Mr. Eric Love  
Principal

I want to congratulate the members of Bloomfield Techs Class of 2018 as you graduate. I am sure you have often thought that this day would never come, but here you stand ready to take the first step on the next part of your journey through life. I can remember many of you in your interviews and how excited you were at the prospect of attending Bloomfield Tech. You have proven to be a fine group of young men and women who are ready to take on the challenges of an ever growing global society. As members of the Class of 2018 you hold the great distinction of being members of the last graduating class here at Bloomfield Tech after more than 80 years. I am hopeful that you have enjoyed your time here at Bloomfield Tech and that you have been able to gain the skills and knowledge that will continue to benefit you throughout your life. I wish you the best in whatever endeavors you choose to take on in the future. As always Go Spartans!

Mr. Eric Love  
Bloomfield Tech  
Class of 1981

Ms. Emily Bonilla  
Vice Principal

To the Class of 2018,

First and foremost, CONGRATULATIONS! As the last graduating class of Bloomfield Tech, you have made us all proud. It's been truly rewarding to see this class of seniors unlock their potential and grow as individuals over these past four years. Revel in this special moment and take the time to thank all who have been instrumental in helping you achieve this milestone. In the words of Harriet Tubman "Every great dream begins with a dreamer. Always remember, you have within you, the strength, the patience, and the passion to reach for the stars to change the world." Do not make excuses, always work with integrity, keep on being curious, and live each day with gratitude. My door is always open to you as you embark in this new chapter of your life.
