Always in our hearts. Always in our hearts. Always in our hearts.

# Never Alone

by Rodney Belcher

I feel you in the mornin  
When at first I awake  
Your thought is with me  
With each decision I make

You'd been around forever  
Since the first breath I took  
Now i have to go on alone  
But for love, I need not look

Cause by what you bestowed  
In our short time together  
Will last in my heart  
Forever and ever

Although you've left  
And now walk above  
I'm never alone  
I'm wrapped in your love

Enjoy now your long waited reward  
Feel peace that your love continues on  
What was taught to me, will be taught to mine  
Cause you live on in me even after you've gone

## MESSAGE TO THE CLASS OF 2007

Mr. Kafele, Principal

Congratulations to the class of '07! I am extremely proud of each and every one of you. You have reached a major milestone. You have demonstrated what hard work and commitment can produce. It is now time for you to make the transition to the next level. The possibilities for your futures are endless. Whatever it is that you want for yourselves is absolutely within reach if you have the will to go after it. I see nothing but greatness for each and every one of you!

As your principal, I came to Newark Tech at the start of your junior year, not knowing anything about any of you but stating to you on the very first day of school that we were going to achieve "80/70" - our HSPA goal. I'm not sure that many of you believed, at that time, that it was possible, but as time progressed, by the time you took the HSPA, most, if not all of you were believers. Ten months after that first day of school speech, at the beginning of the month of June, I will never forget announcing in the Essex County College gym with the entire school present, that we had exceeded our goal! This proved to all of us that all goals are achievable when there is an earnest commitment to achieving the goals.

As you move on to the next level, whether that be in college, technical or trade school, the world of work, or even the military, I challenge each of you to dream big. I challenge each of you to envision greatness. I challenge each of you to dare to maximize your potential. Whatever you put your mind on achieving, don't let anything nor anyone stop you from achieving it. Stay focused and committed to achieving your goals. Put forth a 110% effort. Be sure to devise a well written plan of action, which includes a timeframe for when you will achieve your goals. Also, be sure to surround yourselves with other positive, like-minded people. Time spent with people that are moving in the same direction with you is essential. Time spent with people who are not focused on success is potentially a poor usage of your time.

Finally, as I close, I say to you for the last time as your principal to always remember the African proverb; it's not what you call me - it's what I answer to. Asante sana, Tutoanana, HOTEPI!!!
