Last Will and Testament

I, Noemi Ballester, leave my great personality, rugged and sassy style and my cool stees to my boy Will #51. You know the deal, keep it real until!

I, Lawrence Carr, leave my rock and jock skills to number 15 Mike Gardner.

I, Marcea Cumberbatch, leave my Barbados charm and sensitivity with all the 1998 class, hoping that they all graduate, especially Toya Williams.

I, Shondell Clark, leave behind my brains, beauty, and talent to those who have none.

I, Carlos Colon, leave my jun-juns behind to raise @#\$% in Tech.

I, Jamale, leave my subliminal and anonymous artistic achievements to my heart "scheme." My 1:34 will always shine for you — gemstar.

I, Amy Figueroa, leave my one of a kind attitude and slickness to the Class of 1998. Representin N.B.S. for life.

I, Roman Rashaun Fulmore, leave my family and closest friends the memories of us together, whether it be through sadness or happiness. I will miss you all.

I, Grisela Hidalgo, leave my flirting skills, good looks, and personality to Eli Lorenzo and the Class of '98.

I, James Johnson, leave anybody in the HVAC shop to keep the shop bumpin.

I, Kirsten Mann, leave my funniness and intelligence to my cousin John Wilson. Remember to always keep it real, never be a snake, be the best in the class of "1998."

I, Melanie McCleary, leave my great personality, class, and charisma to the class of 2000, the turn of the century.

I, Damion Newman, leave my handsome looks and mack daddy flavor to Kieron. I'm also giving up my true playing hat to all the big ____ left in the building, if there are any left. Cause the true Mack have left the building.

I, Siobhan Pendleton, leave the sophomore electronics class my key. They know what key.

I, Monica, leave the words "You're fired" to Mr. Adelson for next year's Student Council.

I, Florence Ray, leave nothing to no one.

I, Kenny Sang, leave my smarts to Jimmy Muñoz so he can get by in school.

I, Myisha Scott, leave my girls from the basketball team my determination, achievements, and bread baking in the oven (you know)!!!

I, Cynthia Wells, leave Mr. Boulware's office open for the next senior to sit in there all day long.

I, Quadeedah Wilder, leave my maturity and ability to learn to Taj Williams, Gwendolyn Tirado, and Damila Daniels. Keep holding down the fort.

I, Ra-Hana Worsley, leave my thanks to Mrs. Kenyatta and Mrs. Johnson who gave me guidance in the right direction.

I, Sakina Wynn, leave my looks and personality to Lakeisha King, and I leave my craziness and loudness to Kamaal Daniel, my cousin. Keep Newark Tech rocking!

A friendly visit to Mrs. Kenyatta

Ya gotta love us!

Out enjoying the sun and the breeze

Good friends, through good times and bad times

Give me some Love!

around Newark Tech

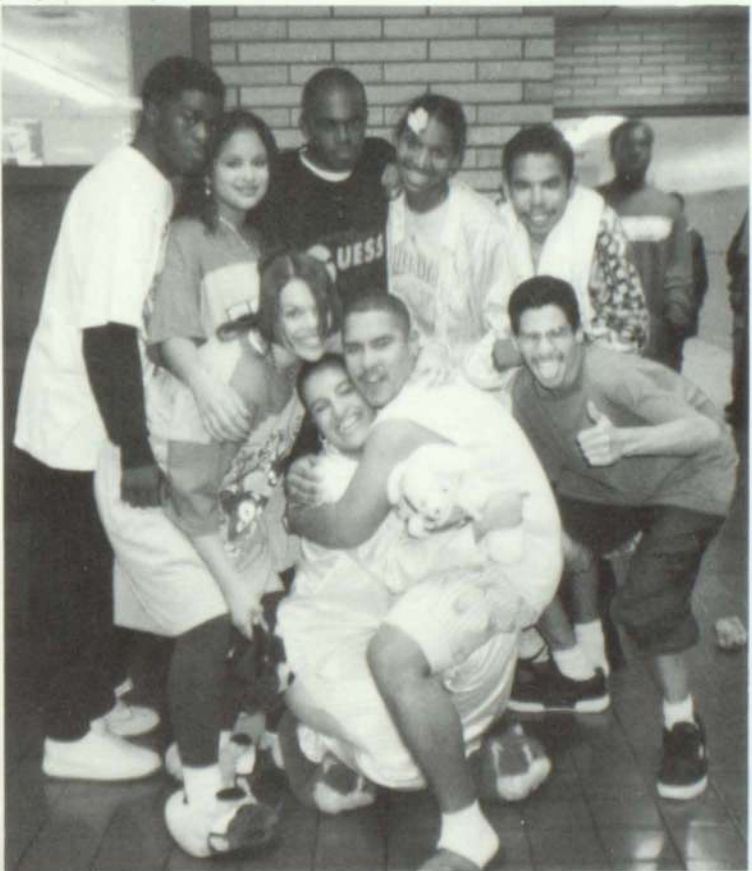

Say Cheeeese!

A friendly welcome
