MR. BRANAGAN

To students and faculty alike, Mr. Andrew R. Branagan is the "Senior Man" at Tech with 35 years of service to our youth, and in so being, he is recognized as the sage of the school --- the faculty member who knows better than any one else in the school community exactly how far reaching are the effects of vocational education in the life of both student and teacher.

With 27 years of service as counselor, Mr. Branagan has guided thousands of students through a myriad of course work and has pointed them to a wide variety post-secondary education and placement in the world of work.

From 1956 to 1964, he taught English and Social Studies and during that time coached track and basketball.

Mr. Branagan, while you're out walking along the shore or playing pinochle on the deck, look to the ocean, remember us, and be happy in knowing that your influence in our lives continues to be flourishing.

MR. THOMAS

In 1963, after a wide-ranging naval career of over 20 years, retired Super Chief Petty Officers, Mr. John E. Thomas entered into the service of education, as a teacher of Electrical Construction and Maintenance at Bloomfield Tech. His professional record and reputation as an instructor has reflected dedication and mastery of the art.

Particularly in recent years, Mr. Thomas has been a leader in curriculum development, bringing into his subject areas state of the art trade practices.

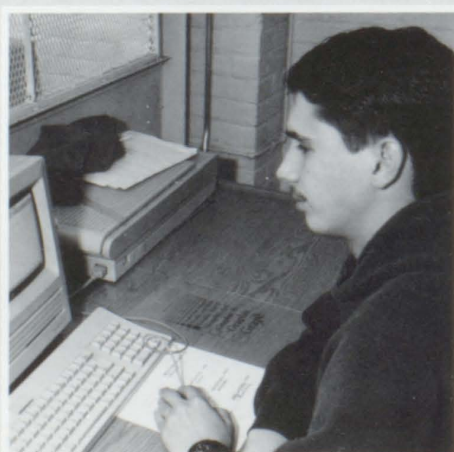

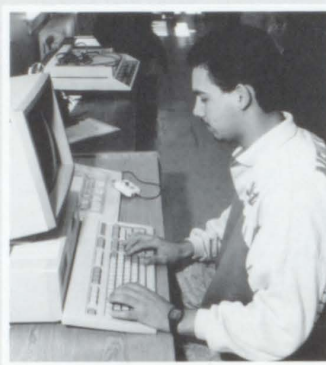

In 1985, Mr. Thomas was chosen and honored as the Essex County Voc-Tech Schools Teacher of the Year.

Mr. Thomas deserves our praise and admiration for his personal achievements as well as for his teaching. That he demonstrated by his creation of Turtle Shell, a 20 foot, welded steel hull sloop which he planned and constructed singlehandedly over a period of 5 years.

Now after 28 years of educational expertise Mr. Thomas is retiring. Mr. Thomas, as you embark for new ports both rich and wonderful, may the waters be generous, the breezes warm and sweet, and the firmament azure and star-filled. Always be happy to know that we will look to you on the horizon.

A History Making Basketball Season

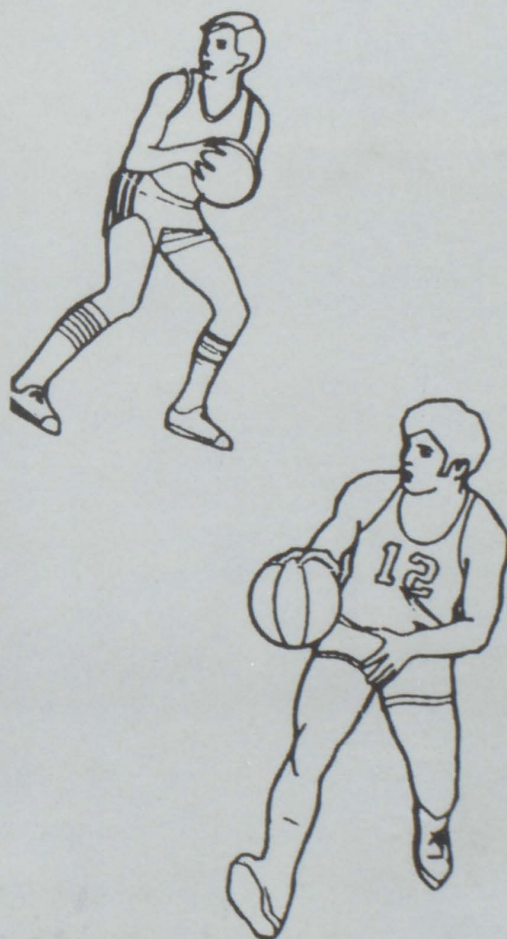

and white undoubtedly feel that the very competitive schedule that they played during the regular season, more than adequately prepared them for the state Tournament competition. Newark Tech played one of the toughest schedules in the state. The slate included games against Trenton, Paterson, Eastside, Morristown, Synder and St. Anthony, all ranked in the Star-Ledger's top 20 poll.

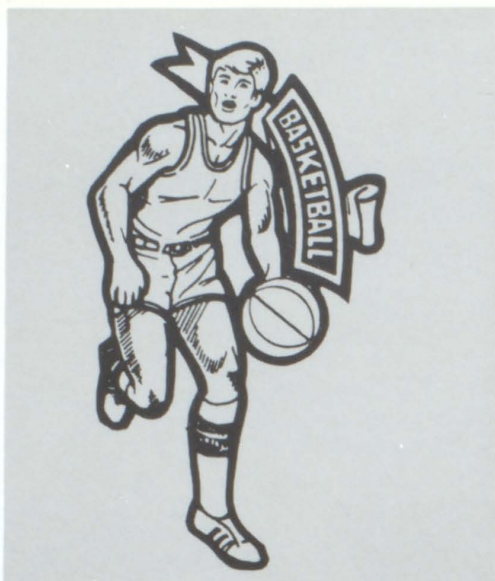

The history-making team members include seniors: Terrique Goodman, and Aaron Williams, along with juniors: Antoine Hatcher, Lance Simmons and William Turner. These young men make up the starting line up. The other team members include juniors: Lorenzo Hicks, Albert Hooks, Frank White, along with sophomores: Hakeem Gaines, Kyle Griffith, Desmond Thomas, Terrence Brown and Timothy Williams.

The Terrier fans will miss the exciting play of Terrique, who has scored over 1700 points which is a new school record, and Aaron, one of the school's best all-around athletes. Guys, thanks for the memories. Also, thanks to coaches Gary and Johnson for their efforts during this history making season.

The boy's basketball team on the evening of Saturday, March 9, 1991 at the Rutgers Athletic Center accomplished a feat that no other Vocational School in the history of the N. J. S. I. A. A. had achieved-won a group state championship. The Terriers defeated a good South River team 67-60 to capture the Group 1 State crown. Terrique Goodman scored a game high 33 points and played a fine floor game to lead the Terriers to the title. His performance garnered Terrique most valuable player honors.

As the 22 and 8 Terriers entered the prestigious Tournament of Champions March 13th against undefeated Seton Hall Prep, the student-athletes who proudly wear the Newark Tech purple

LAST WILL AND TESTAMENT

We the Class of 91' would like to leave behind our wit and character; charm and grace, patience and dignity, talent and passion, knowledge and know-how, and spirit & spunk, as well as compassion. These things we leave to the Class of 92', and others to come. With them you will be able to make it through your high school years, as well as life, and still come out on top. By: Tonya Samantha Eaddy

I, Melody Conchita Adames bid the class of '91 farewell & good luck. Strive for the best and remember the world is yours for the asking. To the future graduates be good & peace. I'm out of here.

I, Al-fuquan Carter, leave my cousin Daronda, the headaches of Mrs. Morrissey.

We, Lourdes and Shamika leave to Nequi, Sandy (heifer) and Brain, a good friendship, like ours. Our great looks & our wavering brains!! We also leave to you our experiences and little endeavors.

On behalf of the Senior Class, I would like to thank all the teachers, guidance counselors and everyone else for being supportive when we needed them and for putting up with our bad behavior throughout our four years in this school.

I, Alexis Ward, of sound mind, and body leave all my charm and wittiness to the young ladies of the class of '92'.

I, Kristen Swepson leave Davonda Kennedy my junky locker to clean.

I, ??? leave this school my ability to start trouble.

I, Sharonica Thompson leave my kindness and shortness to the class of '92'.

We the Senior Class would like to leave Mr. Drew a matching pair of socks to go with those brown or blue pants.

I, Terrika Crawford leave all of my knowledge spirits and thoughts to Tasha and Nikki class of 94.

I leave Mrs. Stephanelli my slim body, I leave Mr. Snyder some new jokes to all underclassmen the best of luck throughout their life time.

I, Lekesha Kirksey, leave all my male friends to Davonda Kennedy.

I, Nylanda Glover, leave hope and luck to the future senior class, to have one as good as the class of '91'.

I, Kumesia Way leave all of my hugs and kisses to Khalid Muhammid.

REMEMBER WHEN

Calvin ripped his pants in gym.
Jason pulled Alexis pants down in the hallway.
Kaonte dropped a condom in Mr. Williams class.
Remember when Irvington Tech tried to take over
Newark Tech.
Central would come to beat us up.
We had water fights and music in the hallways.
Alexis had her own hair.
Tonya came to school looking like GI Joe.
Myeshia thought she had a wrap.
Chris said kill the homeless people.
Kumesia fell down the stairs and tried to grab
Malekatakah's hair to catch herself.
Shamika wore 5 inch shoes for Halloween.
The human swing.
Denise cut a square box in the back of her hair.
The Host with Most chased the seniors of 90' with the
fire extinguisher.
Amaury & Gene had a fight?
Shamika bust her rump going UP the stairs.
We had a fake walkout in 1990.
Denise thought she was a cheerleader.
Javacia was handing out condoms.
Rafael fell on the bleachers at IT.
Calvin fell on Lydell

"No Longer With Me"

How did it happen.
How could it be.
The Love of my life,
is no longer with me.
But his task were done.
He had to go.
The heavens were calling,
So I had to let go.
How could this happen.
How could it be.
The Love of my life,
is no longer with me.

Michael,

I want you to know that 1991, was our year. We had so many dreams to share. I wish you were here to see me graduate, but I take comfort in knowing you can see me from above.

Michael, this poem I dedicate to you with Love and thinking of all the special memories I have of you. I'll always Love You Sweetheart.
