. Romerio Henry was awarded first team all-conference honors while Miguel Osorto was awarded second team. Both Douglas Tabora and Giovanni Betancourt received honorable mention. The team would like to acknowledge the seniors for their hard work and dedication throughout the season.

The Spartans Soccer team had an excellent season this year. As a team we moved up a division, and proved that we should be competing with some of the best teams in the state. Overall, I am very proud of this year's team and all of its accomplishments.

This year's team made great strides, constantly proving their competitive spirit and tenacity.

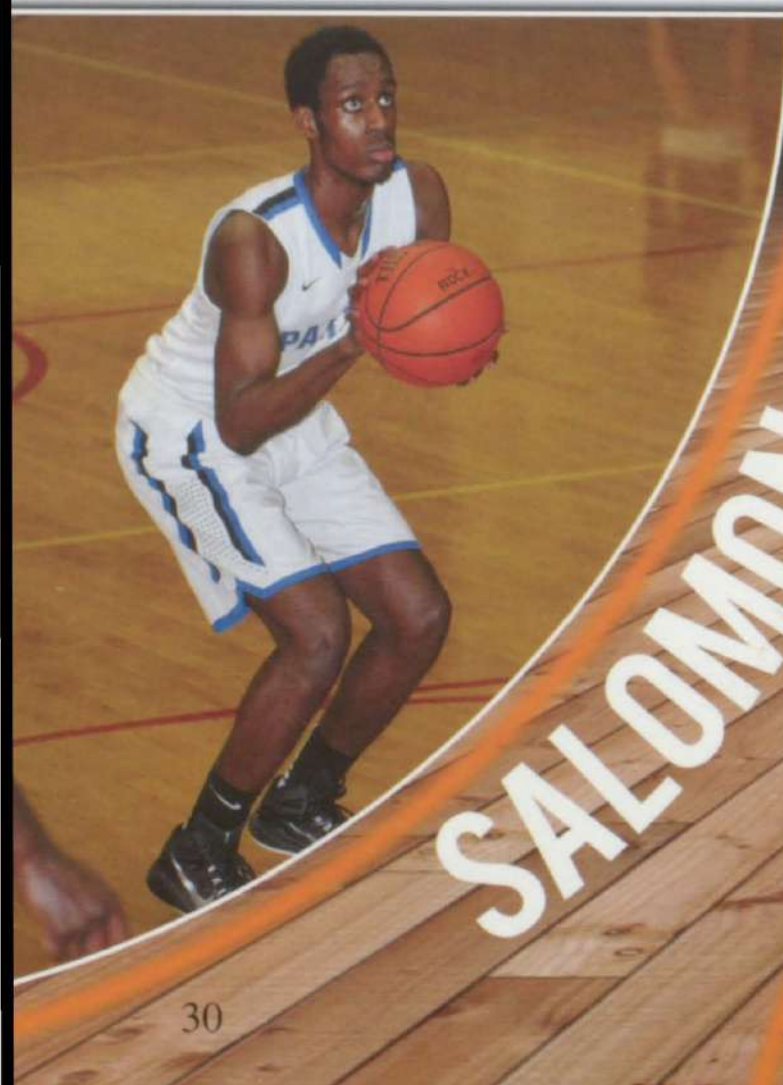

These Lady Spartans managed to keep the scores close by pushing their opponent to their limit, forcing them to fight for every point. I.P.O.Y

This year's girl's basketball season has been a rough but good one. Even though we had a lot of ups and downs we still worked hard through it all. We have faced many challenges such as not playing defense as well as we wanted to. Above it all, we always had positive attitudes. We are not just a team, we are sisters and we stand behind each other 100% of the time. Next year we will make sure it is a stronger season. I am looking forward to another year with my sisters.

STUDENT LIFE

Arnold Schwarzenegger once revealed, "When you go through hardships and decide not to surrender, that is strength." Throughout the last four years of our life, each and every one of us learned what life really is. We became cognizant that life is full of blissful memories as well as battles. The main lesson that I learned was that no matter how devastating a situation can be, you must always strive through the dilemma. In times like these, you will learn much about yourself and will eventually find a happy ending if you don't succumb. Always remember to be happy and treat others fairly because you have no idea what they are currently facing.

I would like to give thanks to all of those who have aided me with my personal endeavors throughout my high school career. I want to salute all of those who pushed me to strive for success whether it's in the classroom, on the field, or at home. To all of my friends and classmates, let high school be a stepping stone for the greatness that lies ahead. The past is set in stone, but the future is dictated by the sole actions of one single individual as you and I. The great times here at BT have not come to an end just because we graduate, for they will live an eternity in memory.
