Faculty and Staff

Principal

Dear Graduates,

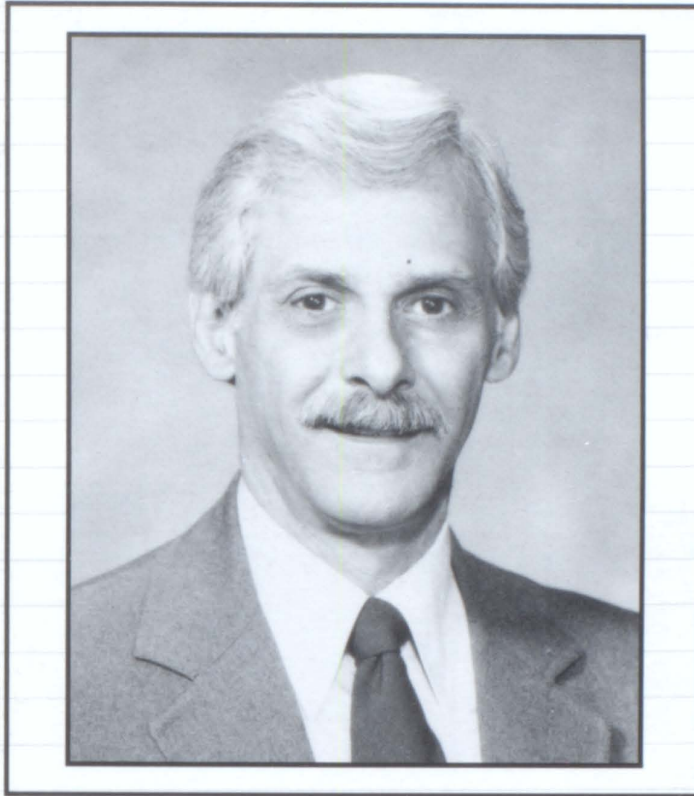

As your high school days come to an end, many of you will think back to your favorite activities, your friends, your teachers, and what they have done for you during the past few years. Not too many of you will think of what you have done for others. I would like to take this time to thank you for what you have done for me.

Thank you for accepting my direction, my advice, my criticism; thank you for making me laugh when I did not want to, but needed to; thank you for keeping me physically fit by making me walk the halls to make sure you had passes and by making me run up the stairs to catch you when you did not; thank you for allowing me to know you and love you.

Best Wishes for Success,

Ms. Alexander

Vice Principal

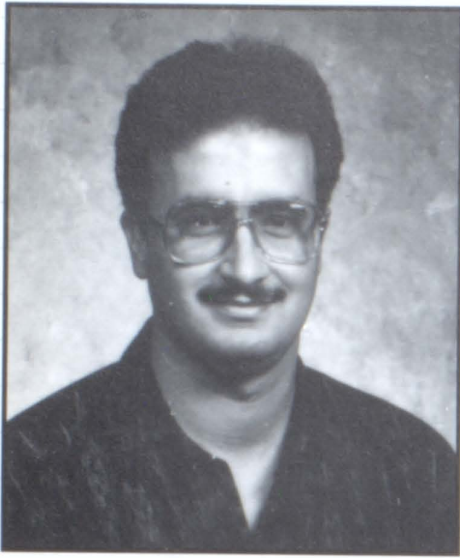

Dear Graduates,

Congratulations to you for achieving an important plateau in your life. I know the knowledge, skills and attitudes which have been passed on to you will help make you successful in a very competitive work world. Remember to continue to set goals and ideals for yourself and strive to reach those goals. Always be the very best that you can be in everything you do. It is a pleasure to be a part of your life. Good luck to all of you.

Sincerely,

When I first met you
You were such a little girl,
So kind, so sweet and kept
From the world
But as time moved on I've watched
You grown, working so hard striving
To know
The things in life that are soon to come
To tell you that life has just begun
And when it starts don't be afraid
To take control and do your best,
Cause God has promised to do the rest.
Look Up, See God

To Reinaldo:

Out Love was meant to be ...
It amazes me that out of the whole world
I would find the one person who would make
my life complete ...

And that we were both
at the right place to meet
and at the right time
in our lives to fall in LOVE.

It makes me so thankful
for all that happened
to bring us together
and once again I realize
that our love
was truly meant to be ...

Love Always,

To Brenda — A Real Friend

When will I find a real friend
whose friendship will never end
whose words are as good as gold
who won't leave me out in the cold.
When will I find a friend
who doesn't bring me to a dead end
who never has reason to lie
who will be with me until I die.
When will I find a real friend
whose hands they are willing to lend
who I know I can always trust ...
who won't cry and leave me to rust ...
Will you help me find that real friend?

Sincerely Yours,

Katia P.

Mom and Dad:

I can remember when I was a little girl, I would cry and you would always be there to hold me. When I fell, you were there to pick me up. When I was confused, you seemed to say the right words to unscramble the puzzle and led me with a strong will to survive. Whenever I didn't know, you told me with love. When times were hard, you made them easier.

Knowing you were hurting, you never let us know how serious it was. When I thought you were falling apart, you brought us closer. You were always there with the things when I needed it. You seemed to always teach me even though you probably didn't know, but it always worked out right. You always brought a smile to my face.

Both of you are my friends and someone I can count on and trust, not just my parents. You were always there for me and that's why I am who I am now. And I know where I am headed because of your love and guidance. Your love made the rough edges smoother. La Familia is all that counts, with all I know, I will follow in your footsteps. You are my idols and the ones I look up to. You've always been there from the start and I know without a doubt, you will be there until the end. I love both of you so much that I am proud to say who my parents are. I want you to forgive me for all the pain I have caused because I find myself at times saying, "I should have listened to you." Your advice will always guide me in the right direction.

This is why I am going to make you proud of me and someday I will be able to give you what you deserve. The time will come when I will be more than happy to take care of you. The day will come when you won't have to work and just relax. I am lucky to have caring parents like you. Always realize even though I may not say please, that I will always LOVE YOU!

"I will make it!"

Esta Dedicatorio Es Para **DORIS H. JURADO**

Querida hija,

Tus hermanos, Lorena y Elvis, y tus padres, estamos felices que has terminado la High School.

Como tú sabes esto ha sido un desafío ya que siempre nos enfrentamos a diferentes problemas, pero con tú frente en alto té has portado muy bien, en la cual estamos muy contentos de que ha sabido aprovecharle de tus estudios y a la misma vez té has podido cuidar y no solamente estamos felices sino nuestro creador, JEHOVA DIOS y su hijo JESUCRISTO. Por eso le damos la hora y la gloria porque ellos han hecho posible que hayas alcanzado tus estudios seculares. Como nos dice en la Biblia, **Romanos 10:13** "Que todo el que invoque el nombre de Jehová será salvo".

También en **Juan 8:32** dice "Y conocerán la verdad, y la verdad los libertará", y por eso esperamos que sigas firme en tú fe y sigas invocando el nombre de dios que es "**JEHOVA**" que es más importante en la vida para tener salvación.

Tú familia,

Ulbio, Carmen, Lorena, y Elvis Jurado

Joseph:

Many Congratulations to you on your present success, and may it continue to follow you in the future. Always know I wish you the best of luck in whatever you choose to pursue and remember I'll always be here when you need encouragement, even though it won't be easy all the time. I know that if you put your mind to it, you can accomplish anything you want.

Love,
Julie

Well Betsey, this is a new beginning for you to show us that you can make your own decisions and be a responsible young adult. If anytime in need, you know there's someone you can come to.

Dearest Leigha,

You have always made me proud to be your mother and extremely happy that I have you for a daughter. Not once in our lives together have you ever made me wish you away or regret that I birthed you. You have always displayed a spirit of love, joy, peace, kindness and goodness; do not let the "air of this system of things" strip you of them. Always walk with the eyes of your heart to Jehovah, he is as close to you as you allow him to be. Remember, he doesn't leave us, it is us who leaves him. Share your beautiful smile with your neighbors, they are all around you. Leigha, I love you so very much, from the deepest part of my heart. Please continue to care and love yourself as well.

Love Mom

To Shea:

A sweet daughter who I feel has worked hard to get to this point in your life. I would like to think that a lot of the encouragement and guidance that I gave you through all of your growing years have helped and will continue to do so. So in the near future, Shea get ready to brace yourself for all the ups and downs adult life will bring. But, also know that as long as I am alive I will be there to help you the same as your grandmother, Anna and your sister Rosalyn will. But never forget for one moment the two that cares for you the most will take you through all, whether good or bad. Jehovah God and his King Son Christ Jesus may you be blessed by them forever.

“With all my love and more”

Your mother, Alethea Williams

To my little sister Shea:

May Jehovah bless all of your endeavors and future plans, and always continue to strive to be the best you can be.

Shea I can't tell how proud I am of the wonderful and special young lady you have become. Best wishes and lots of love.

Love you sister,

Nippy

To my Sweet and Lovable Grand-daughter:

I always knew if you tried hard enough you would reach your goal, now you have and I am very proud of you.

Love you always,

grandma, Anna

Dear Sweetheart,

I don't ever want us to let go of each other. Maybe our paths will go in separate directions, but that won't change the bond we share and what's in our hearts.

No matter where I am or what I am doing when you come to mind, a smile comes to my face and a warmth settles in my heart.

The day you and I met will always be cherished. We've grown together, done a lot together, and no matter what, we always let each other know that we do love and care about each other.

You are the best thing that happened to me this past year.

I sometimes struggle to say how I feel, but I hope we never let go of what we share, because whether it's across the miles or just a short distance, you are and will always be a part of my life and me.

To the love of my life: (Eddie)

Certain chance occurrences have caused our paths to meet.
Destiny has joined our hearts and made our lives complete.

Not all lives that cross produce a union that is strong.
Fate can sometimes tempt and then remind us we were wrong.

Fortune has confirmed our love is not a false disguise.
Love is something we in time will truly maximize.

Something rare has happened — Life has given us a chance.
There is something natural and true in our romance.

Days are so delicious — Time is special; minds are free.
I believe our love is real and we were meant to be.

Love you always and forever,

ROSA

Hoy que radiante de vida,
de ensueño y de placer,
vienes, juventud, querida, a
palpar estre mecida tus ilusiones
de ayer.

Y mañana que a seguir
tus pasos vuelvas triunfante,
recuerda hasta sucumbir
que el lema del porvenir
es marchar siempre adelante.
Y graba en tu pensamiento
si tu valor se rebaja
porque se agote tu aliento
que en el taller del talento
quien triunfa es el que trabaja.
Que dios te Bendiga y que
sigas adelante, te desea tu
madre que te odora mucho!
