# THE GRADUATING

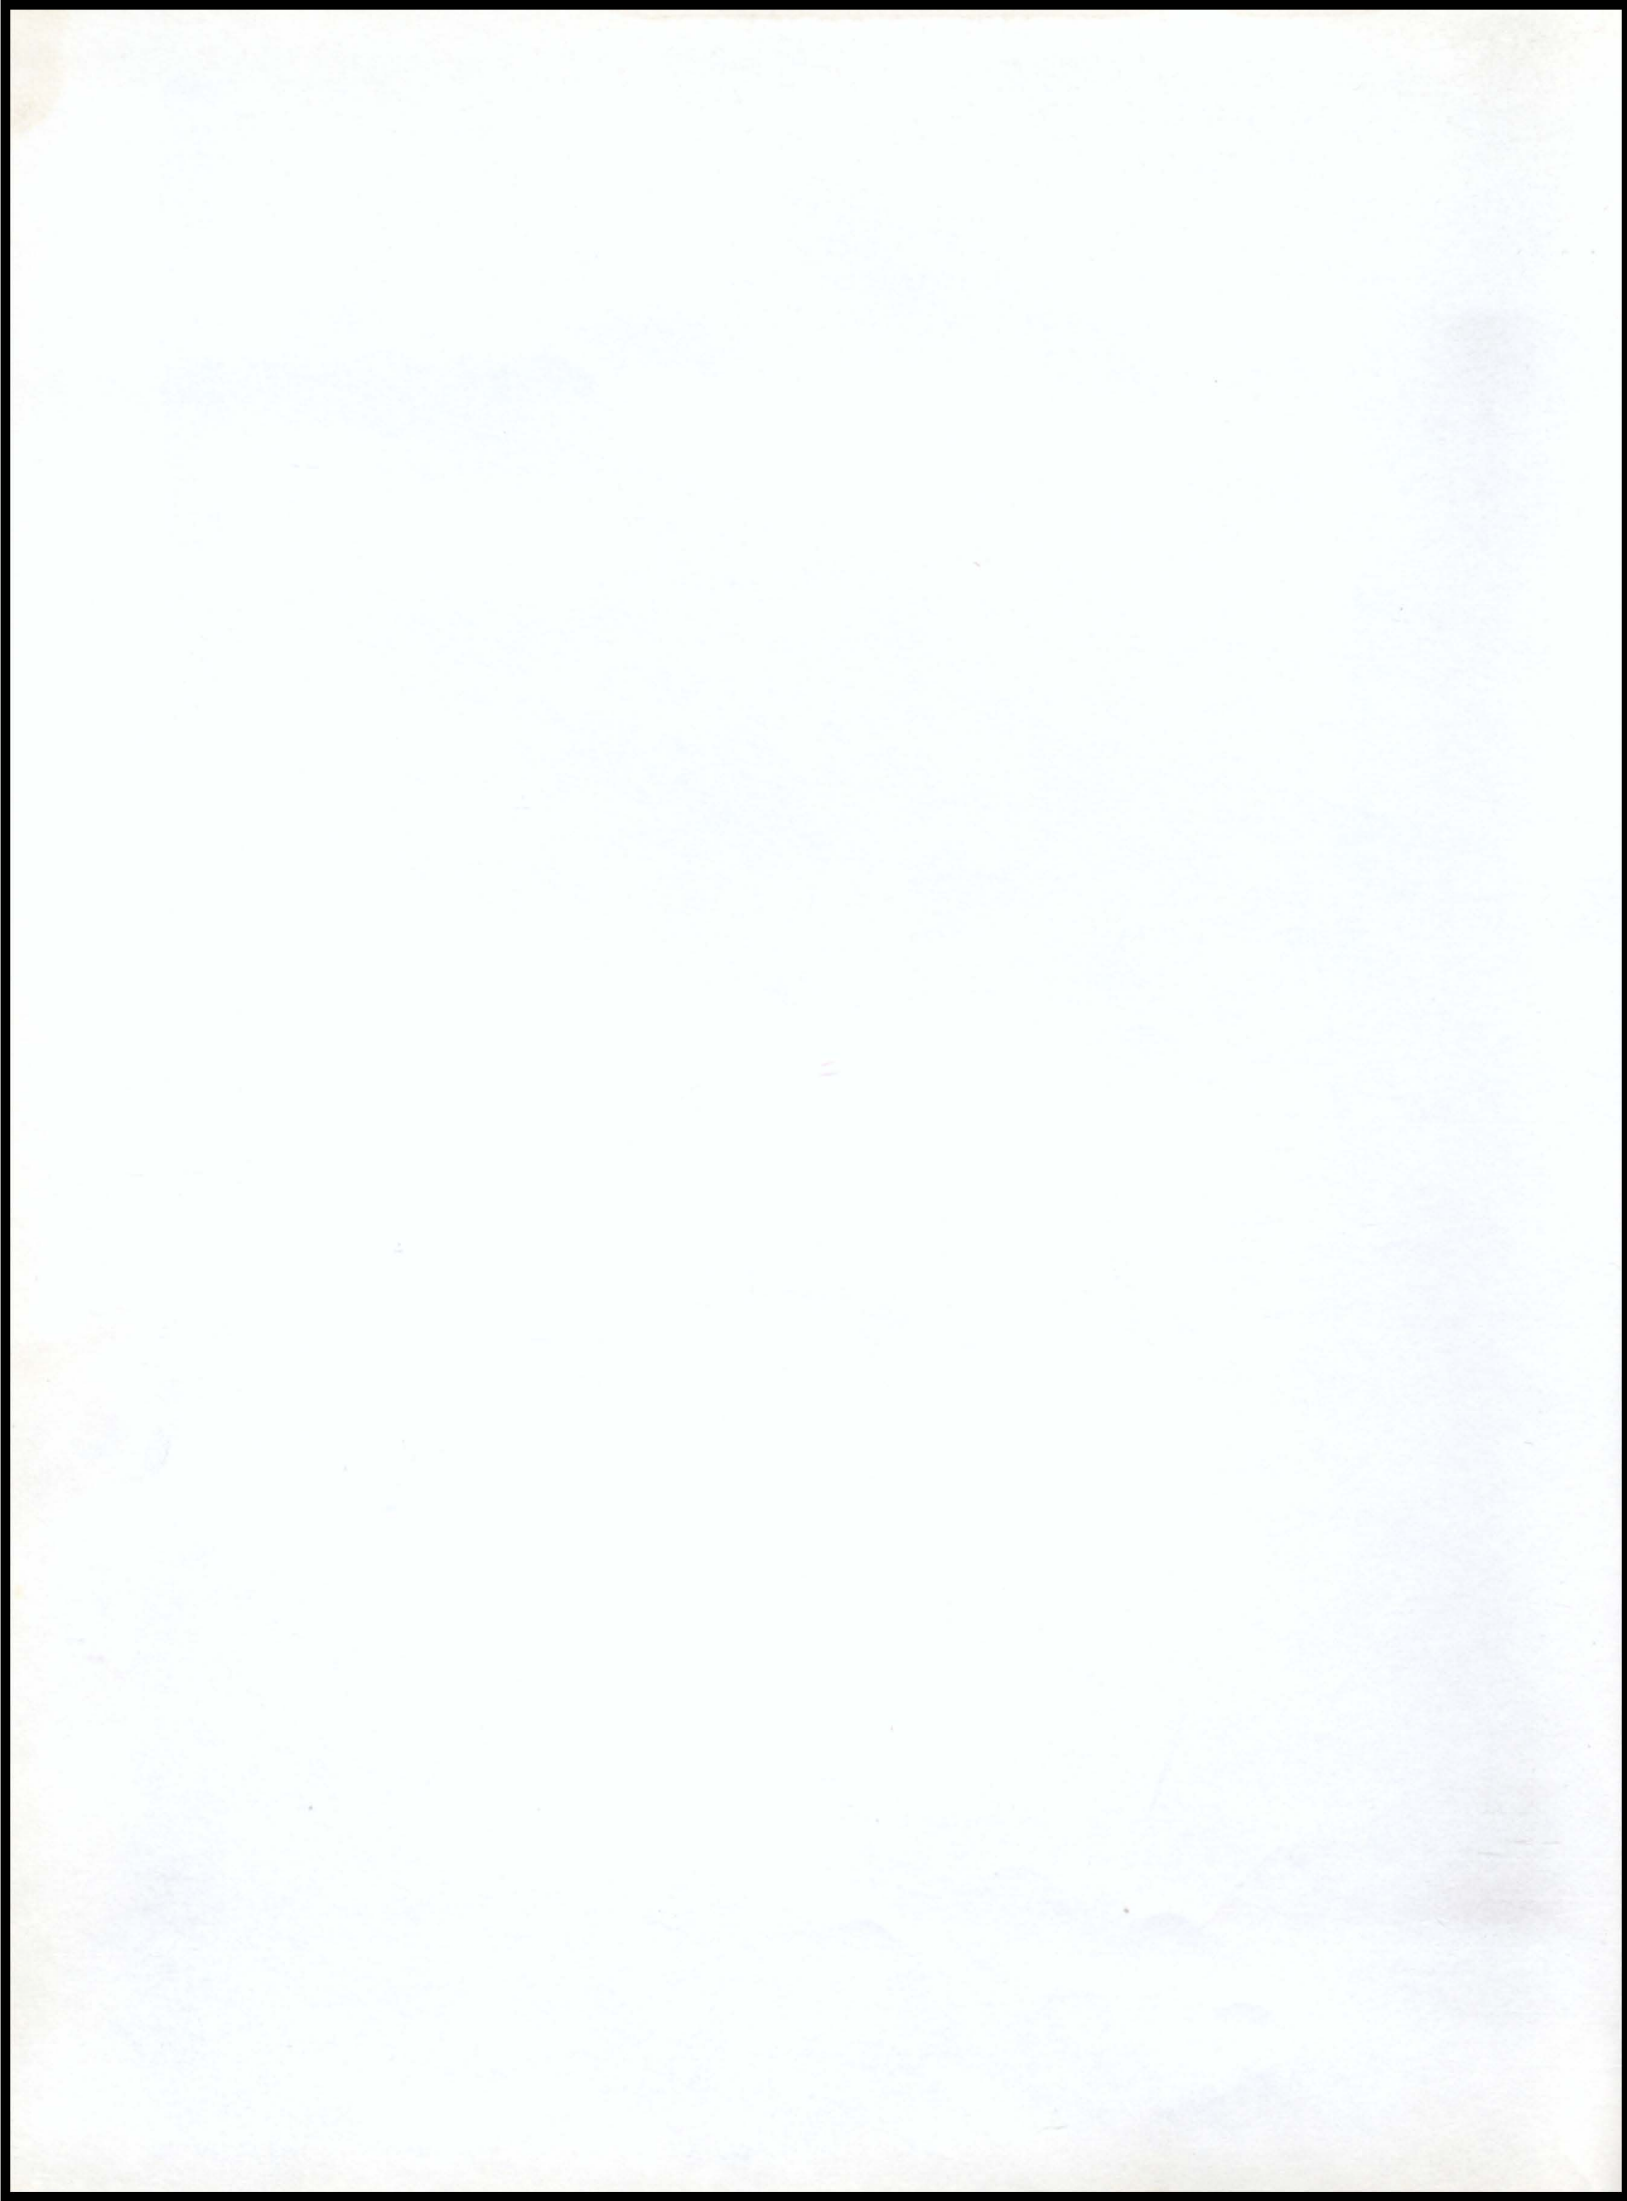

# CLASS OF 1984

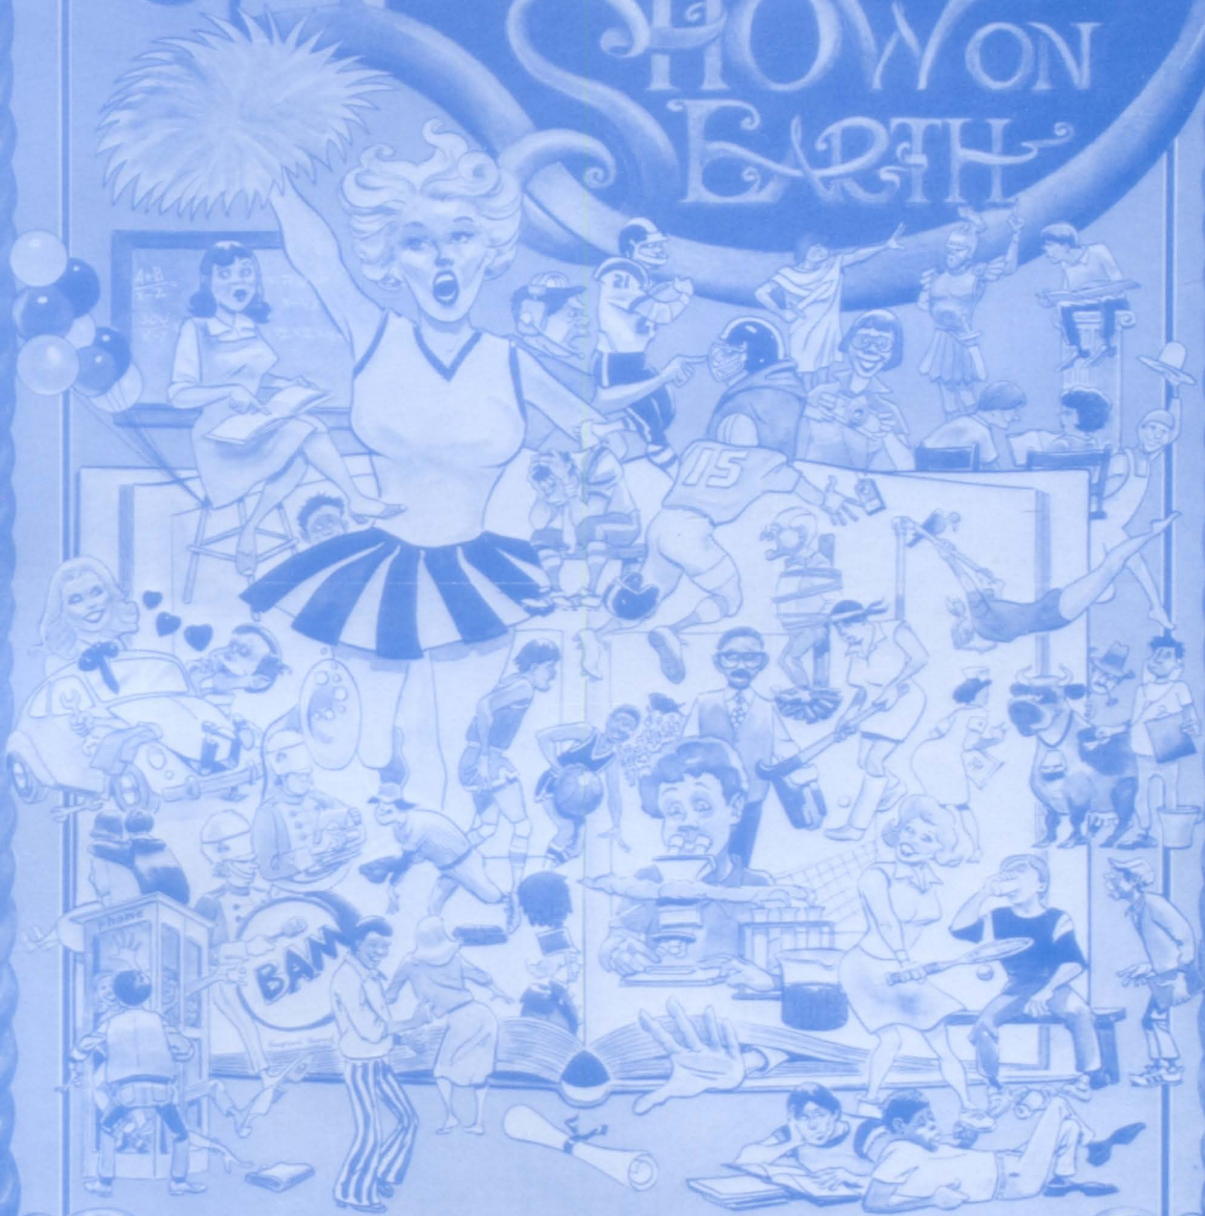

# THE GREATEST YEARBOOK SHOW ON EARTH

**PRESENTED BY  
ESSEX COUNTY HIGH SCHOOL  
NEWARK, NEW JERSEY**

## GRADUATION DAY

Today we'll start a new life  
And we'll say our last goodbyes  
To all the friends we've grown to love  
With whom we've laughed and cried.

Remembering the fun and laughter,  
The problems and the fears  
And watching all our memories grow,  
Throughout our high school years.

The memories of the dances,  
And the new friends that we've met,  
Vacations, teachers, talking and exams  
we'd rather forget.

Yes, high school days are precious,  
but brief  
Where all your dreams come true,  
It is not the end,  
But the beginning  
Of a life we'll start anew.

Jay Shefstad

We all love playing games, to make us laugh, but there's one game we all play that isn't always fun. That game is "LIFE". May we all play it well. Love and friendship is a strange thing. They are flowers so delicate that a touch will bruise them, and so strong that nothing will stop their growth. Think how often we miss love and friendship in a lifetime — by a wrong gesture or by an unspoken word. We lose them by the interference of other people by lack of money, by a quarrel, over trifles, and yet we cannot live without them.

First there was the park, then it was the shore  
Here comes two dozen roses — I need to know you more.

A candlelight dinner and moonlit stars. All romantic  
Dreams will soon be ours.

Holding hands on the beach — walking thru the streets,  
is all a part of what is mean't to be.

A great adventure is what it is, you and me on a shopping binge,  
Searching for our dreams and all of life's finer things.

A hug or two from you, and a kiss or three from me, is what  
Will make our world of dreams come true to life for all eternity.

On the wings of a dove, God sent you from Heaven above

For now I'm lost in a trance waiting for my chance to  
Really let you know.

I LOVE YOU!

Karen,  
We met four years ago. We've been together about a year and it has been quite an experience. An experience that I shall never forget. We have taught each other so much, but most of all we taught one another how to love. What we have is very special, so special that I will never let you go. You're mine and I am yours. The chemistry is right that's why you will be my wife. Karen I will always love you.

We Deliver

Per la nostra Giovanna,

Tantissimi auguri per il tuo gradnazione e buona fortuna per il tuo continuato successo nella vita. Siamo molto orgogliose di avere una figlia e sorella tanta vivace come te. Porti conte una gioia che fa ridere a tuth, specialmente noi. Ricordah sempre che ti vogliamo tanto bene, che puoi diventare quello che desideri e che puoi compiere qualsiasi ostacolb se ci provi.

**Mamma e Franca**

A Giovina,

“É, l'amica é, una persona che scherza come te, che non fa pre-diche e non ti giudica, fra lei e te divisa in due la stessa anima. L'amica sa il guisto amaro della verita ma sa nasconderla e per difenderti una vera amica anche bugiarda é.

É, L'amica é, la piu decisa della compagnia che ti convincerá a non arrenderti anche le volte che incontri l'impossibile. L'amica ha il sal per vivere che manche a te, ti spinge a correre, ti lascia vincere — perche un'amica, un punto é basta.

— É, l'amica é, una che a volte ha gelosia di te, per ognia tua pazzia lei fa una malettia e a doppie volte ha la voglia di mandarla via, però lei no, l'amica no, per niente al mondo io la perderó, ci dechieromoci e lo sa lei perche, il cuore mio la meglia amica é.

Sempre,  
Maria
