Foreword

We are not quite certain how we feel about the hippies and their kind of 1967 and 1968. They are probably good for society since they remind us of all the problems we still must solve.

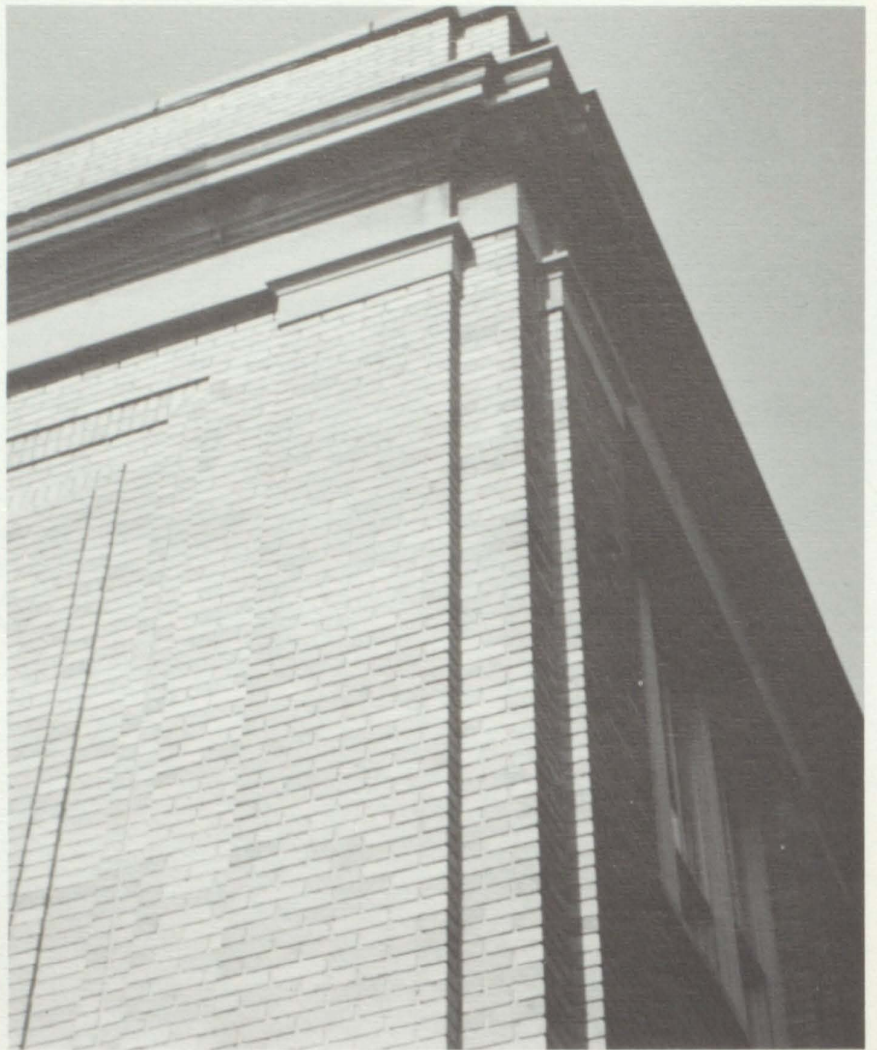

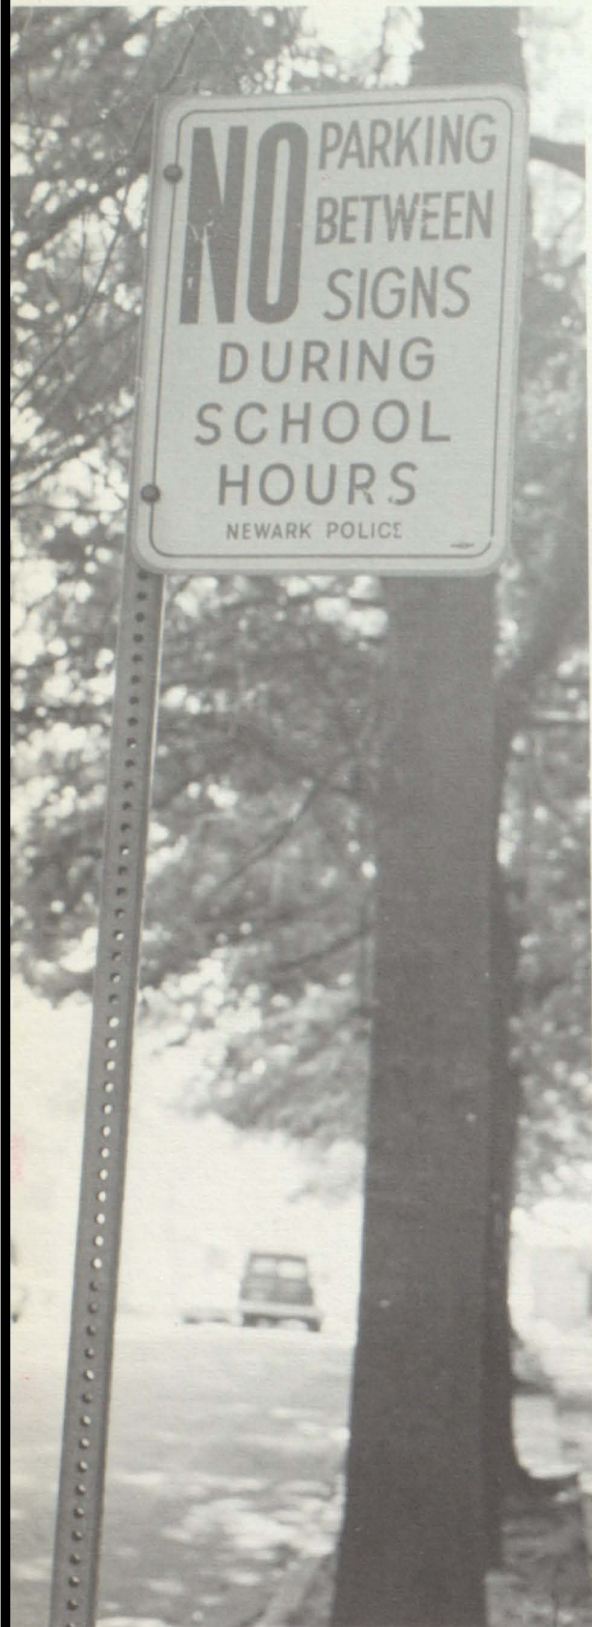

But on one point we take issue with them. We know it is not necessary for people to resign from the realities of life, paint flowers on their faces, or avoid soap and water to be moved by the spirit of

love

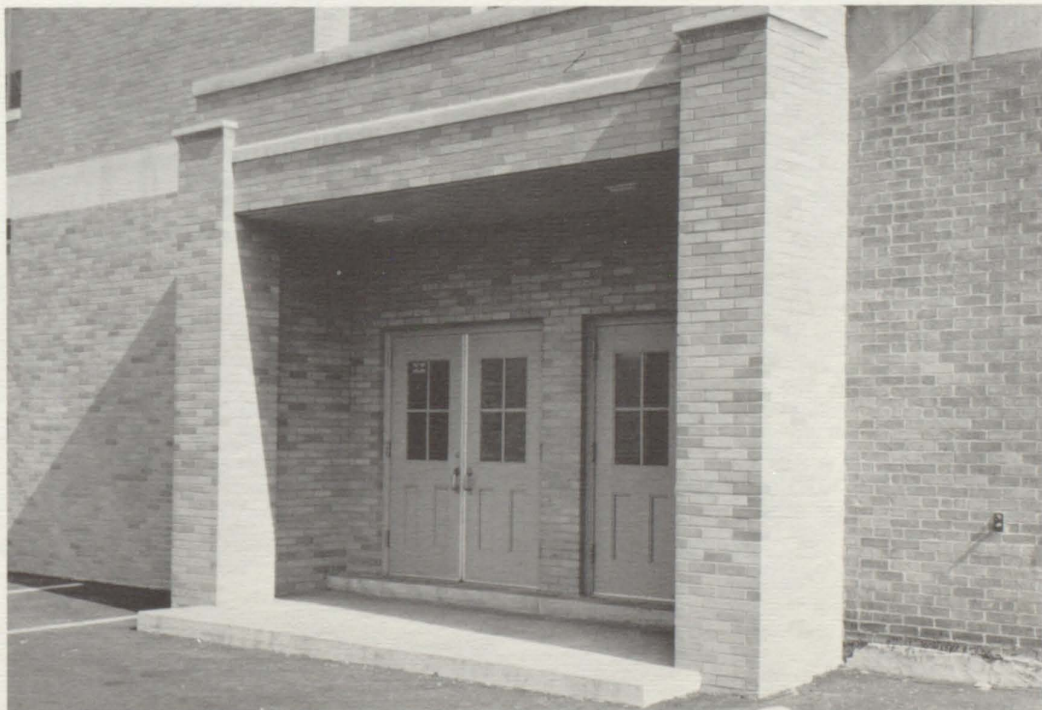

"A loving heart is the beginning of all knowledge."

"True love is but a humble, low-born thing . . .

And hath its food served up in earthen ware . . .

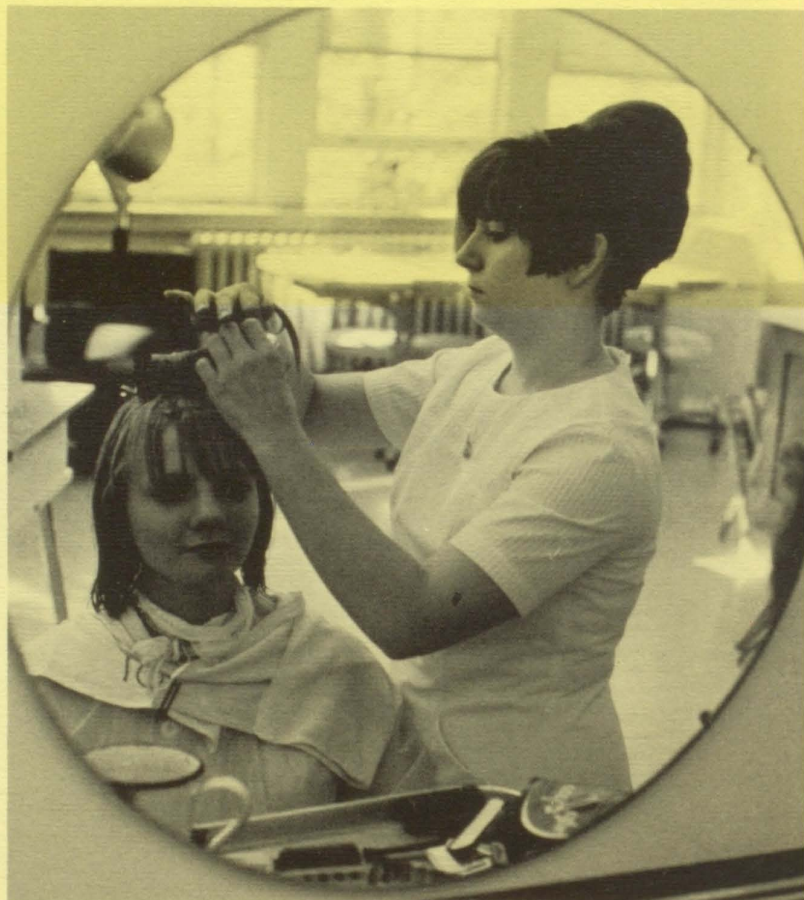

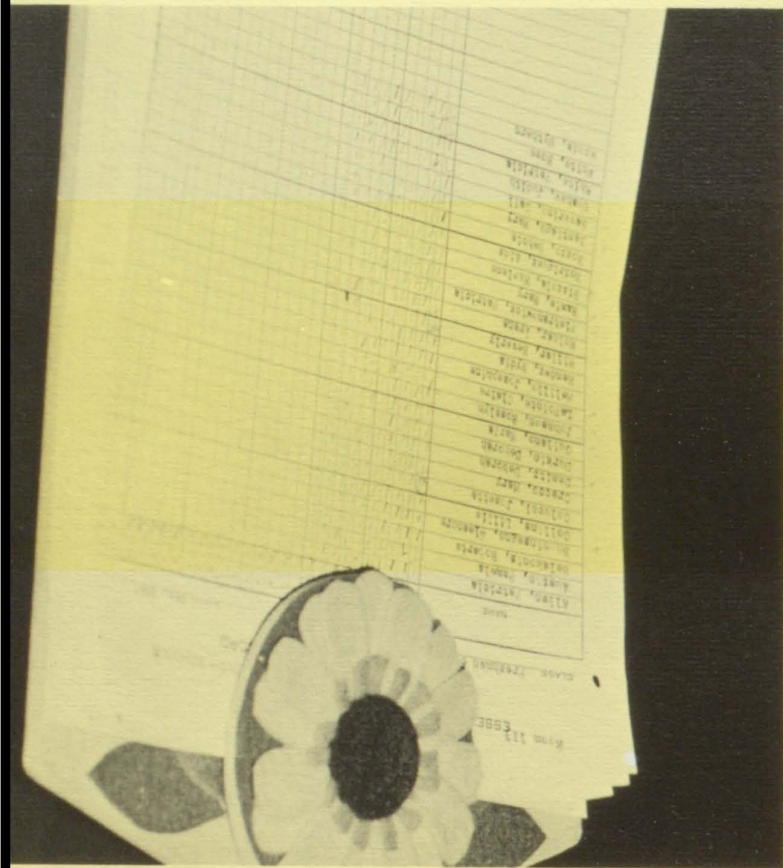

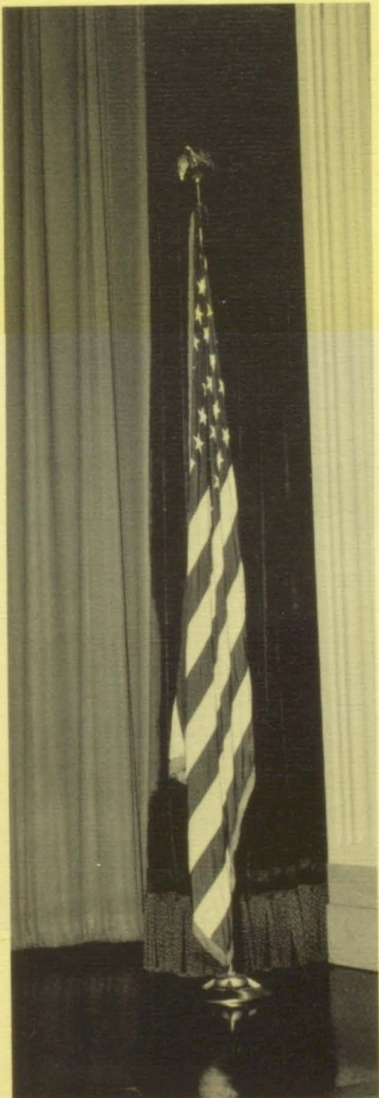

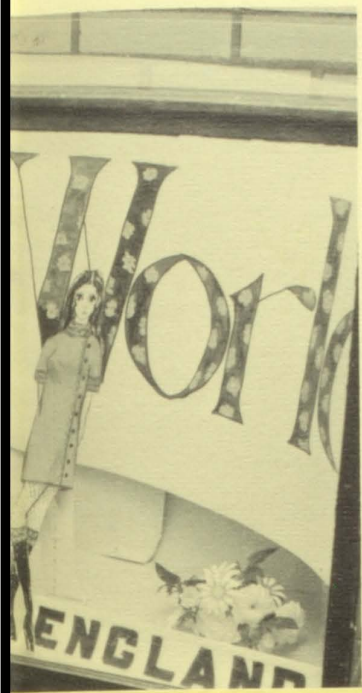

It is a thing to walk with, hand in hand . . .

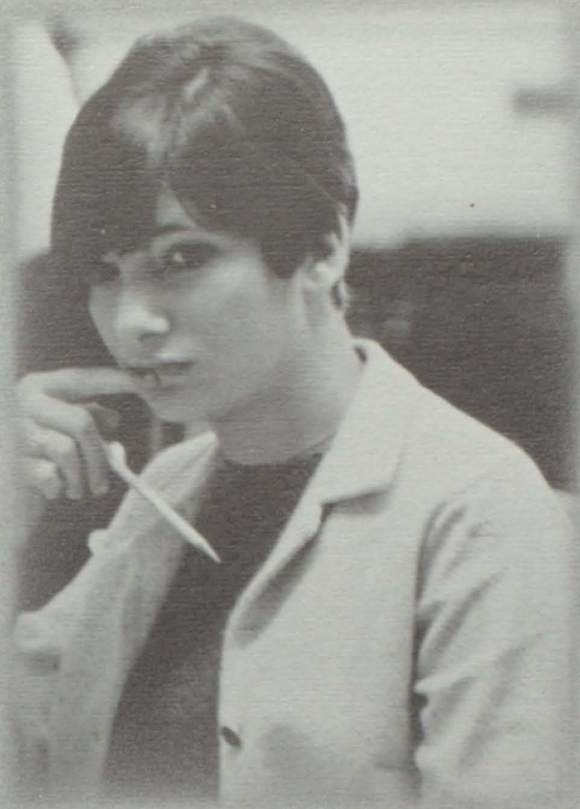

Through the everydayness of this workday world."

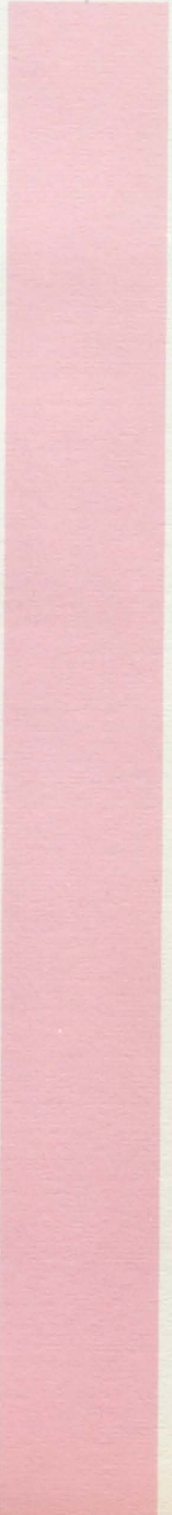

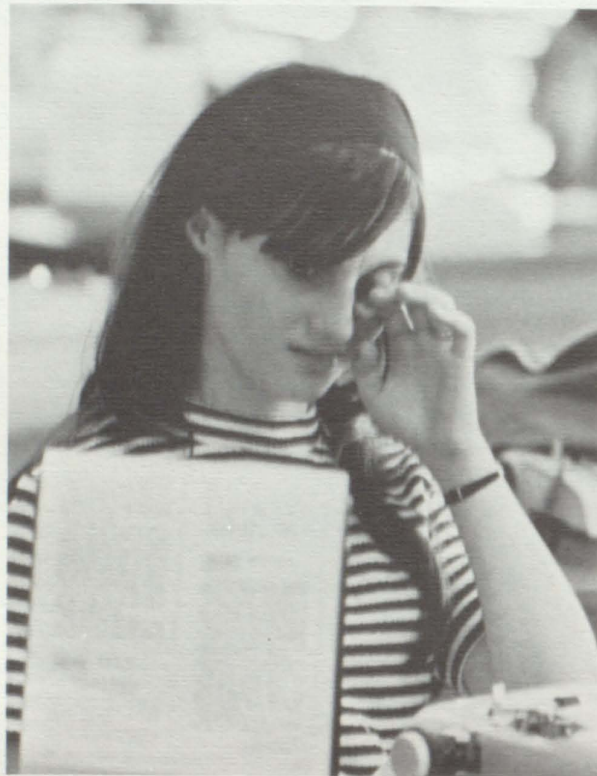

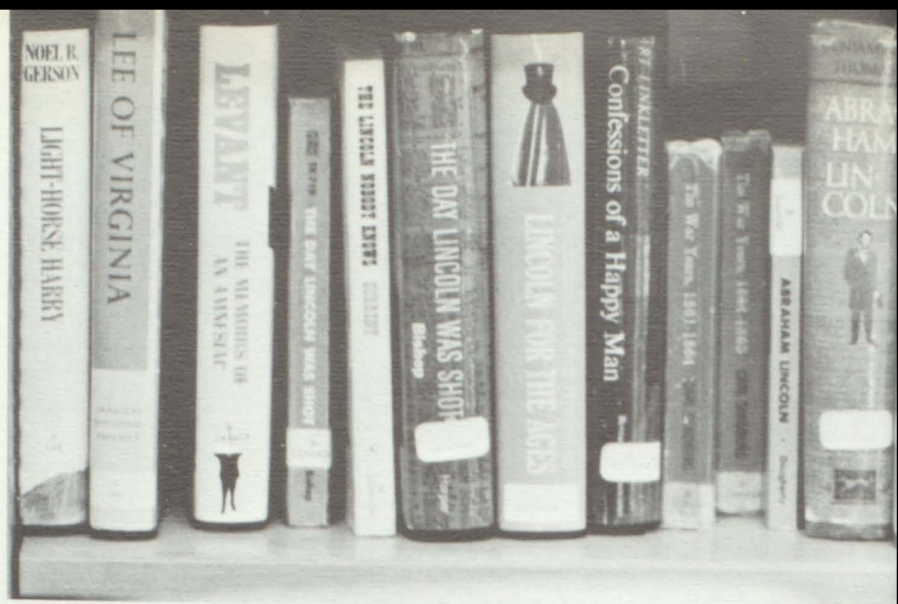

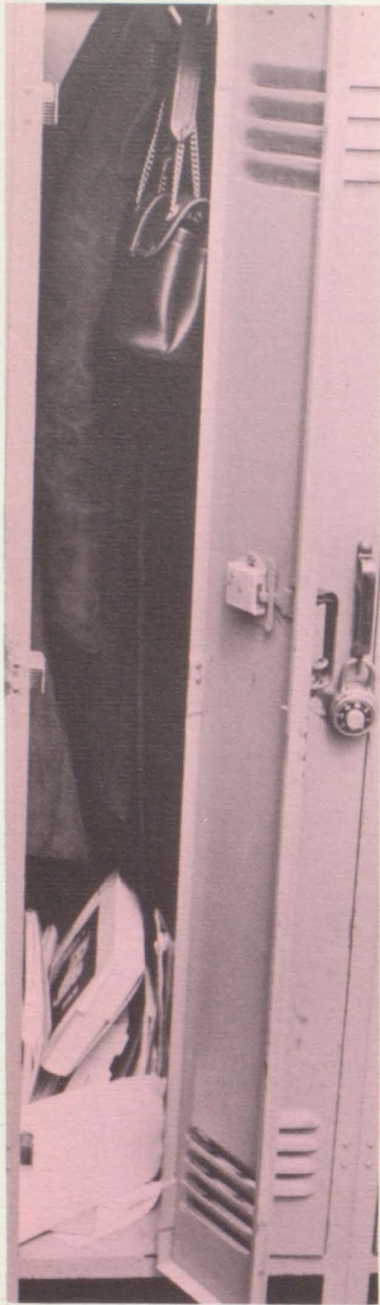

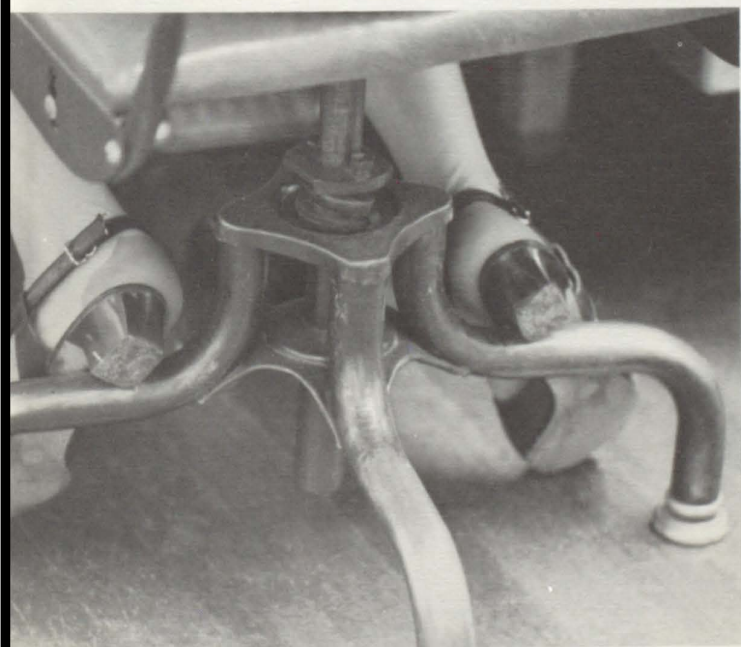

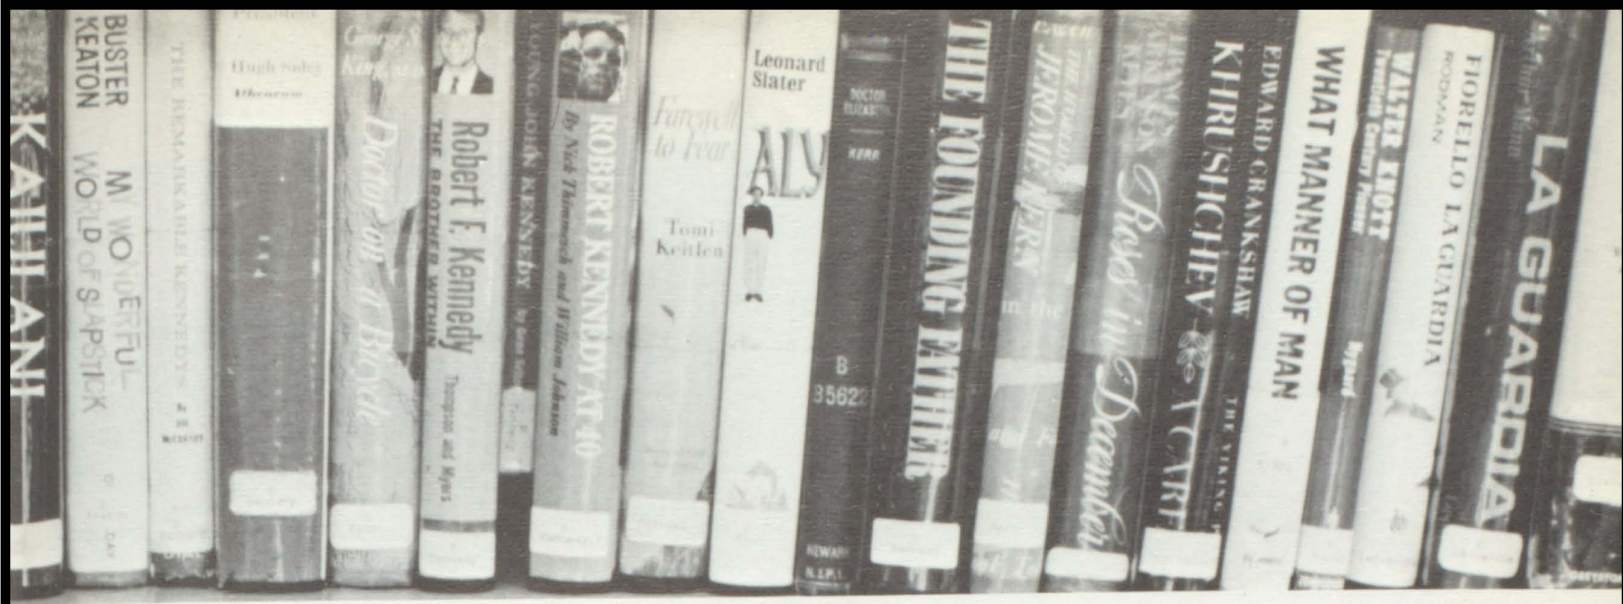

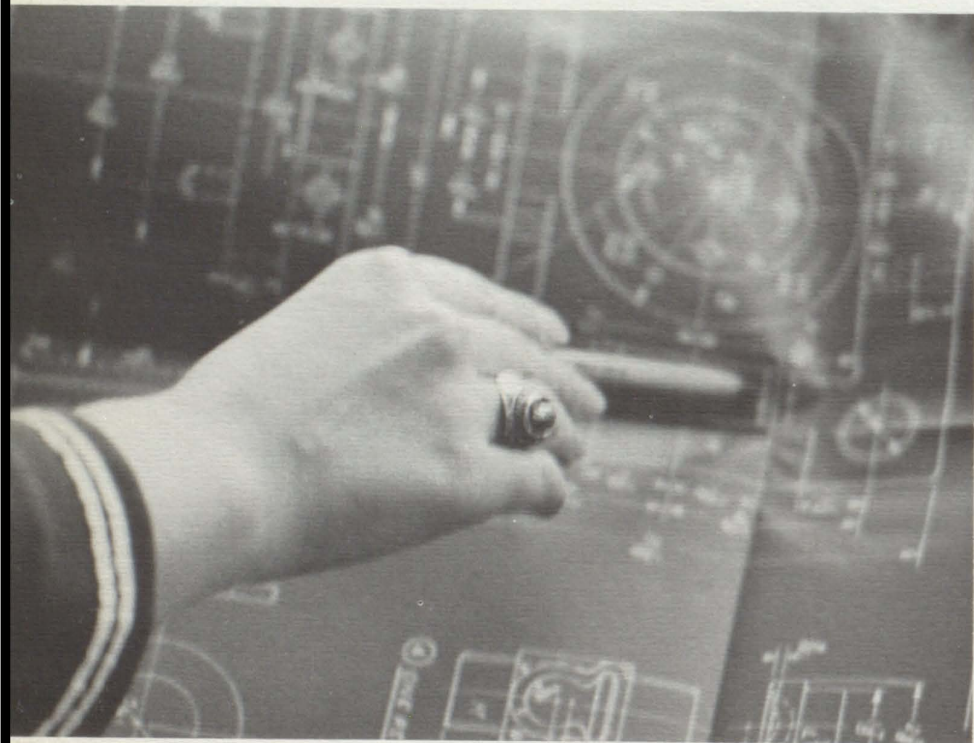

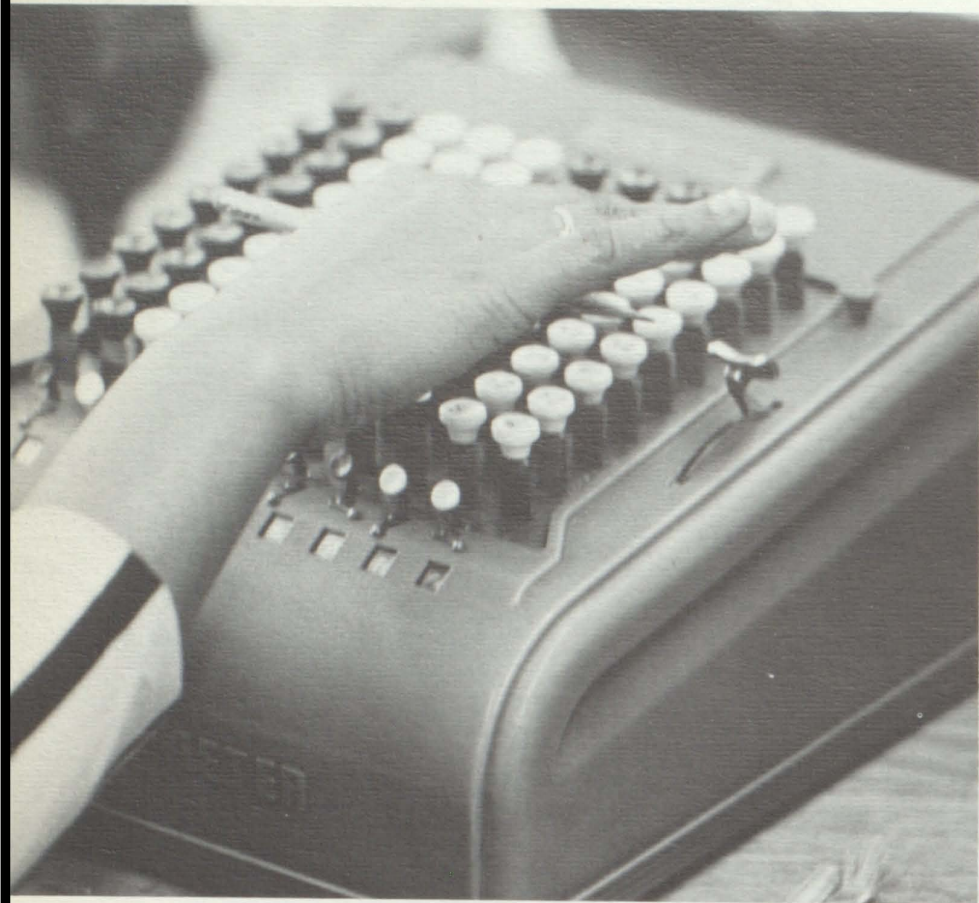

Rosalie C. Risinger
Principal

To The Graduates:

Congratulations! You have reached an important milestone in your lives — graduation from high school into the adult world.

During your years at Essex High, we have endeavored to prepare you for the world of work; and to take your place as a contributing member of your community, state, and country.

We have done our best to give you a strong foundation of ideas, skills, and attitudes to prepare you to face the future. Accept the challenges of change and face the future with hope!

My sincere thanks to each of you for the privilege of working with you. Good luck!

Rosalie C. Risinger

Magazine

One of the main events in our school is the Magazine Drive to raise money for our year-book. For this drive, all the girls work very hard to sell magazines so that they may reach their goals; this year they have done better than ever before.

There is always much enthusiasm over the skits for the Magazine Drive. This particular skit was given by Beauty Culture 12².

From the audience there is excitement and anticipation as the girls await the new total.

The total was shown and as you can see, we were very successful. Our total this year was . . .

Drive

...\$13,245.12. A great achievement!

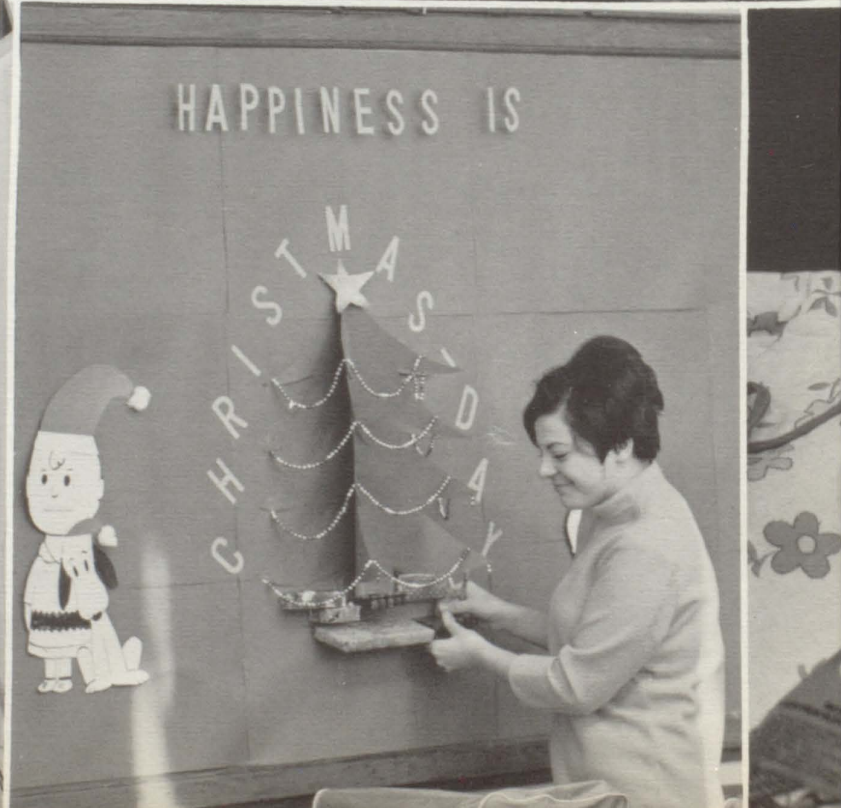

Georgeanne Buono was our high sales girl for the Magazine Drive. She chose a portable television for her prize.

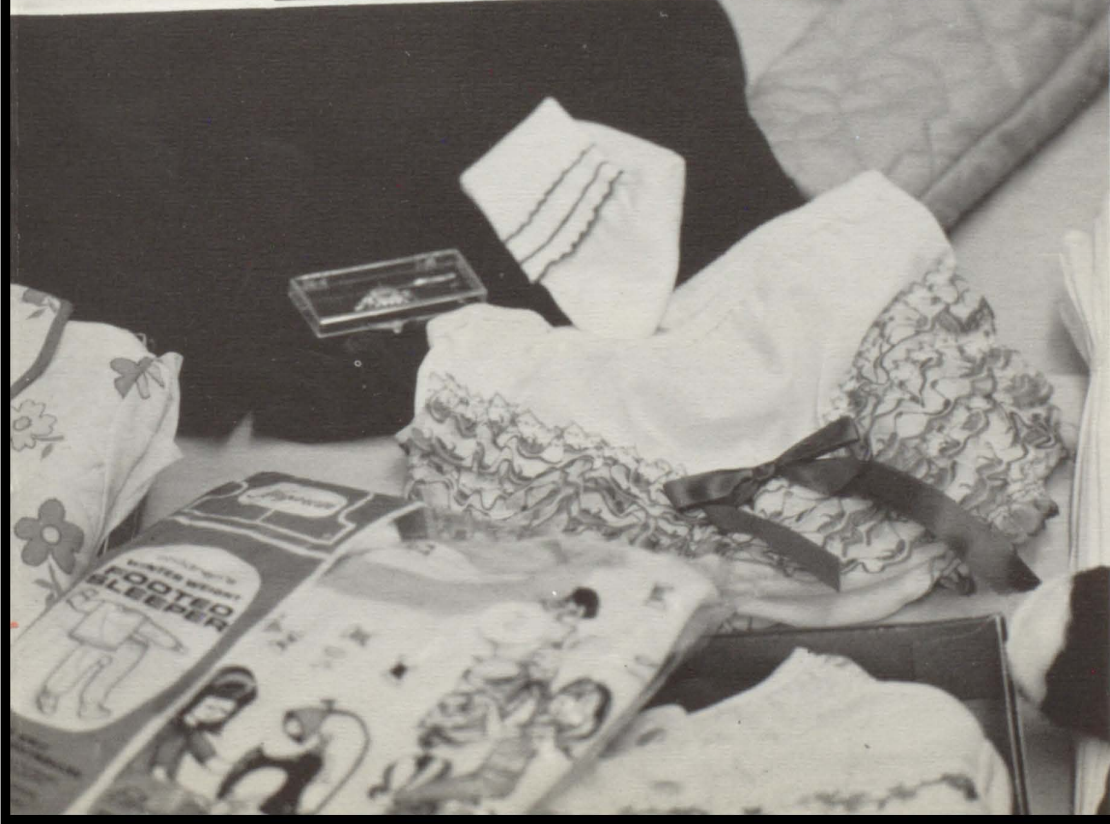

The ten high sales girls for the drive are: (left to right) Stephanie Magliacano, Vera Romano, Diane De Pasquale, Marlene Del Vecchio, Joyce Palmieri, Beverly Baldante, Carolyn Goode, Georgeanne Buono. Not present due to absence are: Marie Merola, Linda Mattos.

Trip to

The ideas of many people have gone into building the United Nations Secretariat Headquarters.

Shortly before going to the U. N. we studied about it so that we would be familiar with what was going on.

Here the girls are getting eagerly off the buses in front of the United Nations building.

In the lobby, everyone is busy talking and looking around in this spacious building.

On Friday, October 27, 1967, the Senior Class went to New York to visit the United Nations. For many of the girls it was their first time in the U. N., and all were impressed with the size and architecture of the building; especially with all the interesting and distinguished people who were there.

Now everyone is getting together in groups and waiting for the different guides to take them through the building and answer their many questions.

Because of industry's need for more highly skilled office workers, a course in business machines is offered to high school graduates.

During the year of intensive training, our adult students acquire the knowledge of and skill in the operation of many of the newest office machines.

They are also required to complete such related subjects as: typewriting, clerical practice, and business English.

The young woman with an interest and ability in art finds this course the key to a creative, challenging career. It includes layout, advanced lettering, typography, graphic techniques, photography in advertising, and methods of production.

“The hardhearted person never really loves. He never experiences the beauty of friendship, because he is too cold to feel affection for another and is too self-centered to share another’s joy and sorrow. He is an isolated island. No outpouring of love links him with the mainland of humanity.”

“Love is the most durable power in the world.”

Martin Luther King, Jr.
1929 - 1968
