

REFLECTIONS

**THE SENIOR CLASS
OF 1985
PRESENTS
REFLECTIONS**

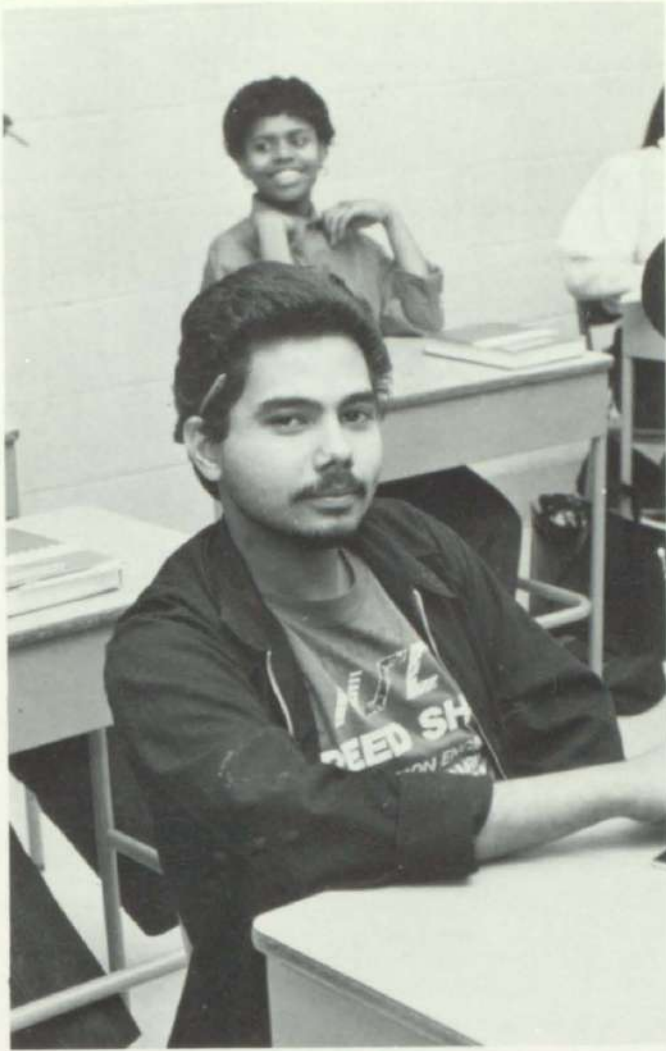

**Essex County Vocational And
Technical High School**

OUR

school years are almost over and gone, and the time has come to say farewell, to teachers and friends we knew so well. The memories of Vo-Tech will become so valuable in time, and bring happiest thoughts to our mind.

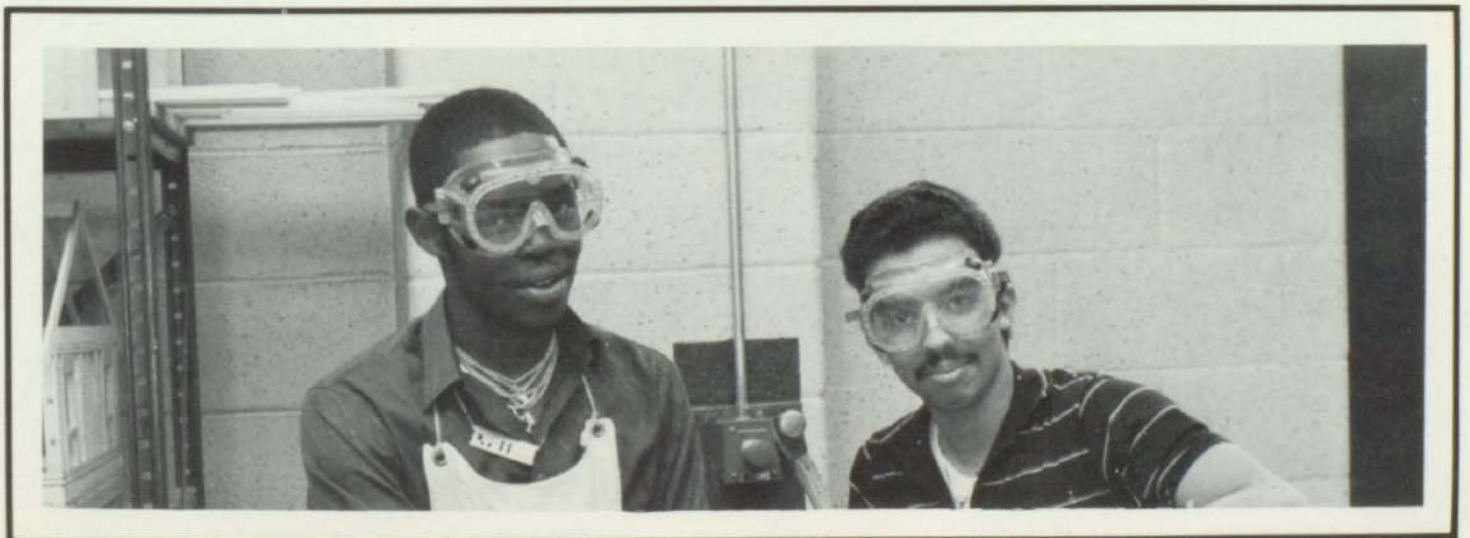

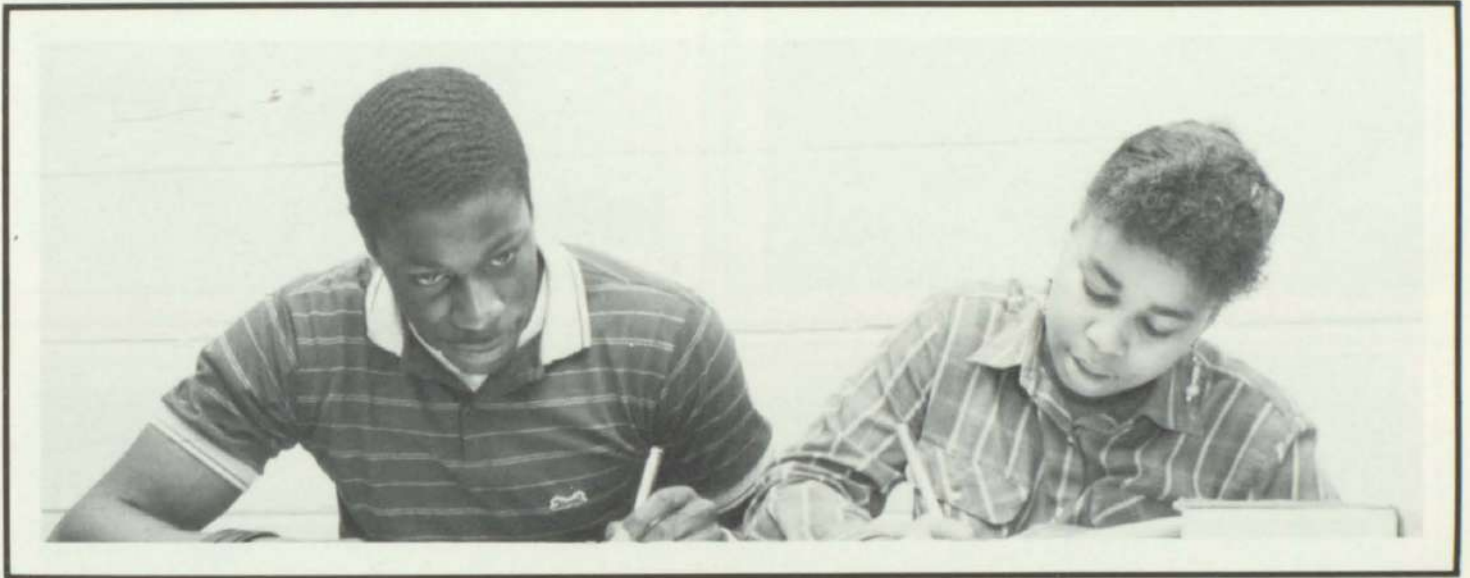

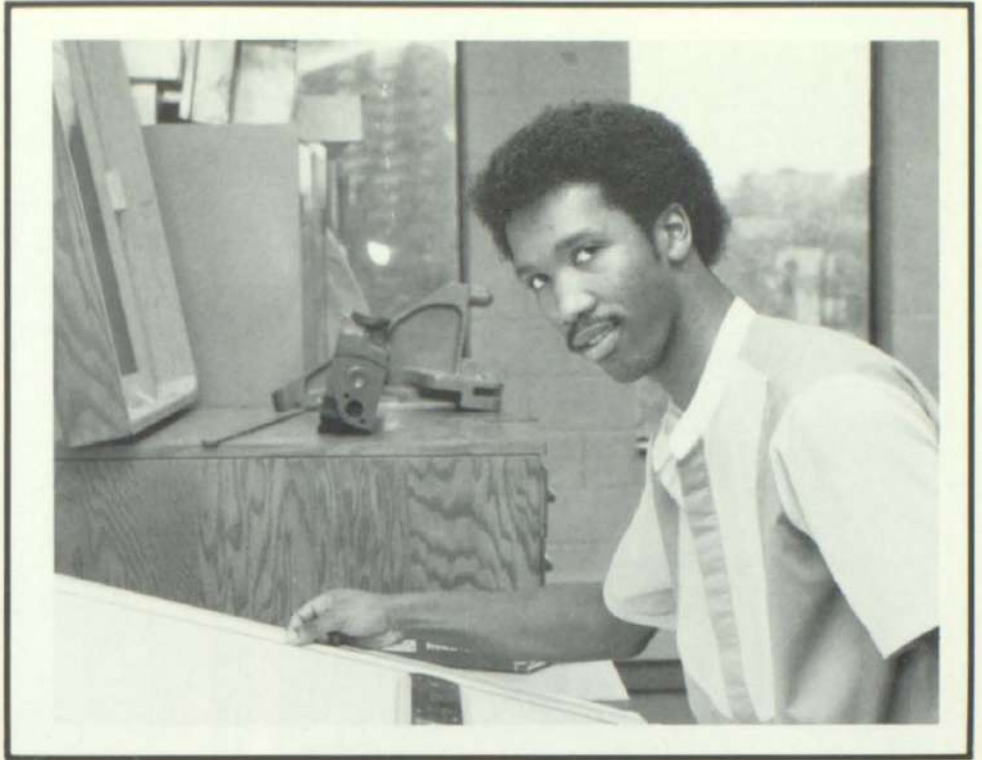

Let's not forget the good times and the special friends. Let's not forget the classes that helped us shape our lives.

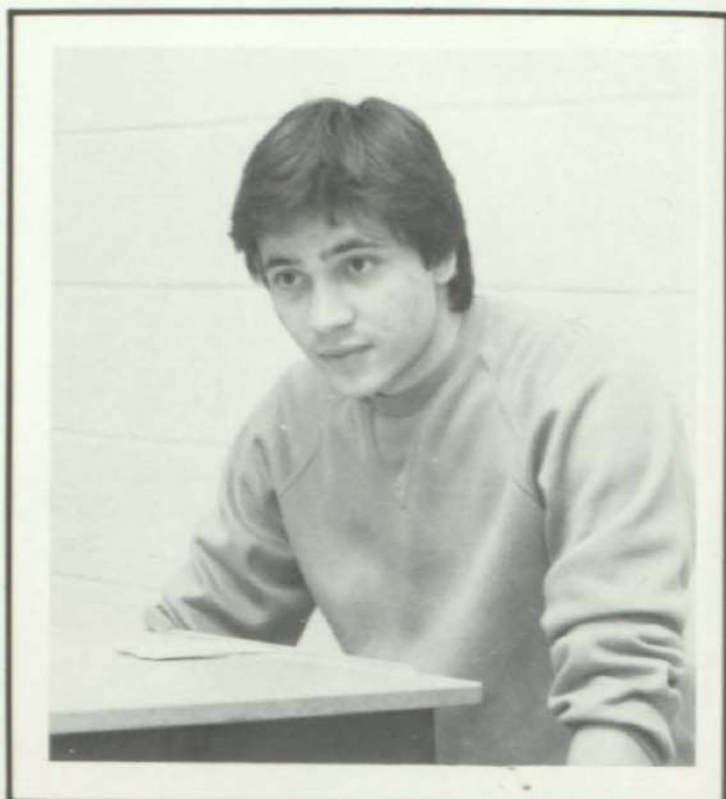

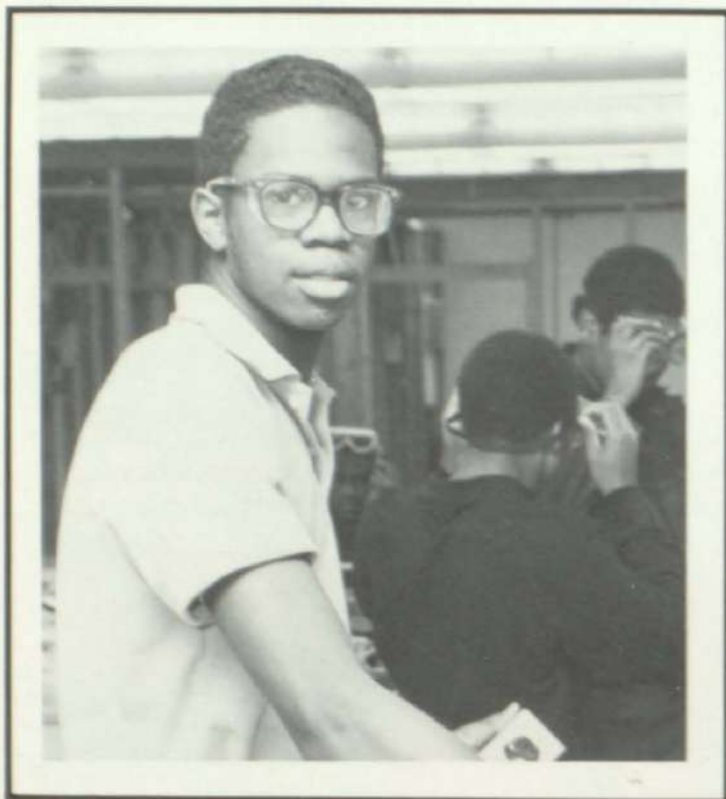

WE prepared for our careers and soon will be out in the world in the many fields. Our strength and knowledge will guide us through as we travel the many paths of life anew. The students of our future with the special beauty they possess will give the world direction and pride to carry on.

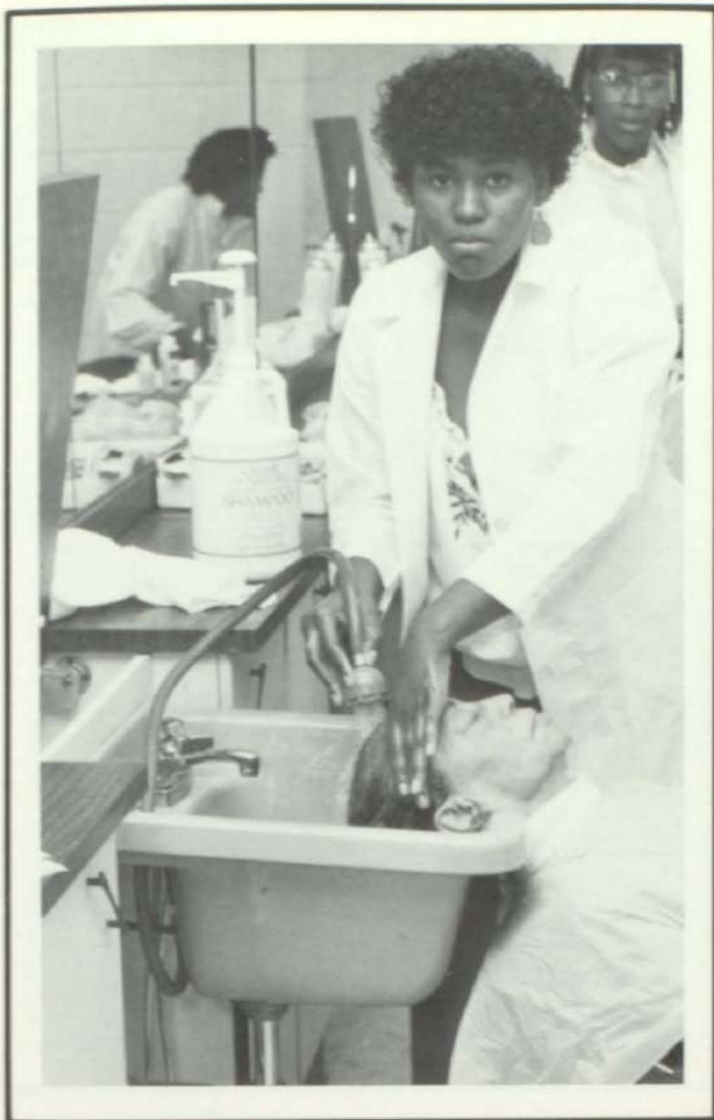

TODAY

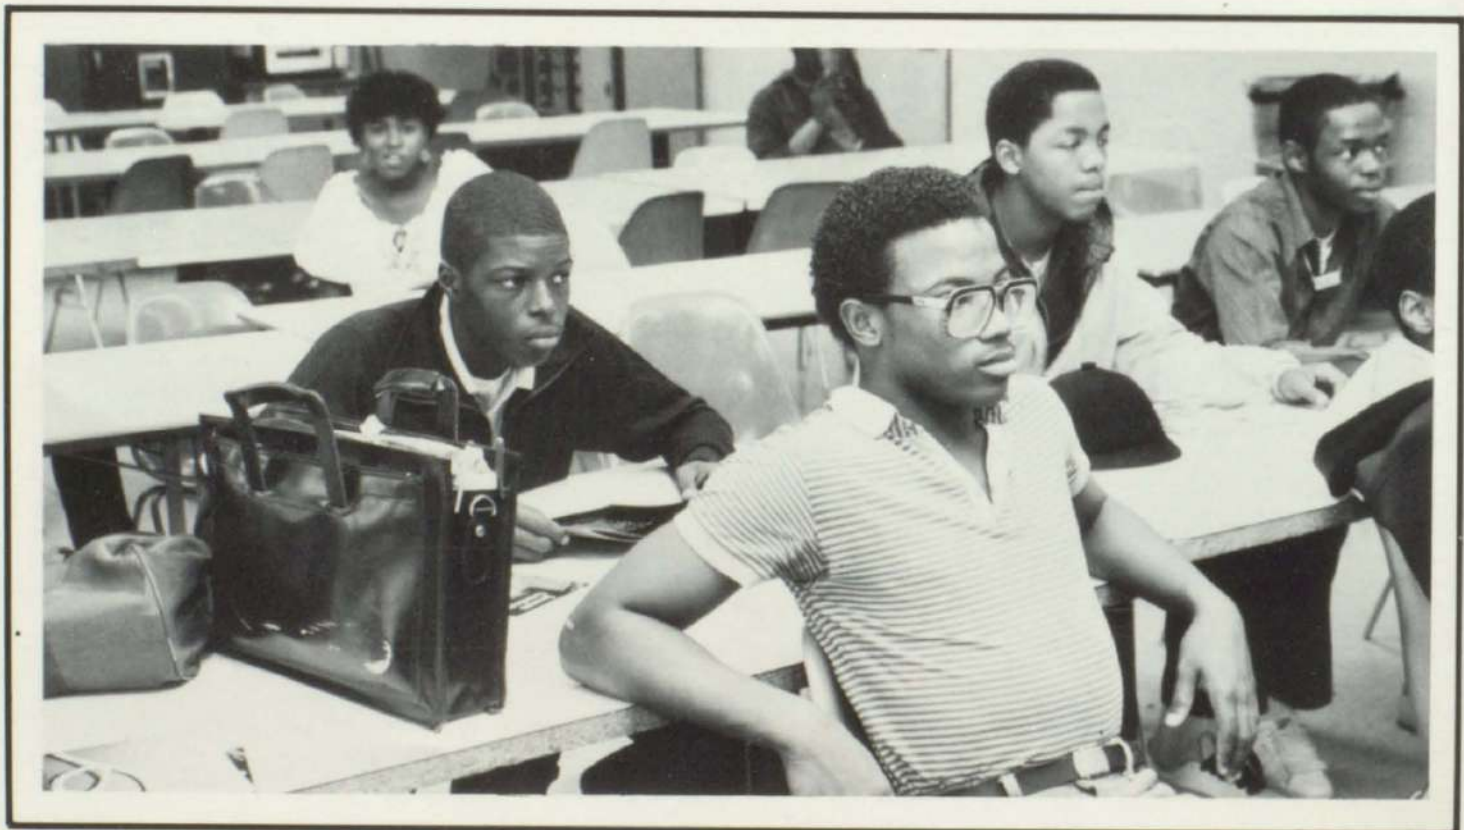

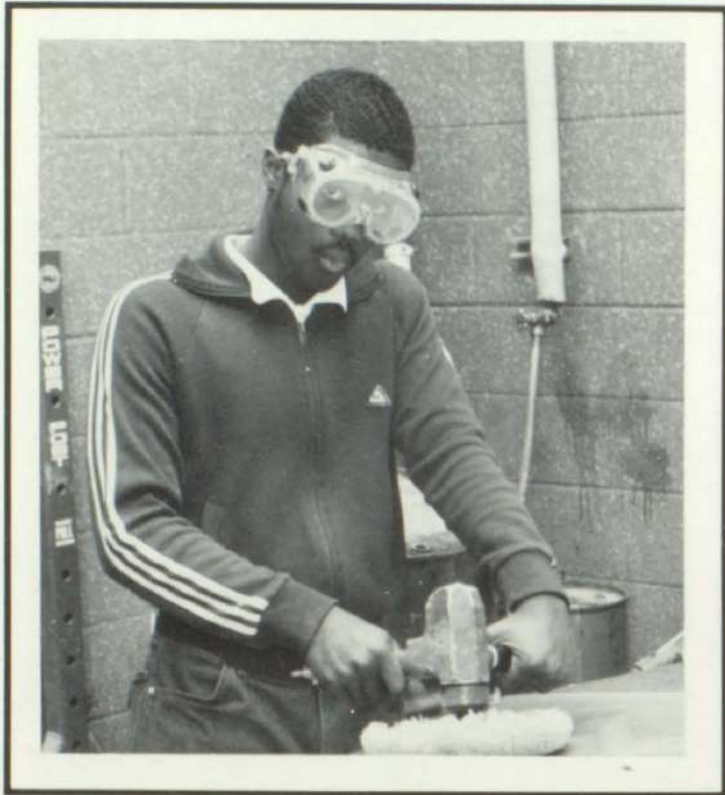

we have dreams of tomorrow and memories of yesterdays. Let's not forget to use yesterdays dreams to create brighter tomorrows.

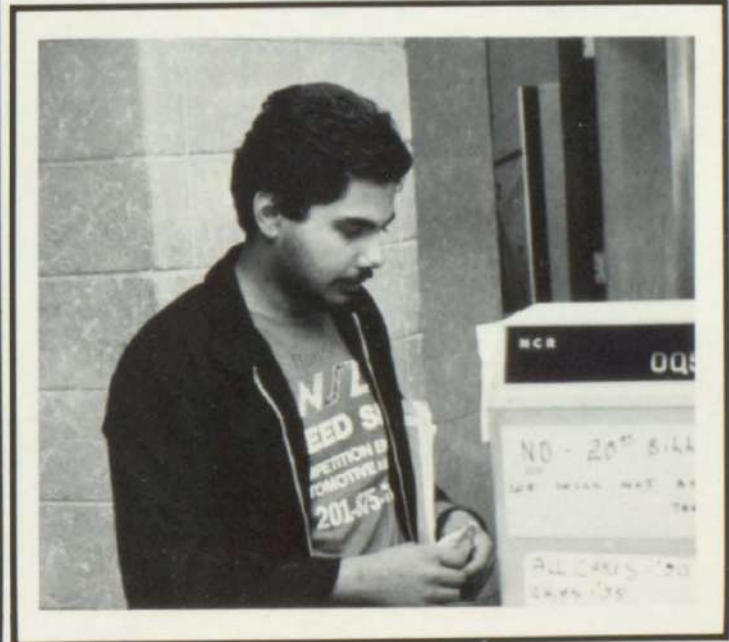

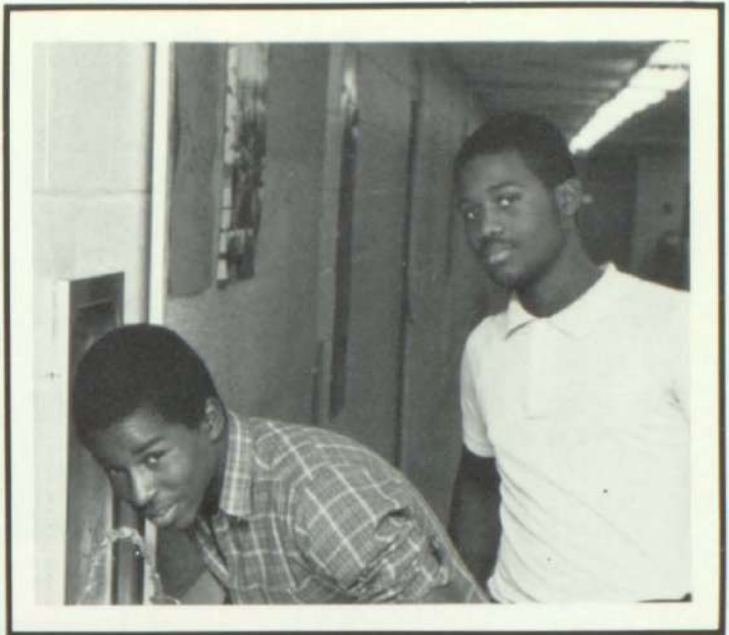

LET'S

climb the hills of each day and the mountains of tomorrow will be easier to conquer. The rest of our lives are now in our hands on the journey in destiny.

CLASS OF 1985

"The Greatest Love"

The children of our future give the world the special beauty they possess inside them. Let them show the people the way. The children's laughter will remind us how we used to be.

Everybody is searching for a hero. They need someone to look up to. Most never find anyone to fulfill the need, a lonely place to be.

So decide not to walk in anyone's shadow. If I fail, or if I succeed, no matter what the world tries to take from me, they will never take away my dignity! The Greatest Love of all has happened to me. I found the Greatest Love of all inside of me!

AHMAD JAMAL ABDULLAH
"JAZZ"

SHOP- Electric
ACTIVITIES- Basketball.

REMEMBER WHEN:

Gwen was rapping at the Christmas Party!
10-1 gave a trip to Great Adventure!
Ron call Stephanie a "paste-face"!
Bryan dug in the garbage at the Class Meeting!
Stephanie finally combed her hair!
Mr. C. wore his first pair of Lee Jeans!
Central High came to jump the school!
Marcus fought Donald in Drafting Shop!
11-1 was known through-out Newark!
The school had a bomb threat!
James got robbed for his pants!
Antoine ran into Mr. J's car!
Eugene choked Anthony!
11-1 was the toughest Juniors last year and the whole school feared them even the teachers, we Rocked 83-85!
We had a food fight!
A fat girl tried to act bad and fell down a flight of stairs!
Deon ran home from school!
Fatimah & Forleasadon was going to fight!
10-5 was the worst 10th grade class!
The Seniors and Juniors Christmas Party in which everyone was "Drunk"!
Mr. Nic gave all the girls in BC-12 "C's" just for being there!
All the Love & jokes BC-12 shared throughout the years!
Melvin, Lionel & Lee-ski made a special report on Jerry's Kids!
Lisa and Lynette got locked up!
Ann's hair turned orange!
Mr. J told a joke and nobody laughed!
We used to get "high" in back of the school!
Wanda and Sherrie had a fight!
Mr. C wore those bugged-out ties!
Adrienne got her first perm!
Sherrie almost got beat-up by Val!
"Big A" renewed his curls!
Mr. B's candy got stolen!
It was my first day at Tech!
Mrs. M was skinny!
Wanda got locked up!
Tonya beat Shakiah up in Mr. R's class!
The meetings with Mr. Rochford were SO boring that no

one listened but the teachers!
Everyone in the class of 11-2 got suspended!
Somebody got pounded in Mr. R's class!
The Juniors took Dennis's radio in front of the building!
"Big A's" curls were dry!
Donald got beat up by Bert & Gill!
Dennis got his "sheep dog" taken out of his locker!
Duane's cazal's got taken from him everyday!
Luis started crying in front of the girls!
We had that stupid Class Meeting in the "Caf"!
Forle went Punk Rock!
Stephanie dressed-up like "Prince".
Mr. J. Was out, Andre and I broke the shop door!
Melvin hauked spit in someone's face in Mr. B's shop.
Adrian had a shag!
Abbey body-slammed Dennis!
Dennis got caught in the freight elevator by Vinnie!
I kissed a girl named Maria on the 5th floor!
Luis broke Dennis's glasses into 500 pieces!
Those so called "home boys" got suspended for Drugs!
Mr. J. kept preaching about the real world!
Carl knocked Ron out in ONE punch and put a knot on his head as big as a "golf ball"!
Gwen finally gave to school on time!
Ann dyed her hair green!
Tisha almost fell and everyone was looking!
Chris got chased out of the class by Kerry!
Paint splashed in Dennis's eyes and he swore he was blind!
The Boy's Basketball Team won the Christmas Tournament!
Mr. R got his curls!
We had a tea fight in Mr. R's class!
Melvin dressed the bug-out for Halloween!
Shakiah kissed Miss L in 10th grade!
Shakiah got choked by Tonya in Mr. B's shop!
Mr. R called Deon a Rusty Dusty!
Jamal tripped and almost fell into the wall!
I beat "Big A" in ping-pong 3 times in one day!
We had Senior dress-up day!
The girl's basketball team won their first game!
Mrs. A came to school without her backbrace!
Antione & Cal had a fight over a pizza!

Everyone in the class of 11-2 got suspended!
Somebody got pounded in Mr. R's class!

AUTO MECHANICS

Instructors - Mr. Jones

The students learn to repair and service automobiles and light delivery trucks. The training involves the disassembling and overhauling of engines, transmissions, clutches, rear ends, front end suspensions and other units.

The students start training on a variety of bench operations: Filing, soldering, reaming and drilling. They are then given instruction in such services as front wheel alignment and brake lining. As they advance, they learn about power transmissions, engine repair, carburetion and the electrical system. Practice is provided for the examination and inspection of customers automobiles to determine the need and cost of repair.

AUTO ENGINE SHOP

Instructor-Mr. Martorelli. In the Auto Engine Shop, related auto information, instrument measuring, layout drawing and writing are the first things a student will learn.

The students will learn how to disassemble and assemble engines and engine accessories, complete engine rebuilding using machinery such as valve refacer, sear grinders, ring ridge removers set and measure bearings etc.

The student will learn how to check electrical and fuel systems with gauges and testers and be able to perform complete tune-up service.

Upon completion of the Auto Engine Shop course the student should be able to function as an auto engine apprentice.

MECHANICAL DRAFTING

Instructor- Mr. Russo. The shop is designed to give the students fundamental training essential to employment in the field of drafting. Students are given practice in the use of drafting tools in the preparation of drawings from which blueprints can be made. Detailed drawings are made to scale, with measurements and other markings included so that the accurate information can be conveyed. Sizes, shapes, and forms are projected from various viewpoints, in correct perspectives.

The students are instructed in the knowledge of materials, physical properties, and functions in the field in which they are working. In addition, they receive training in mathematics.

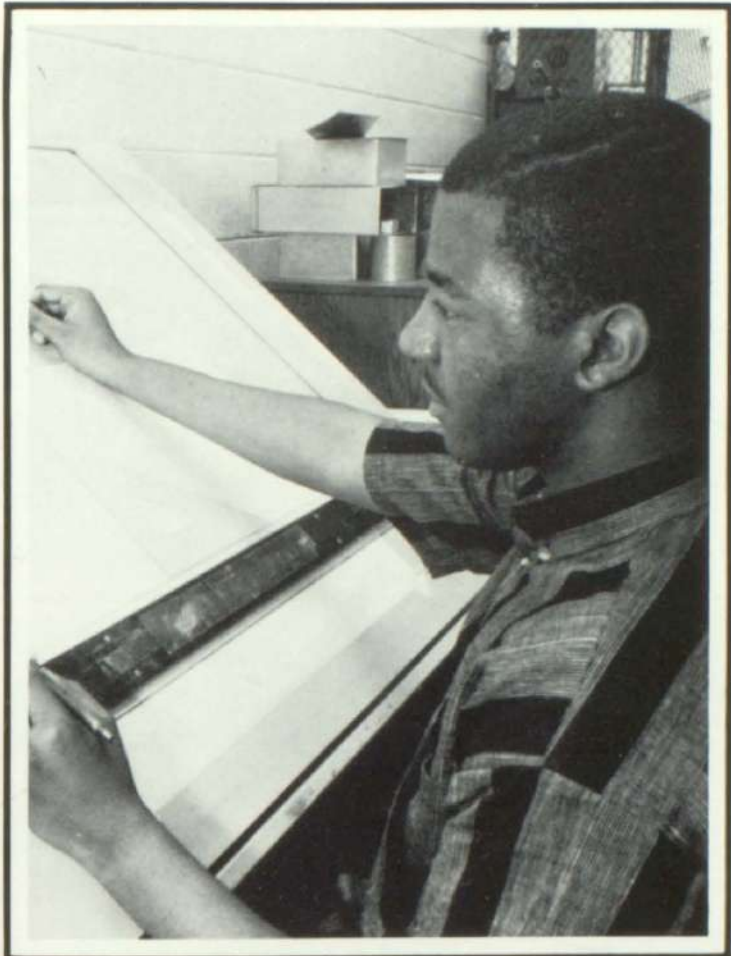

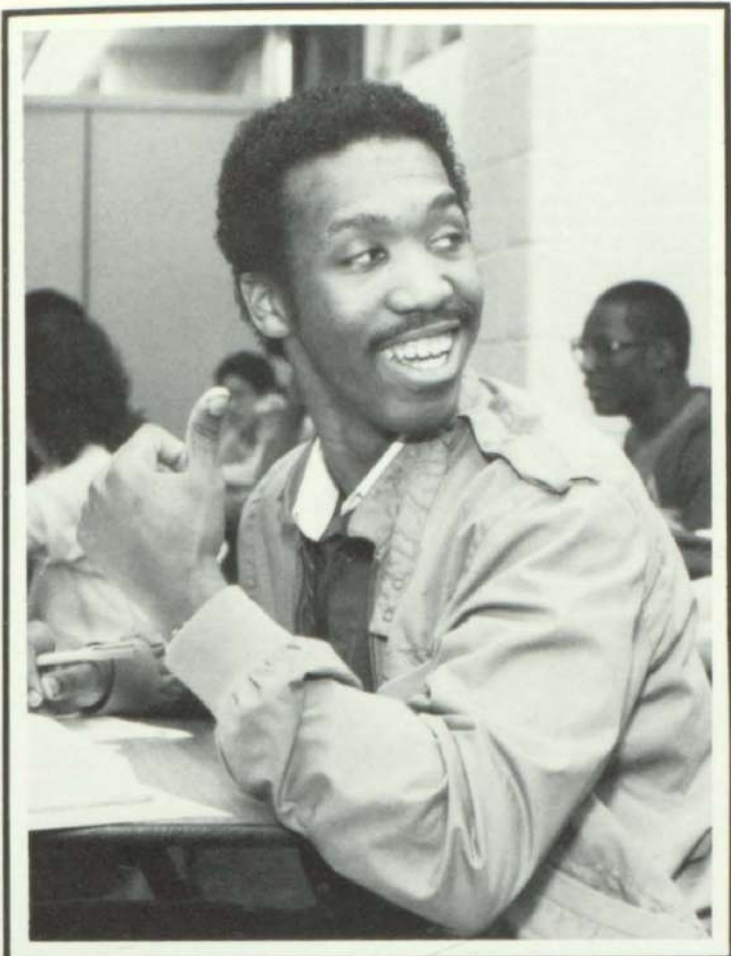

Lee Burgman
Carlus Cortez
Gregory Ferguson
William Gary

Paula King
Senester Mays
James Tindall

WELDING SHOP

Instructor- Mr. Logue. This shop includes the planning and layout of work from drawings, blueprints or written specifications. A knowledge of the welding properties of steel, for example: stainless steel, cast iron, bronze and aluminum is learned. Students must also determine the proper sequence of work operations for each job and learn to weld all types of joints in various positions (flat, vertical, horizontal and overhead). It is expected that the student will have sufficient knowledge of the trade to enable him/her to enter into satisfactory employment upon completion of the course and/or be able to begin apprenticeship training in preparation for more advanced phases of trade.

OFFICE TECHNOLOGY

The students are trained in general business courses that include clerical skills, business machines, office procedure, and data processing. The students develop competence in clerical office procedures including typing, filing, office practice, and calculating machines. Students are prepared to meet the standards of accuracy and speed required in business. In addition to these regular subjects, the student becomes familiar with vocabulary of the business field and technical work. The course also furnishes the student with a solid introduction of data processing equipment and computer practices.

GENERAL SHOP

During the ninth grade the students are assigned to several shops for career exploration. While working in the many shop areas, the student has an excellent opportunity to study the activities and skills required in the various occupations and to realize personal likes, dislikes and interest. Following this exploration/orientation the student, parents, teachers and guidance counselors mutually agree as to the skilled occupation to which the students will be assigned. Course assignments are the same for all ninth grade full-time students. The course of study consists of: Carpentry, Electricity, Metal-working, Drafting & Blueprint Reading. Each student in the 9th grade spends one cycle (10 wks) in each course of study.

ADMINISTRATION,
FACULTY AND STAFF

ADMINISTRATION

Dr. William Harvey
Superintendent of Schools

Dear Graduating Seniors:

Every school within the Essex County Vocational-Technical schools district adheres to the standards of academic excellence and vocational achievement.

As a graduate of a vocational-technical school myself, I know from experience that you will be better prepared to meet the job requirements of business and industry than your competitors. In fact, you have a considerable head-start in job skills for entry level positions.

Never before in this country's history has there been a greater need for men and women equipped with marketable skills as well as leadership qualities. During your years with Essex County Vocational-Technical Schools, we have tried to provide you with those skills, for we know that it is our young men and women that we must look to be our leaders of tomorrow.

When you chose to attend a vocational-technical high school, you greatly increased your options for the future. Your choice may be employment now, or college now and career later. Either way, you have the basic foundation which gives you the advantage of making the choice that is best for you.

On behalf of the entire staff of the Essex County Vocational Technical Schools, congratulations and continued success.

Dr. William Harvey

HIGH SCHOOL OFFICE

Mr. Edward Rochford
PRINCIPAL

Congratulations - Graduates of 1985

Your graduation marks the close of your formal education within the walls of Newark Tech. My hope is that you have enjoyed your years with us as much as we have enjoyed you. Our faculty will follow your careers with interest since your future endeavors will reflect the influences of their teaching.

Newark Tech's education not only encompasses the 3 R's but also provides the knowledge and skills of various trades. We are proud of our contributions to the community. We are satisfied that you have gained sufficient information and training to make you a vital member of society. It is your responsibility to establish your place among your peers. We join with you and your family in congratulations and wish you the Best of Luck.

Remember it is not goodbye, but "Until We Meet Again".

ACTIVITIES

BUSINESS CLUB

The purpose of the Business Club is to develop and instill leadership and character among our students. Our goal is to service the students and faculty at the Technical Career Center as well as provide social activities for our Club members.

Club Advisors- Gwendolyn E. Dickerson, La Vern Johnson, and Anthony Rosato

Officers: 1. David Taylor, Rachel Jackson- Sergeant at Arms. 2. Elizabeth Hinton- President. 3. Valaria Adams- Vice President. 4. Tasha China- Secretary. 5. Sheree Thomas

Row 1 left to right- Elizabeth Cardina, Vickie Leonard, Joseph Pavine, Angela Lone, Evelyn Roaman, Denise Bass, Keisha Saunders, Bonita Martin, Tasha China, Row 2 left to right- Mrs. Laverne Johnson (Instructor) Cheryl Mack, Marible Arroyo, Audrean Brown, Mary Garner, LaShawne Boles, Sheree Thomas, Judy Perez, Lorette Mitchell, Lynn Williamson, Tamara Alston, Valaria Adams, Mrs. Gwendolyn Dickerson (Instructor) Row 3 top left to right- Mr. Rosato (Instructor) Alice Cromartie, Elizabeth Hinton, David Taylor, Angelette McDonald, Ketura Smith, Robert Minichini, Rachel Jackson, Wilma Delgado

STUDENT COUNCIL

Row 1 left- Aida Arroy, George Linen, Mrs. Stephens. Row 2- Tabatha Tillman, Jamal Abdullah, Patricia Neal and Andrea Lacey.

The 1984-85 school year has been and continues to be a productive and challenging one for the Newark Tech Student Council. Our first major activity for the year was a Thanksgiving drive for the needy. We were able to help feed several families. Some fun activities sponsored by the Council have included Punk Rock Day, Blue and White Day, and Valentine Dress-up Day.

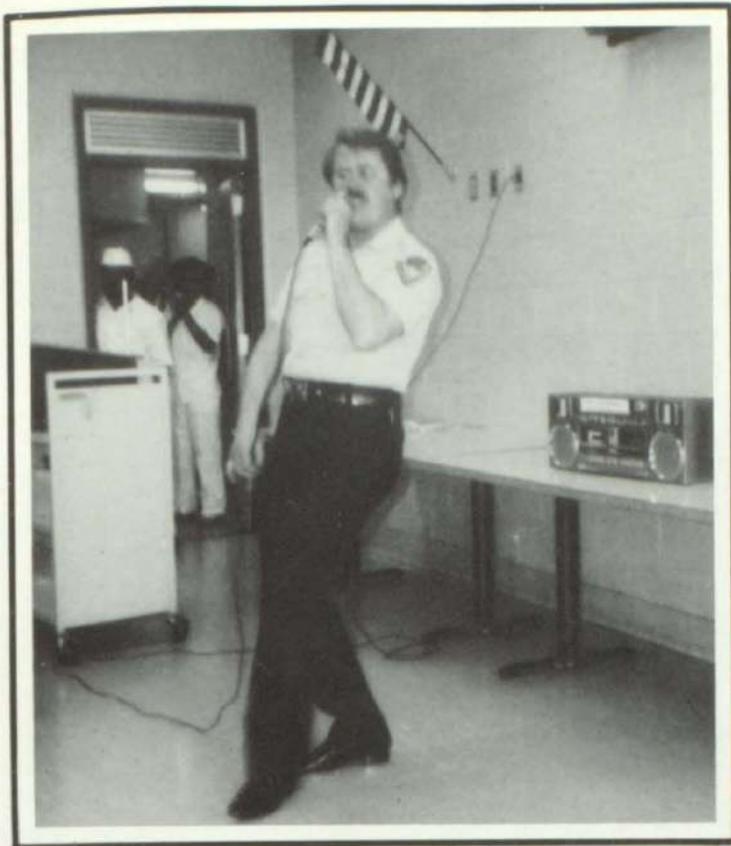

We are extremely proud of the activities we sponsored during Black History Month. The first was a presentation from Mrs. Carole Graves, President of the Newark Teacher's Union. Dr. Robert W. Stephens, Assistant to the Dean of Music at Montclair State College, made a presentation on black music.

Since that presentation, we have been entertained by Ed "Jukebox" Pasterczyk, and Irvington Policeman. Through rap and dance, "Jukebox" talked of the importance of staying in school and using education to improve oneself.

As advisor to the student council, it is my belief that the best school activities are those that grow out of the needs of the students. All of our activities have been planned by the students for students. Since the intent of education is to foster the development of the whole child, school related activities should be varied and provocative.

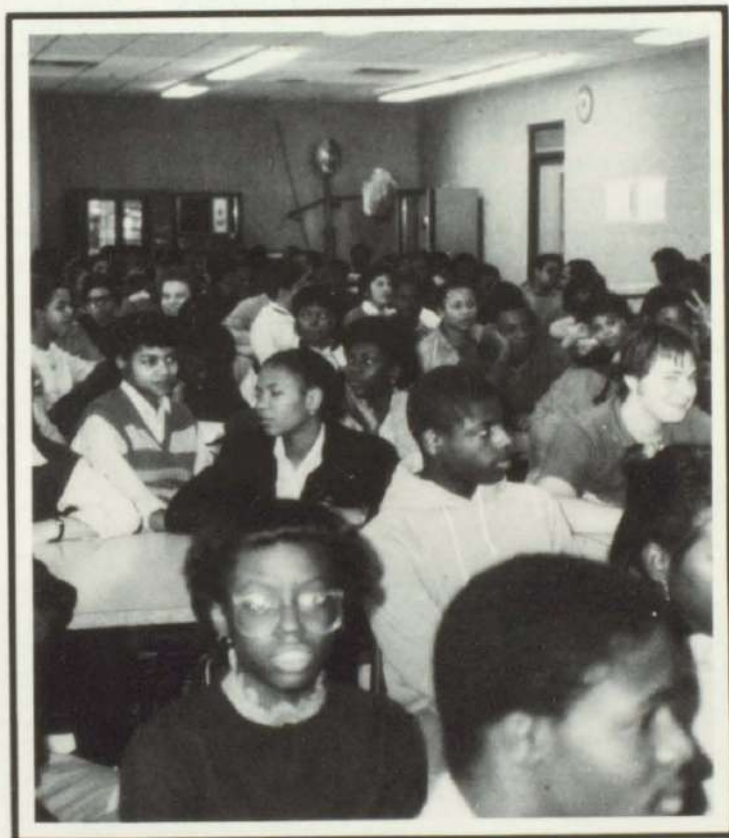

First Row Left to Right: Denise Snorton, Catrina Jett, Yolanda Kirksey, Aida Arroyo, Andrea Lacey, Patricia Neal, Shirelle Gaddy. Second Row Left to Right: Aretha Williams, Anthony Spruill, Marvin Long, Tabatha Tillman, Gwendolyn Jenkins, Sandra Armstrong, Darnell Middleton, Ms. Laverne Stephens. Third Row Left to Right: David Bryan, Collin Mitchell, Jamall Abdullah, Marquise Carter, George Linen, Rolston James, Joseph Wright.

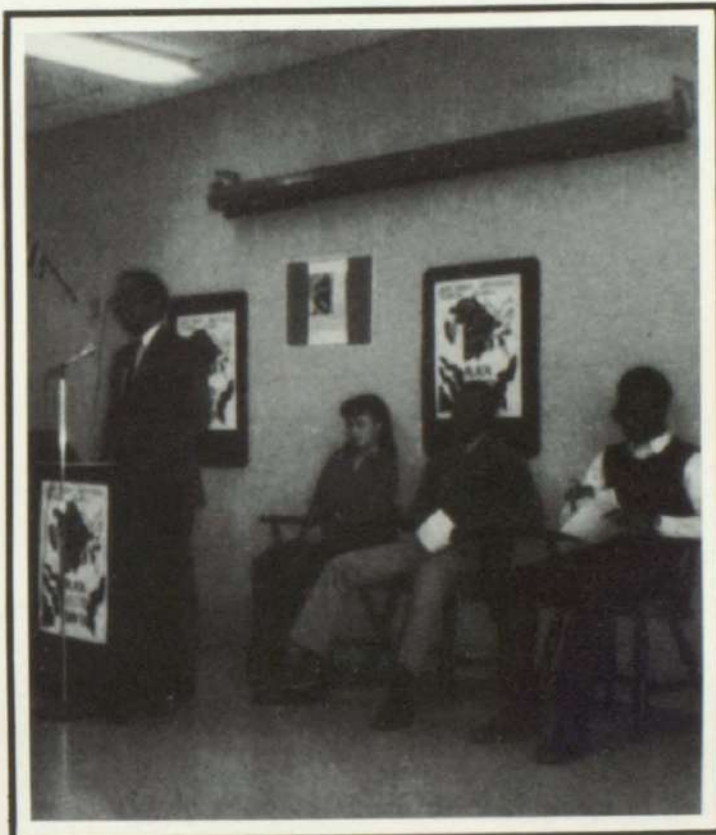

Ed "Jukebox" Pasterczyk, an Irvington policeman, raps about staying in school.

Mrs. Carole Graves, President of the Newark Teachers Union talks to the student body about famous blacks during Black History Month.

Students are attentive as they learn how Black History Month began and the names of some successful black American.

Dr. Robert W. Stephens, Assistant to the Dean of Music at Montclair State College, highlights the history of black music from pre-slavery times in West Africa to the present.

YEARBOOK STAFF

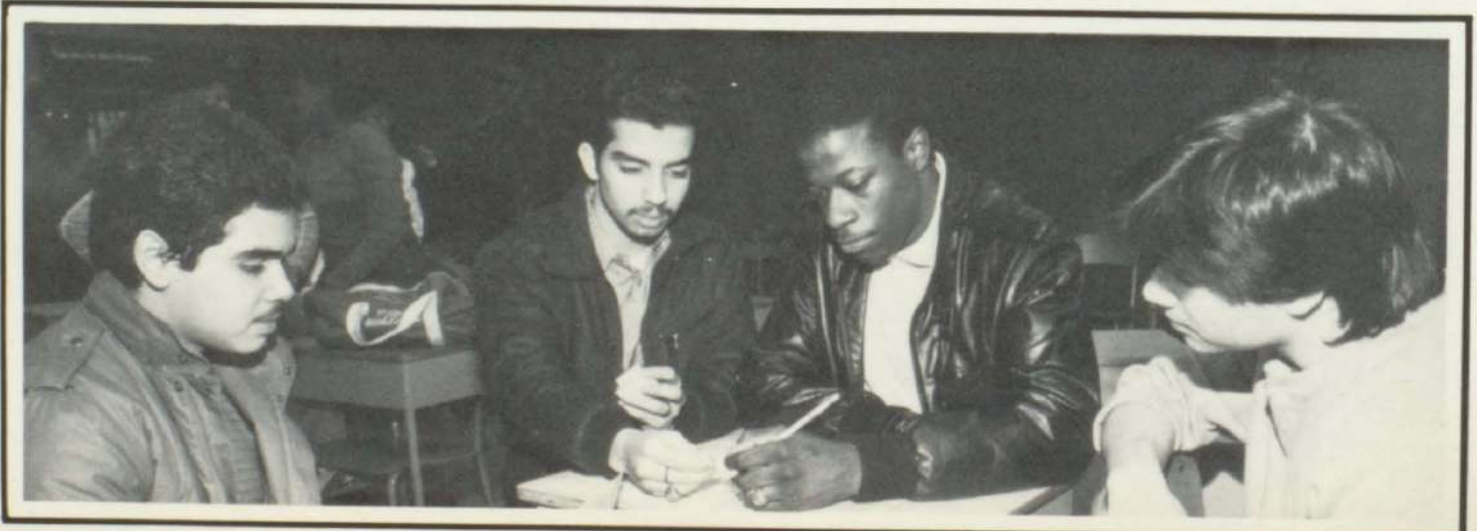

Row 1 - left - Allison Ingram, Sandra Armstrong, Aida Arriyo, Kervin Rodriquez, Gilberto Marrero. Row 2 - left - Kem Solomen, Abimael Serrano, Anthony Jackson, Mrs. Meeks - Advisor. Not Pictured - Tony Johnson, Wanda Jackson, Forleasodon Harper, and Gwen Green.

The yearbook staff extends a special thanks to Mrs. Johnson's typing class for their help. We also would like to thank Mr. Williams, Mr. Morlock and Mr. Scranton for special favors when we needed them.

Anthony Jackson - Introduction, Sandra Armstrong - Senior Section, Kervin Rodriquez, Kem Solomen - Shop Sections, Allison Ingram, Gwen Green - Typists. Abmael Serrano, Tony Johnson - Shop and candid picture sections, Forleasodon Harper, Wanda Jackson - Collage, Aida Arroyo - Special help when needed. Gilberto Marrero - There is something special to say about someone that is always there when needed and stays to the end. Lay-out Editor was a hard job.

HONOR ROLL

Left to right-Row 1- Marible Arroyo, Jacqueline Falana, Wanda Jackson, Row 2- Lawrence Waldon and Anita Pickett.

All subjects are taken into account when computing the Honor Roll. Students must have an "A" or "B" in all subjects in order to qualify.

"Winners vs. Losers"

The winner is always a part of the answer.
The loser is always a part of the problem.
The winner always has a program.
The loser always has an excuse.
The winner says "Let me do it for you."
The loser says "That's not my job."
The winner sees an answer for every problem.
The loser sees a problem in every answer.
The winner sees a green near every sand trap
The loser sees two or three sand traps near every green.
The winner says "It may be difficult, but its possible"
The loser says "It may be possible, but it's too difficult."

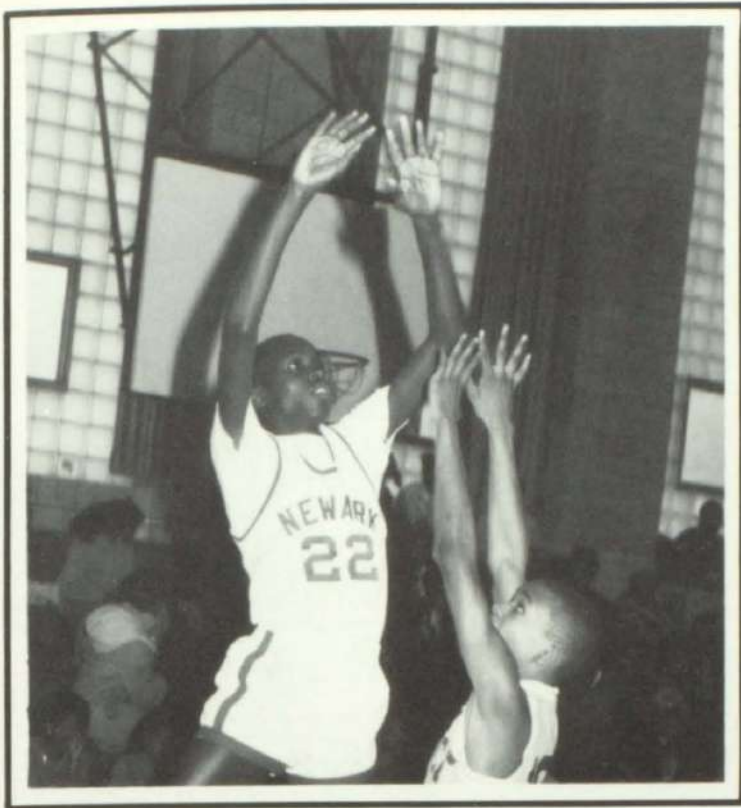

TERRIER CAGERS

The Terriers completed a very successful 20 win, 7 loss season. This was the first time in the history of Newark Tech. Basketball that a team had won 20 or more games. The team averaged 80 points per game and yielded 59 points a contest on an average. One of the highlights of the season included winning the State Vocational Technical Tournament Division B Championship. Dwayne Dozier and Rodney Johnson were selected to the All-Tournament team. Rodney Johnson was selected as the tournament M.V.P. The team came within one point of winning the North Jersey, Section II, Group I State Championship- dropping a heart-breaking 53-52 decision to Verona. Rodney Johnson established a new single season scoring record by amassing a total of 687 points! Rodney's total eclipsed the 505 points scored by Barry Gordon in 1976. Rodney averaged over 25 points a game. He received a lot of offensive support from Charles Hinton who tossed in over 15 points a game, and Dwayne Dozier who collected over 11 points per game. The "starting 6" was rounded out by David Whatley, Leroy Freeman, and Maurice Bethea. With everyone returning next year, the prospect of an even better season appears bright.

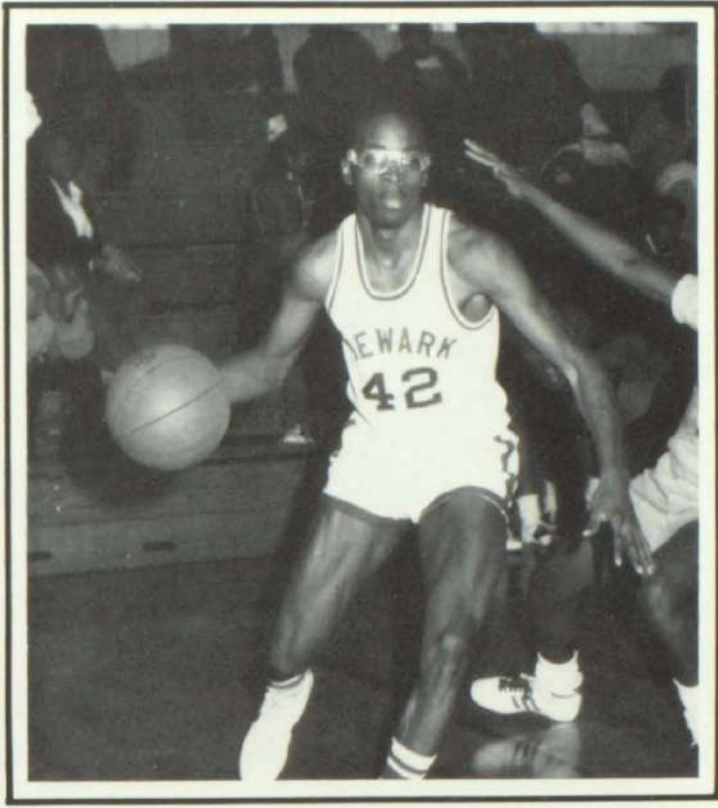

Top Row (left to right) Isaac Robinson, Rodney Johnson, Charles Hinton, Joseph Wright, Dwayne Dozier, Steven Gary (Coach).
 Middle Row (left to right) Antonio Lewis, Maurice Bethea, Lawrence Floyd, David Whatley, Leroy Freeman, Darnell Henry, Edwin White (not pictured)
 Bottom Row (left to right) Managers- Maurice Brown, Collin Mitchell, Marquise Carter, Calvin Mack

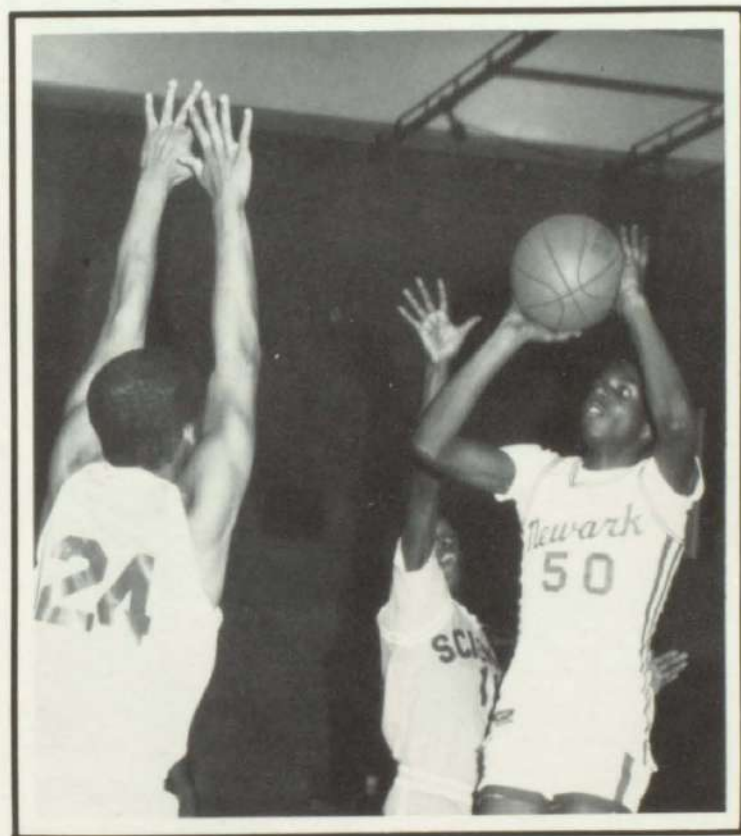

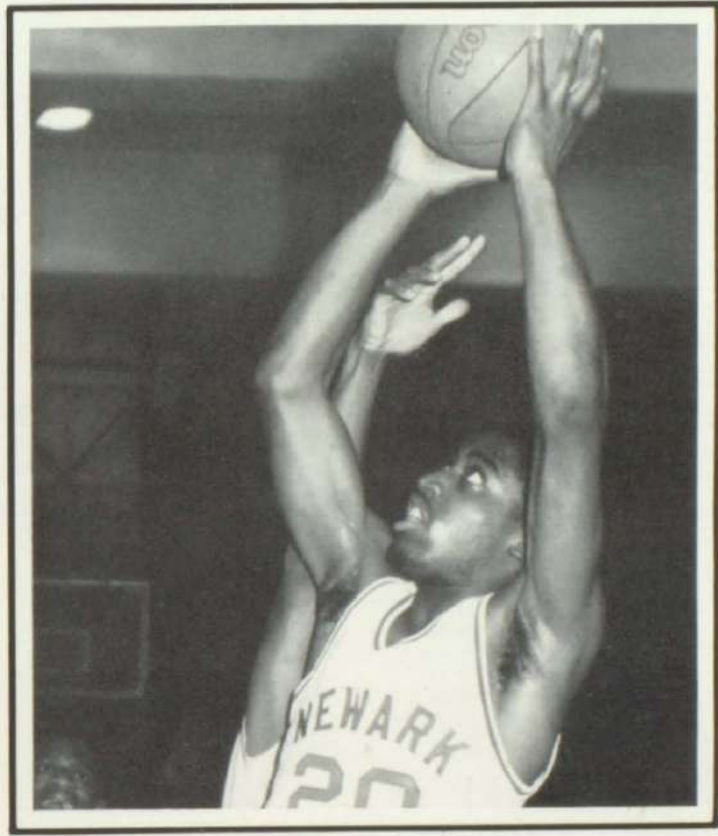

Charles shoots over a Science High defender.

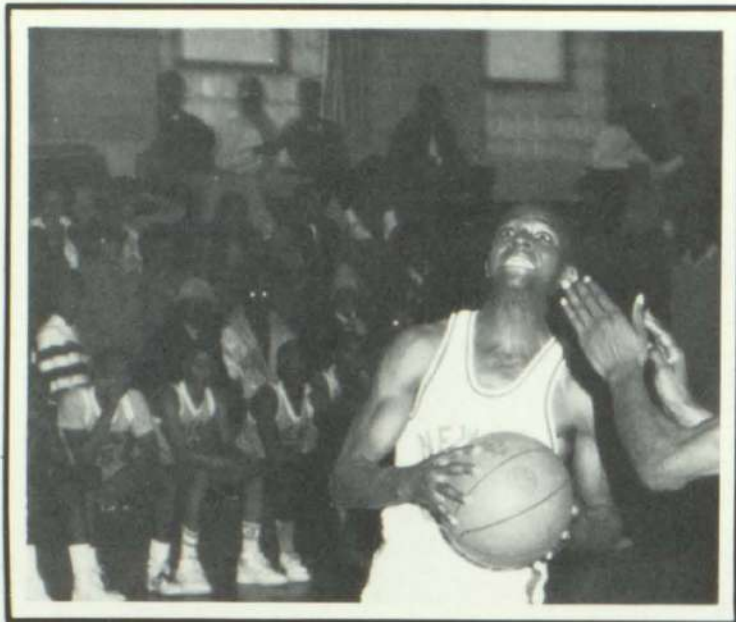

Rodney drives baseline for two.

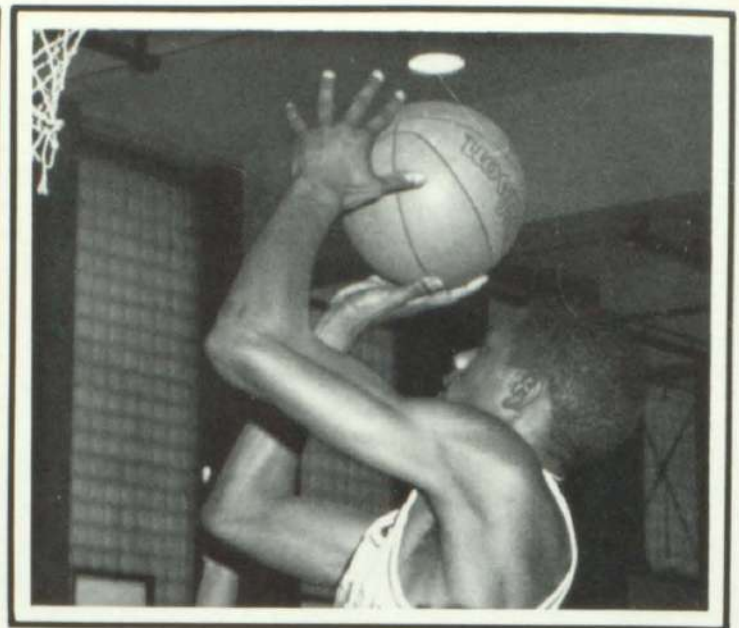

Isaac shows the classic jump shot form.

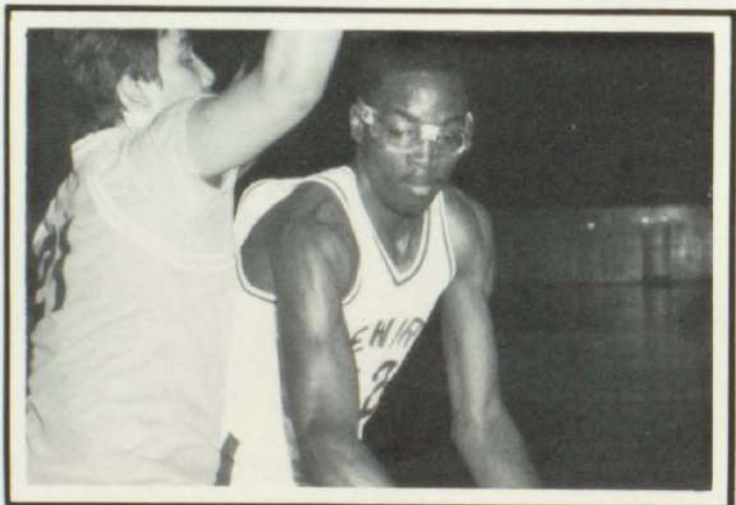

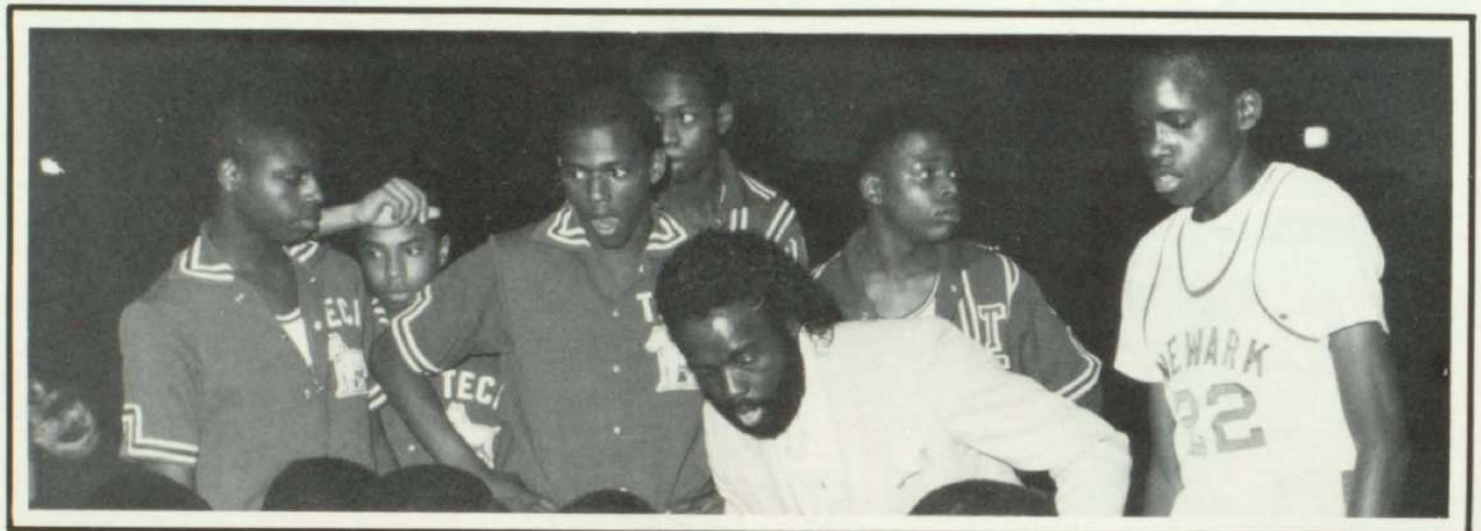

Dave successfully gets off a jumper.

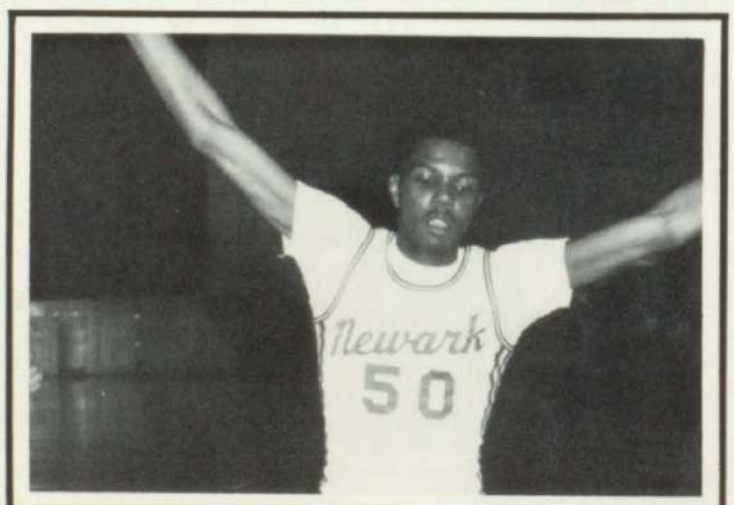

Maurice goes to the goal with insensity.

Dwayne shows good form with a jump shot.

Rodney powers his way to the basket.

Isaac applies intense defensive pressure.

NEWARK TECH LADY TERRIERS

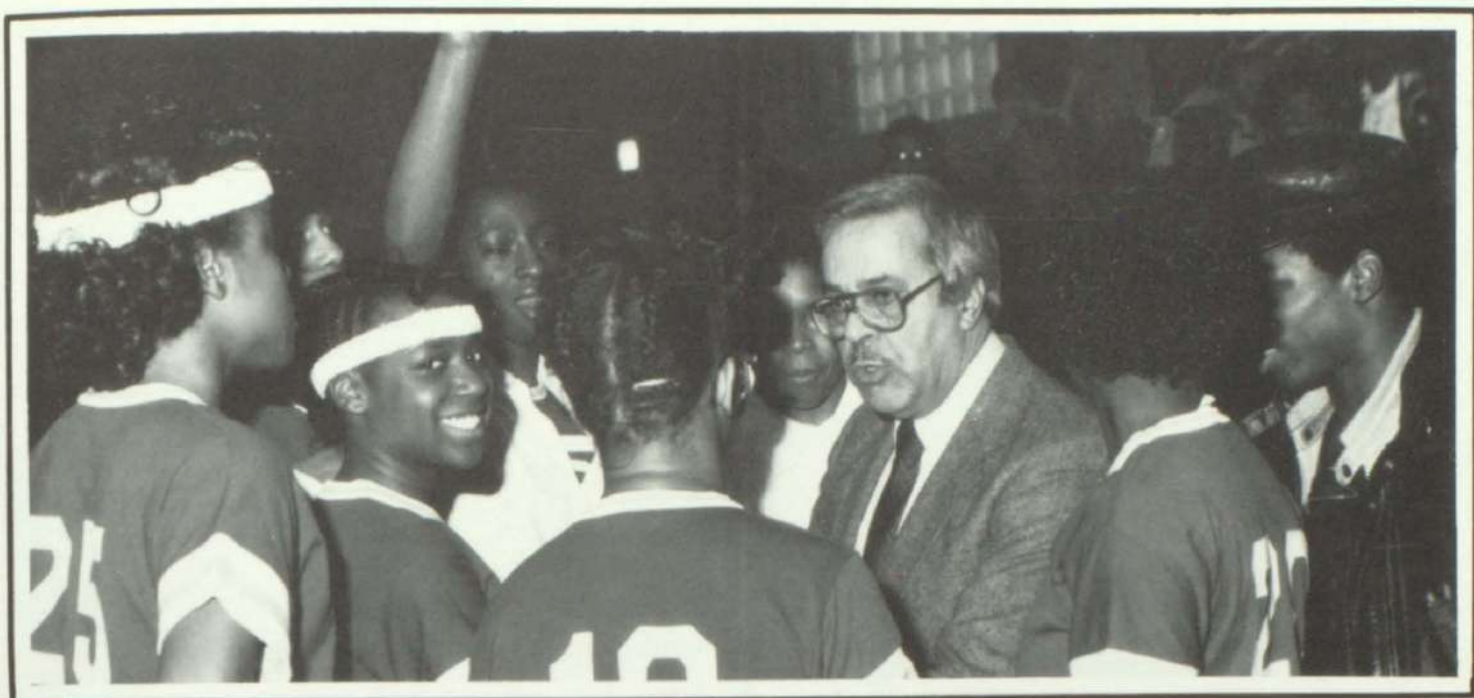

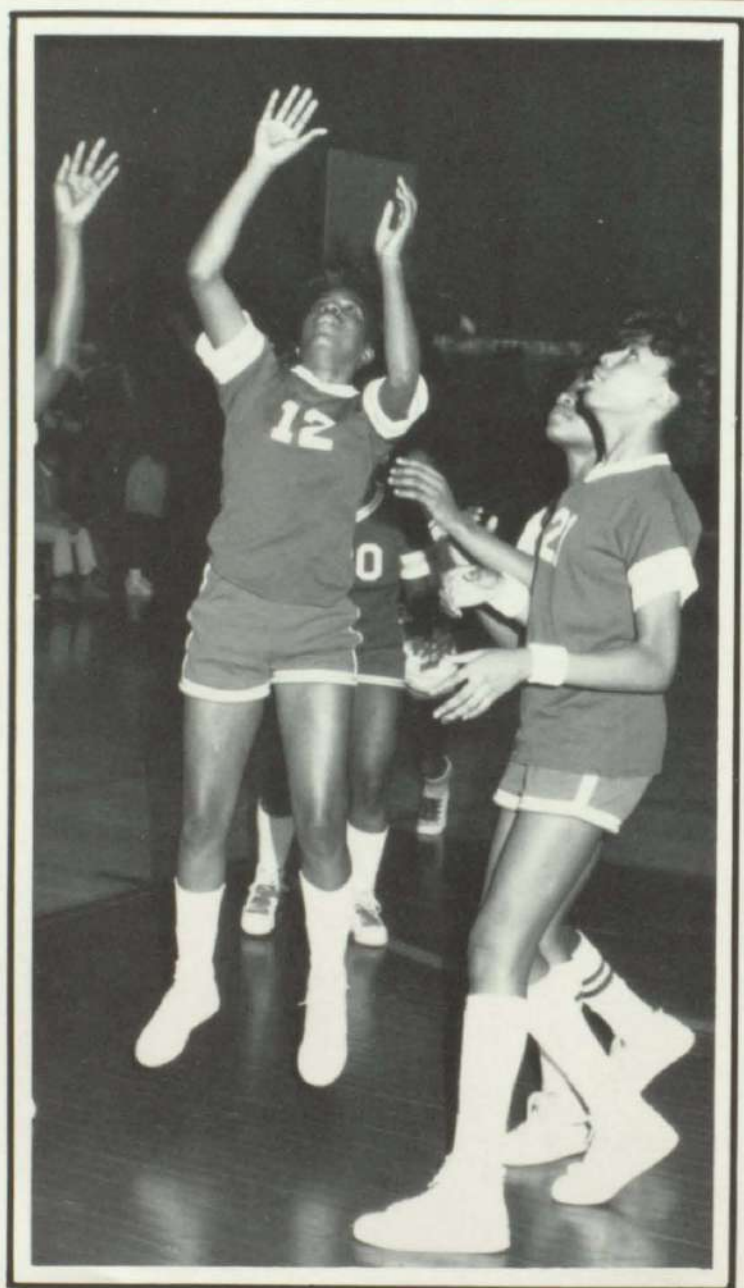

First row left to right- Ellen Fuller, Shawan Ambrose, Yolanda Kirksey, Latisha Hunter, Wanda Jackson. Second row left to right- Sharonna White, Forleasadon Harper, Jacqueline Lambert, Sharinda West, LaTonya Hunter.

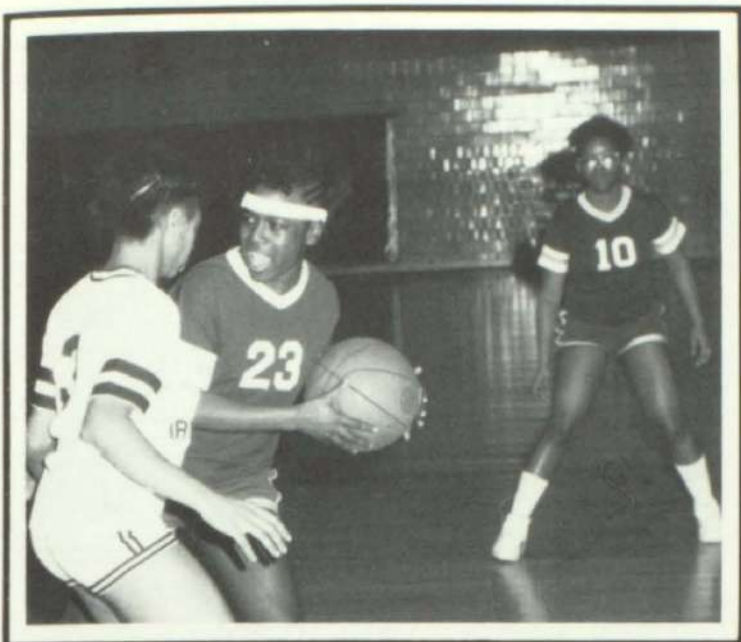

LADY TERRIERS

The Girls' Basketball Team showed some positive movement as it bounced back from a winless season to gain four victories during the 1984-85 season. They gained the Championship round of the Bergen Tech. Christmas Tournament, but Bergen Tech., with their experienced squad prevailed for the championship. Sophomore Jackie Lambert was the leading scorer with 123 points, a 6.5 points per game average. Wanda Jackson, a Senior guard, was next with an average of just over 4 points per game, while scoring 82 points.

Yes dear, milk, bread and cheese.

I hope I look good, cause I don't know what this stuff is.

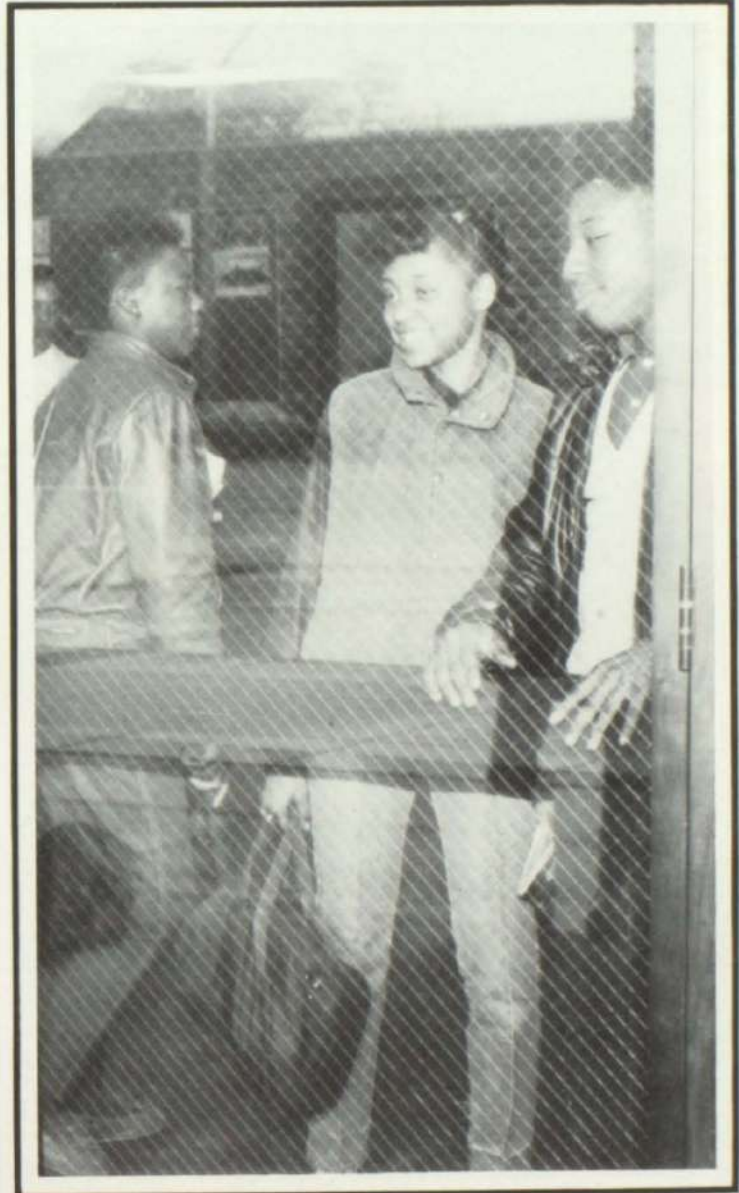

Are you sure this is your lunch ticket.

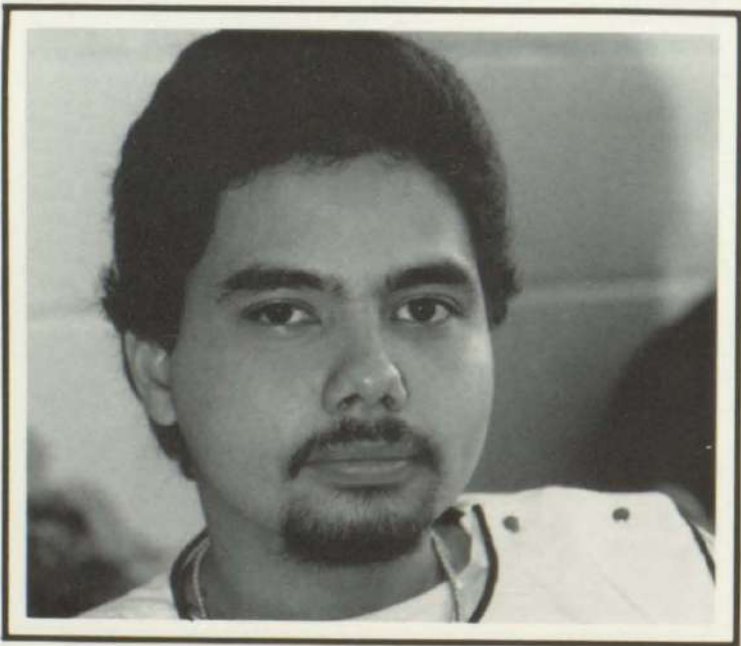

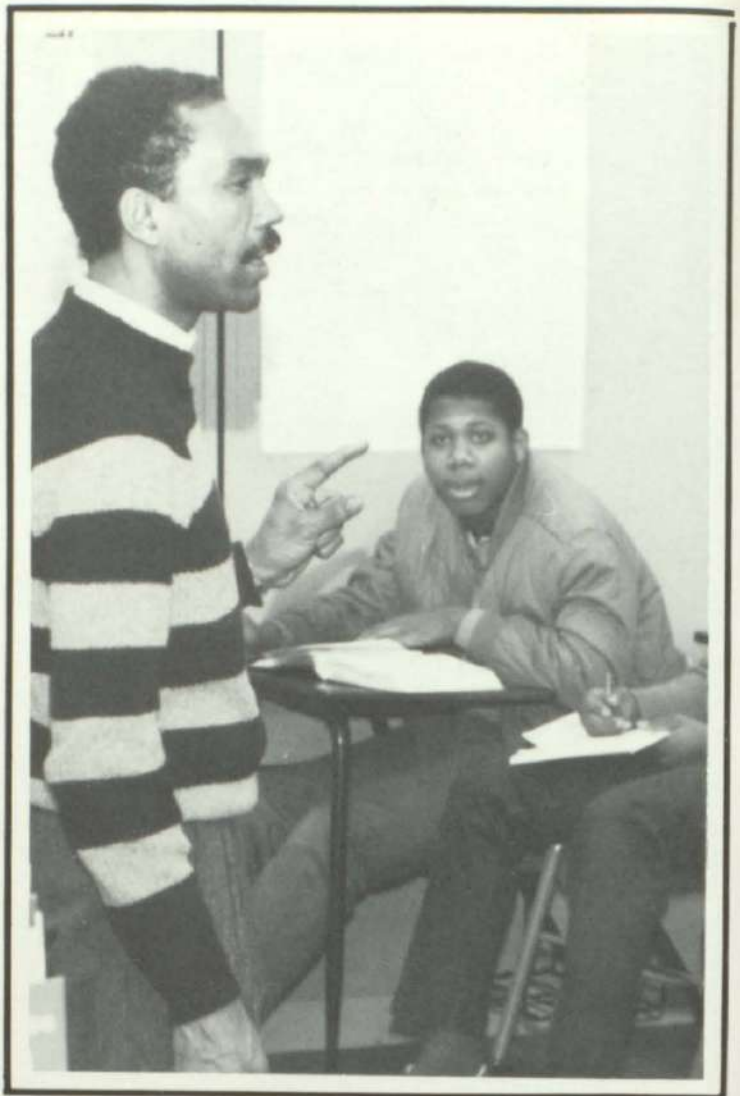

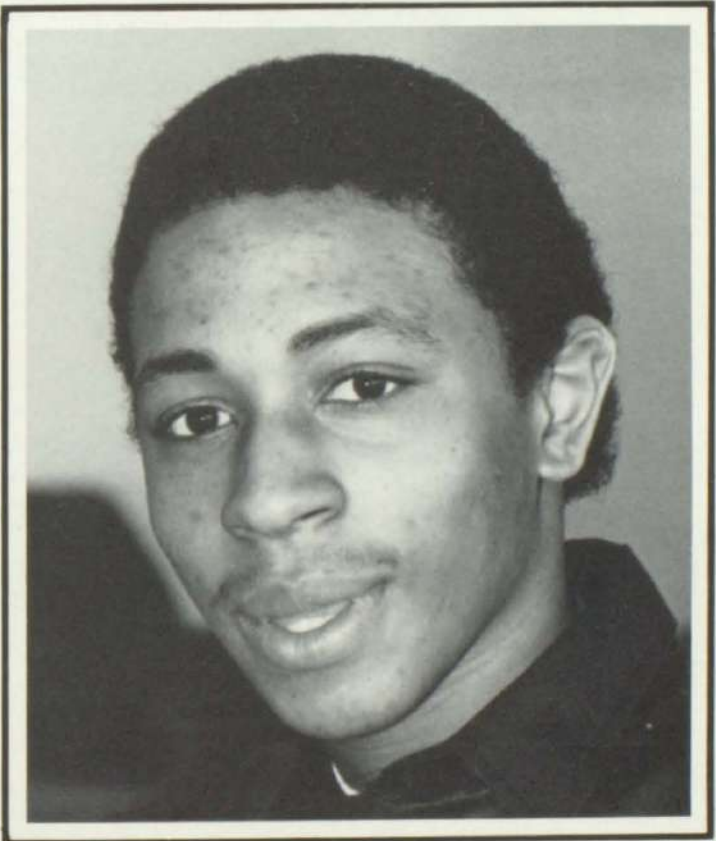

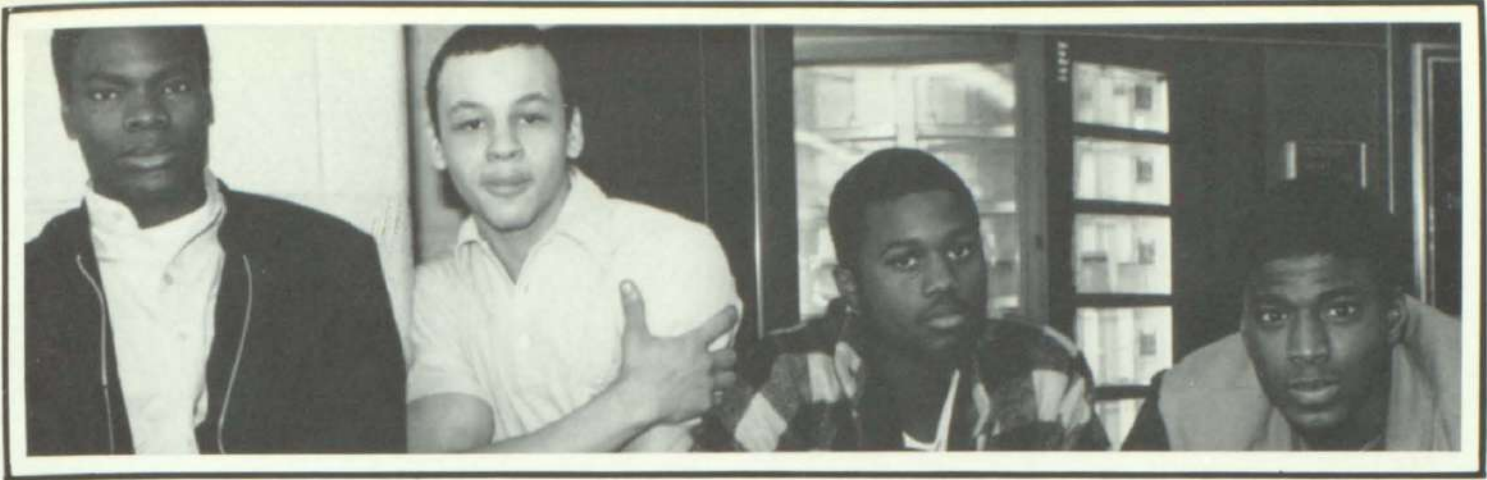

Hurry up and take the picture!

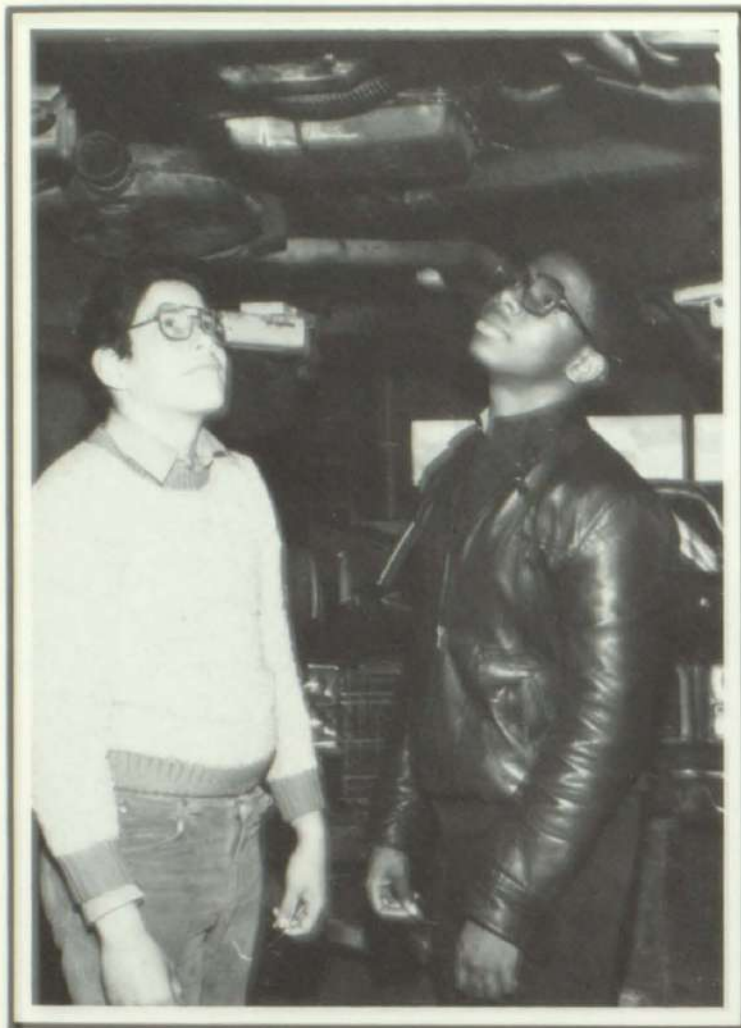

A hug will make your day.

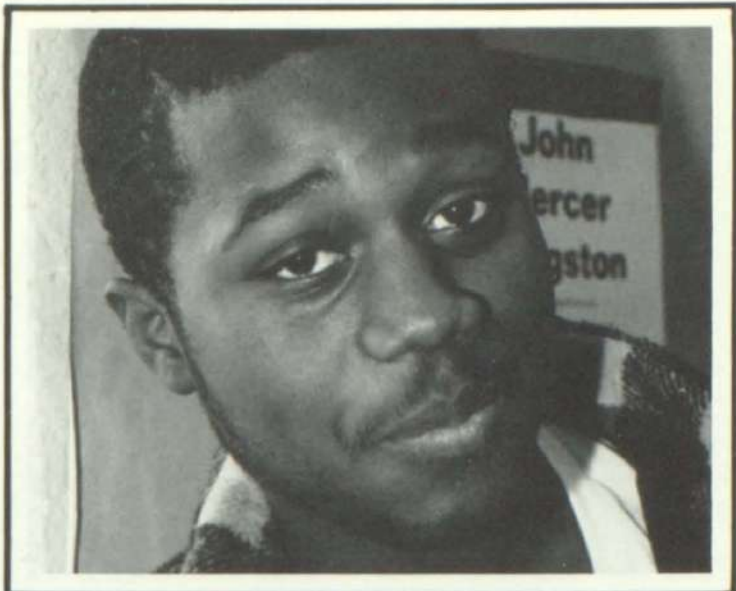

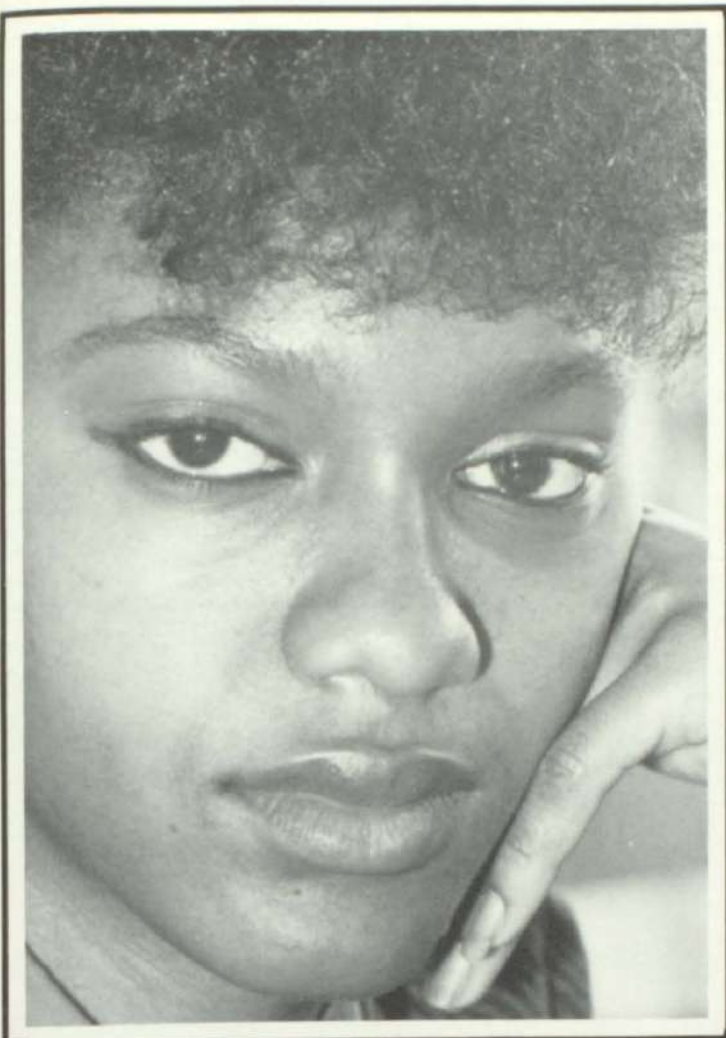

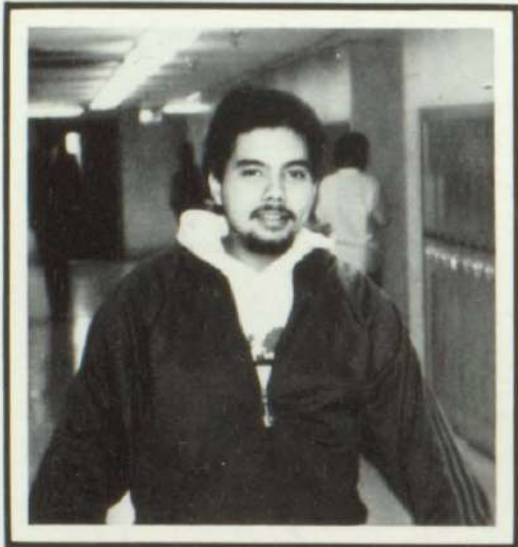

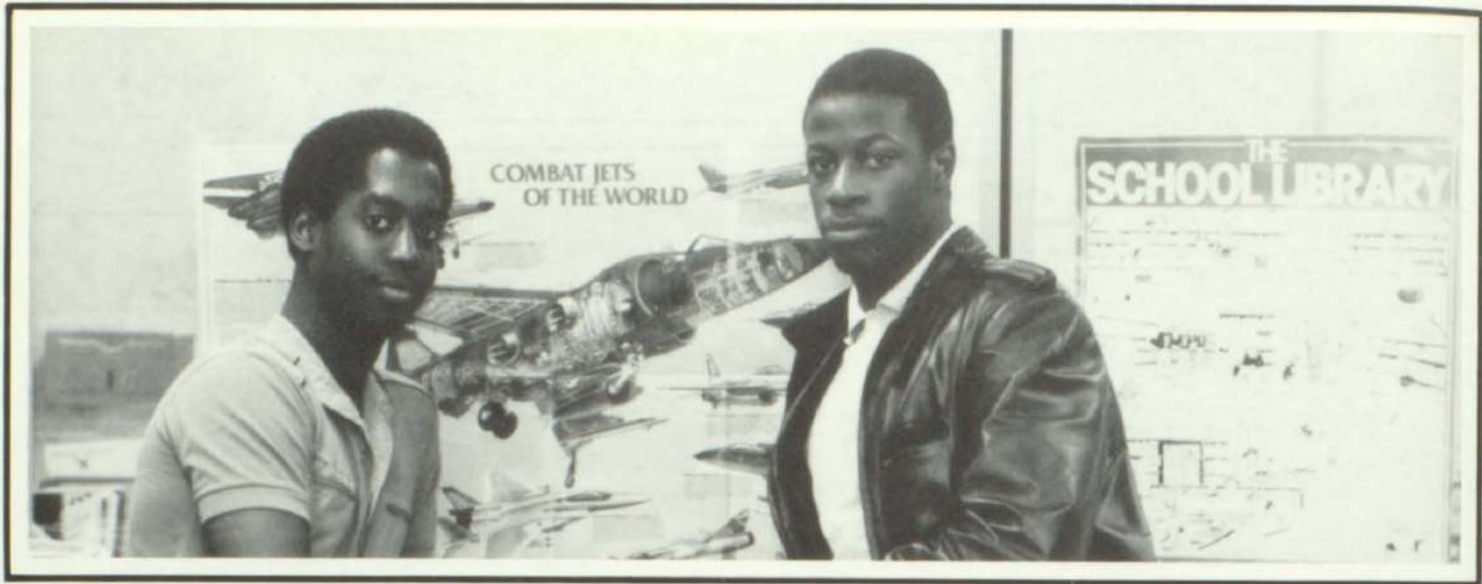

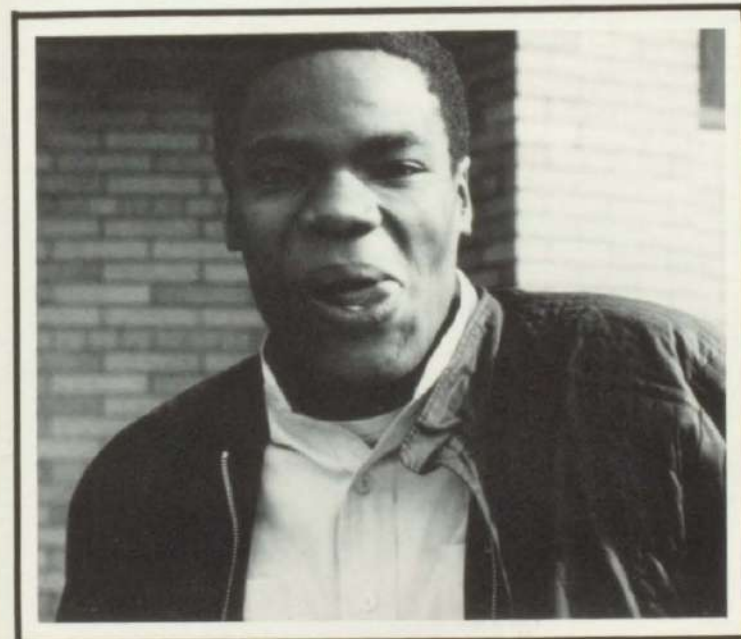

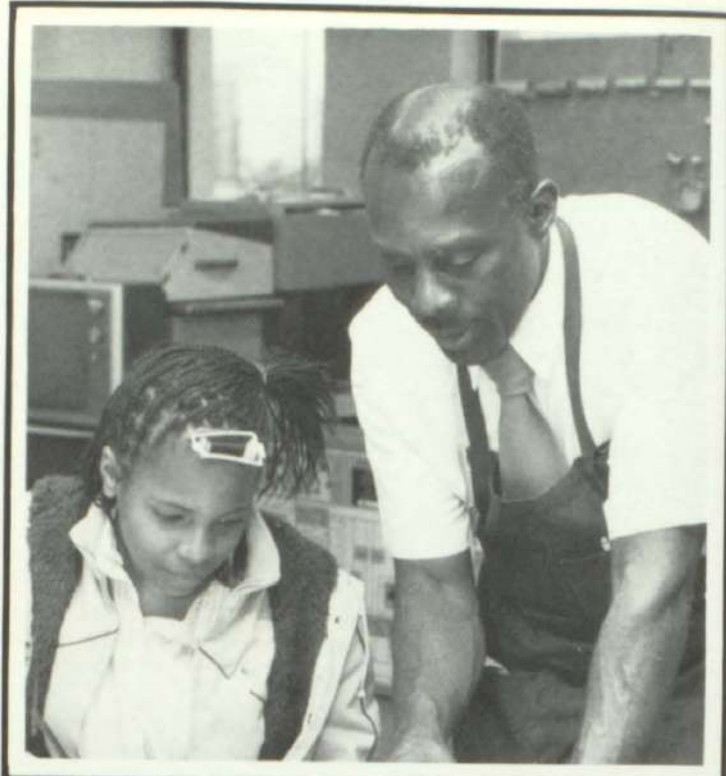

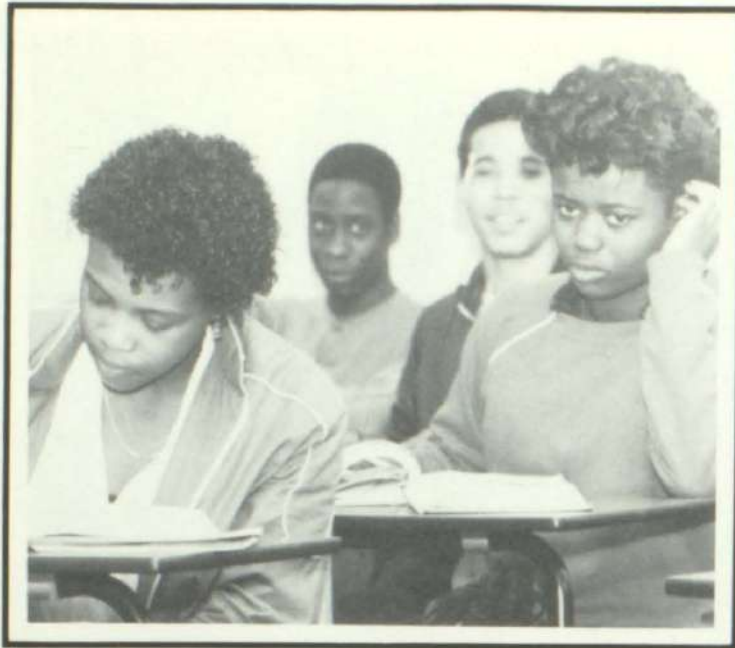

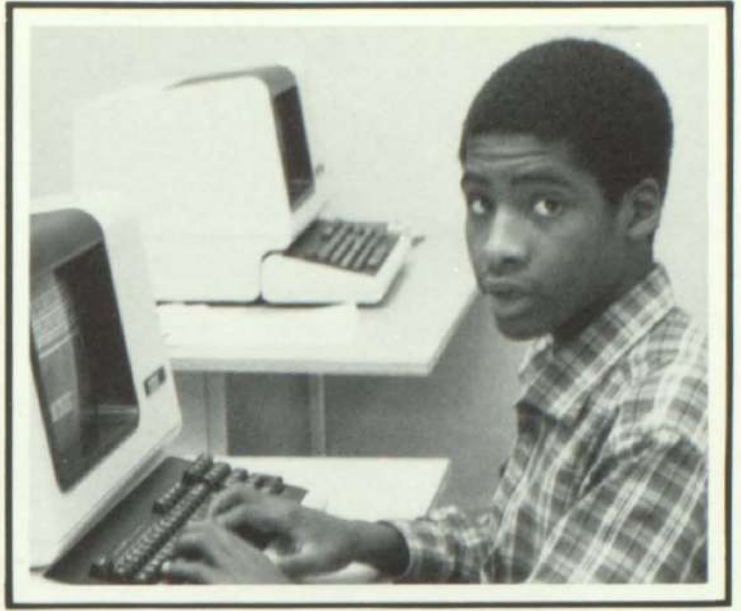

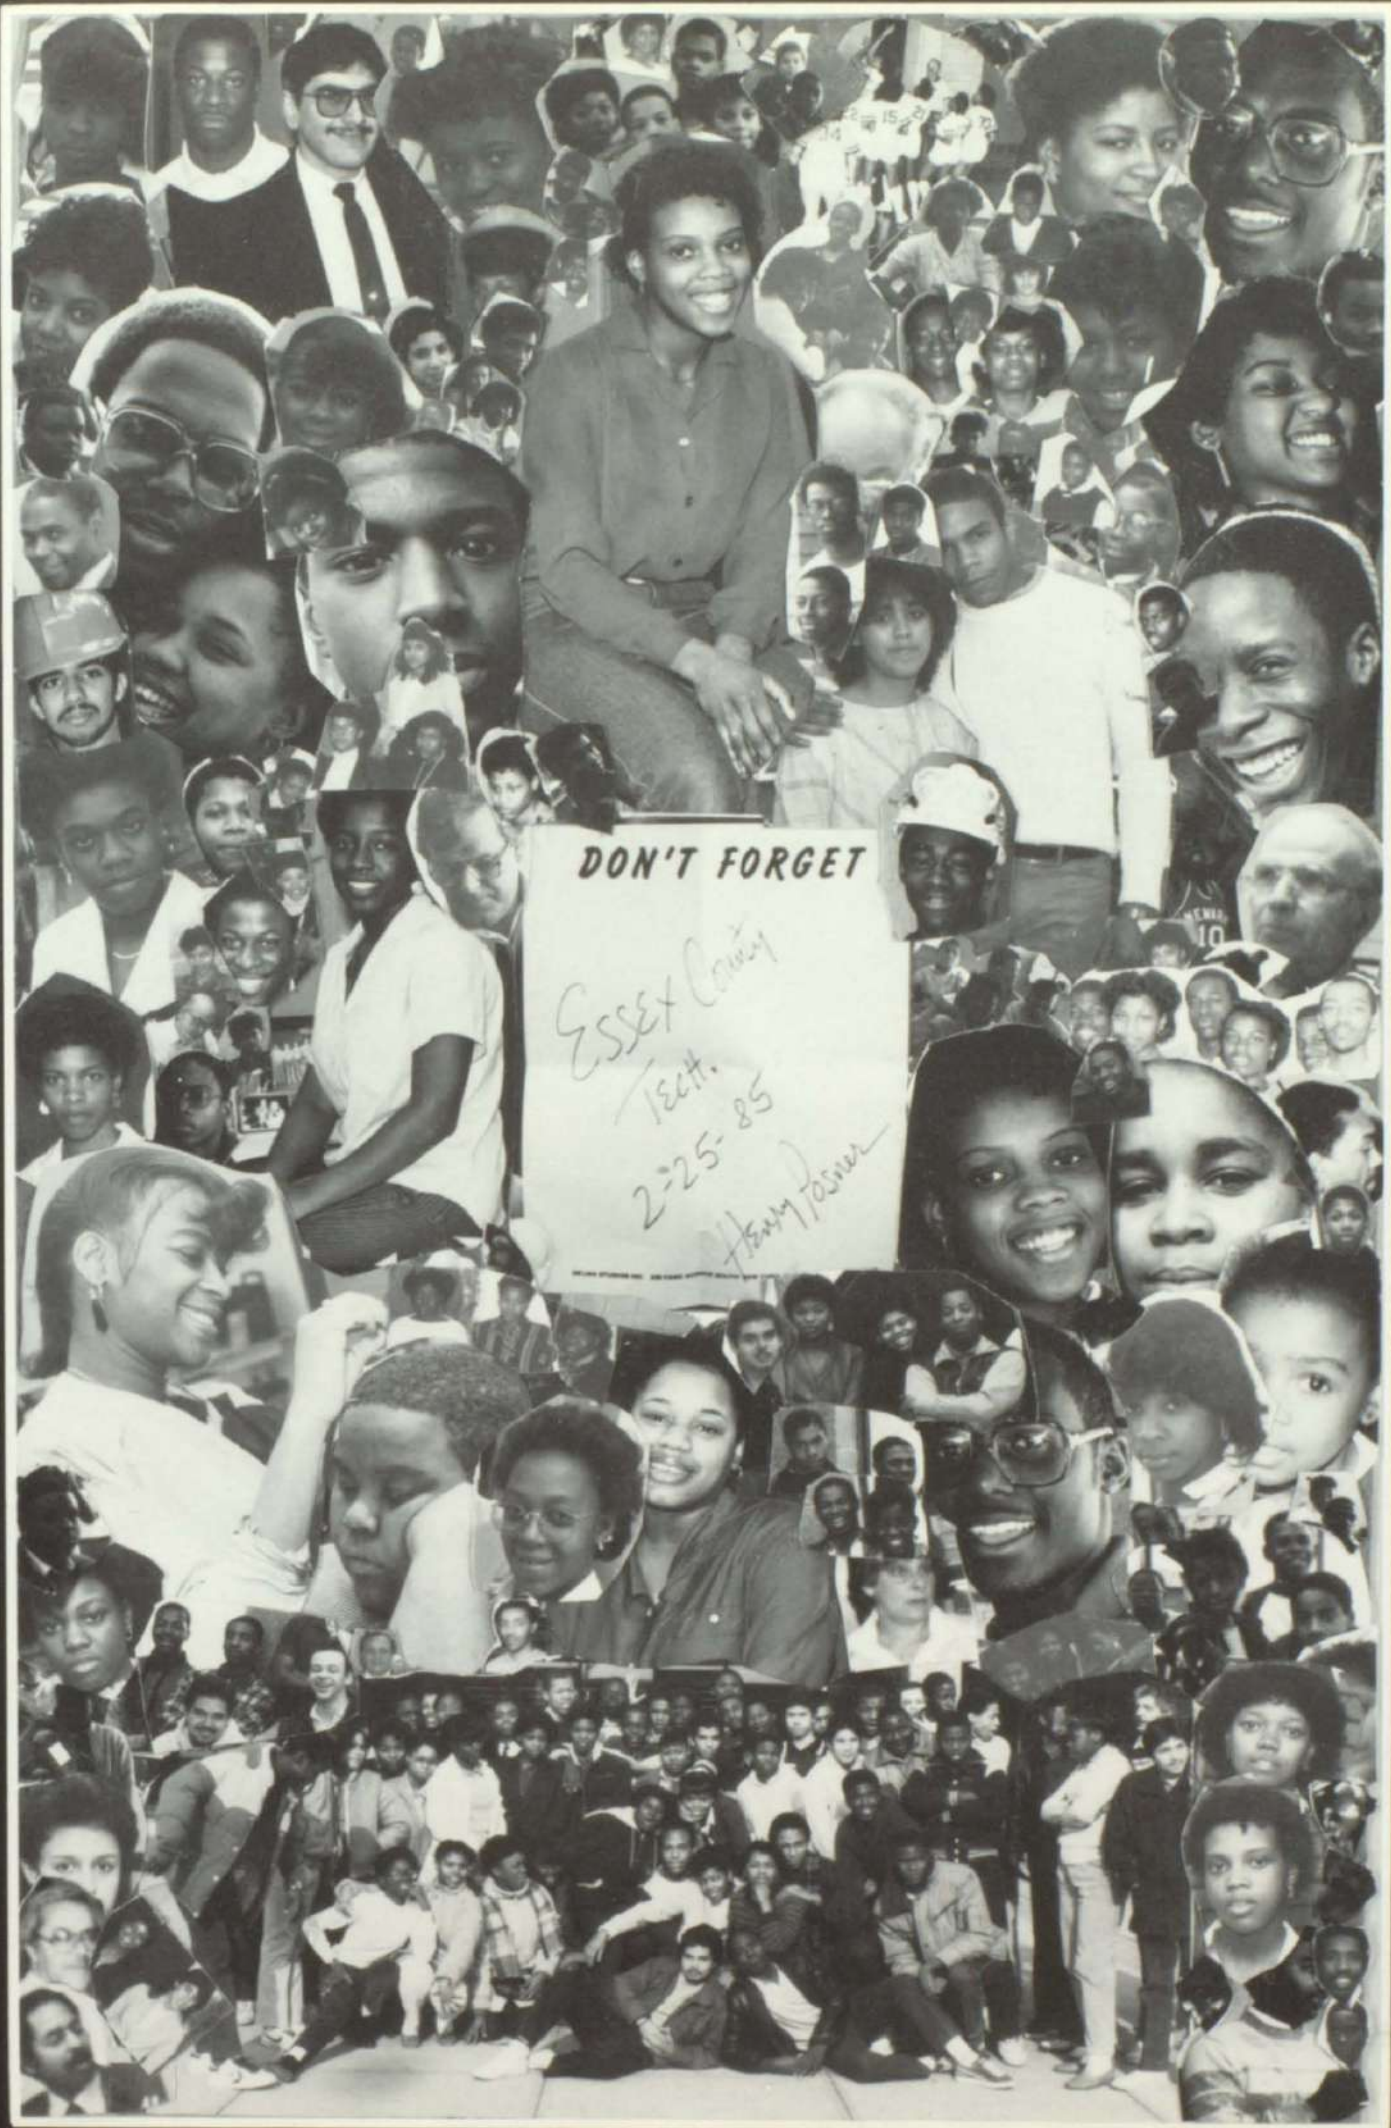

Someday I'll be running this place.

Will this work ever end?

DON'T FORGET

Essex County

Tech.
