DEDICATION

The Class of 1996 wish to dedicate our yearbook to **Ms. Lawler**, our Math teacher and **Mr. Greenwood** our Health teacher. You did more than just teach Math and Health, you genuinely cared about the Bloomfield Vo. Tech community. Both of you will be remembered for sharing your endless knowledge of the Math, Health, friendship, and leadership. Your devoted mission of educating our youth will remain in our hearts forever, and you will be greatly missed by all of us.

LADY SPARTANS

NJSIAA NORTH JERSEY SECTION 2 STATE CHAMPIONS

The Lady Spartans had an outstanding season. After back-to-back Above the Rim summer league championships, the team entered the season focused on a state championship. It became the first team in the school's history to capture the North Jersey section two state championship. The Lady Spartans finished the season with a 21-4 record. Gail Allen was selected to the All-Essex girls' basketball first team and Ms. Lawrence was selected as the All-Essex coach of the year. Both Gail Allen and Latasha Thompson were selected as Group I all-state and all-area players. This was the third straight year that Gail Allen was selected to a Group I all-state team. The Lady Spartans completed their season ranked fourth in the county by the Star Ledger. Each player and coach is to be congratulated for all the hard work and excellent performance.

Welding Class

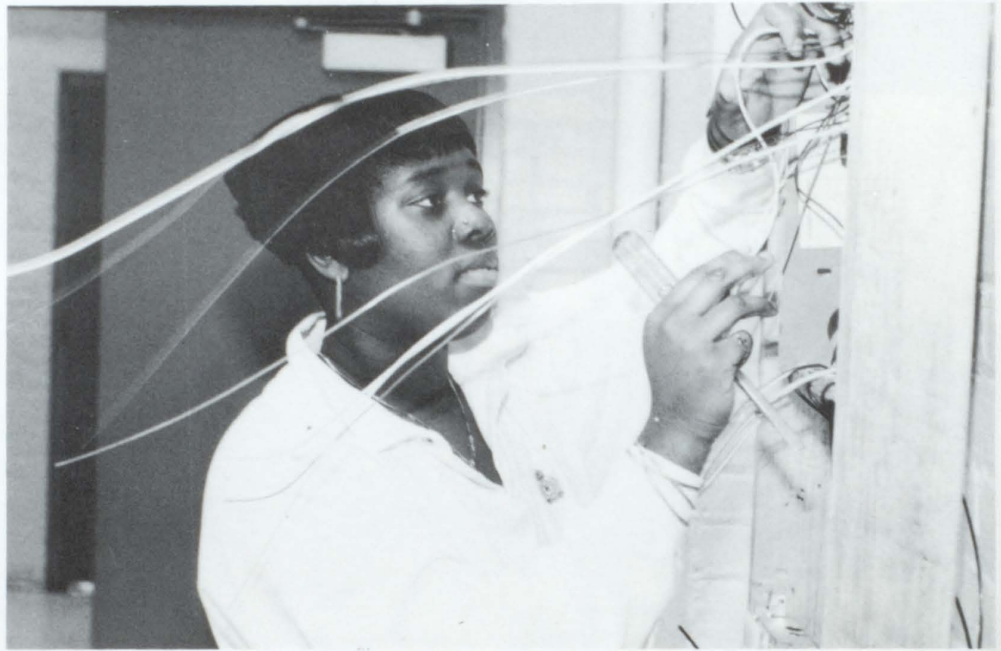

This was the best years of our lives. We enjoyed the time we were in Mr. Rasheed's Welding class. He taught us a lot from the time we entered his class. We learned a lot of helpful things from each other so we all hope we achieve our dreams.

Senior Class Officers

Message To The Senior Class Of 1996

We walked in to school that day
Unaware of what to say.
All of us in this new place
Unaware of what we would face.

Would we make new friends again
And keep them there until the end,
Or, would it be four lonely years?
These were the least of our fears.

Day by day these fears diminished
Until our Freshman year was finished,
And we saw, to our surprise,
That was the beset year of our life.

Sophomore year was something else.
It went by so effortless.
It was time for newcoming Freshmen,
To put up with Upperclassmen.

Juniors now we had become.
Senior year was soon to come.
First, this year we had to complete
But, for some, it was a defeat.

Our Freshman class was not all here
A few had left throughout the years.
Some by choice, others unfairly,
But, they'll all be remembered sincerely.

Senior year! Were you surprised?
I sure was, I realized.
All I've learned in these four years
Have erased my future fears.

My message to you is simple, I guess.
Always strive to be your best.
Believe in yourselves and you will see,
That there is nothing you can't be.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it, "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

WE LOVE YOU,

Remember When ...

Remember When the boys chased the girls in Burger King with snowballs.

Remember When it snowed so much, some of us got stuck in school.

Remember When George Murillo III did his presentation for Senior Class Parliamentarian and he had Greg, Amon, & Jay as his bodyguards.

Remember When we first came in 1992 and there WERE a lot of us.

Remember When the boys dressed like *the old school*?

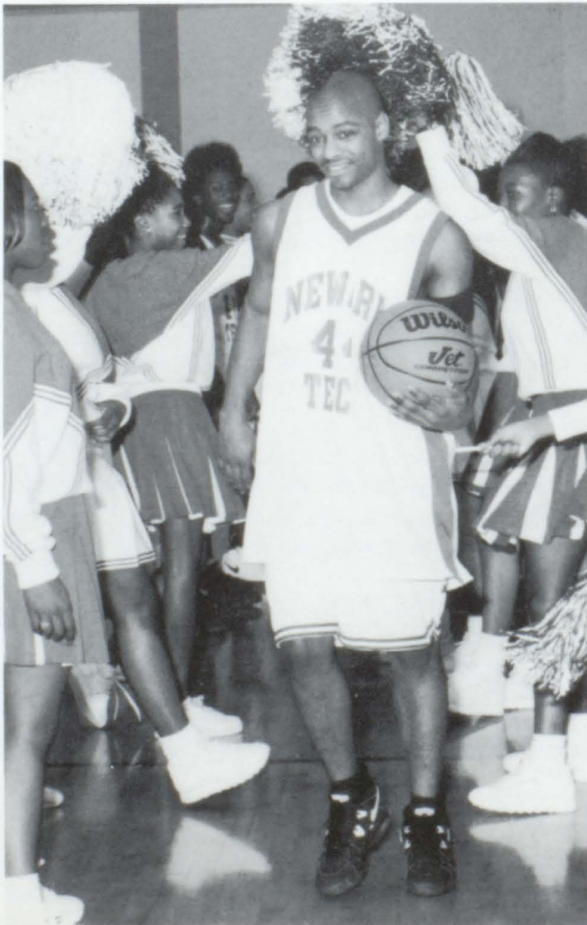

Remember When the lights went out and we went home.

Remember When someone gave Saheed Williams a muffin that was stomped on, sat on, and that was sitting in a desk.

Remember When we had a fire drill and Ms. Stef went back to get her donuts.

My Peoples

The road that we have walked has now come to an end. The 4 years that we spent together were joyful ones. Some of us remain friends and some didn't. But to my senior year girls Shakeya my best friend, Shakerah, Keyana, Sayrayah, Rasheeda, Shahiddah, Shateda, Shamira, Nora, Marilyn, Lieghia, Shantel, China, Aja, Yo-Yo, Keisha, Dorian, Katrina, Tyesha all of you'll are crazy as hell. I can say that you are my friends. And to my boys Richard, Lawton, Darral, Jarmain you'll maintain. Raymond Anderson you best believe you are not forgotten. Even though your punk ass went to another school on us. You still my peoples. I want to give a shot out to Mr. Wiseman's first period class and Mr. Love's fifth period class.

DEDICATION

I would like to dedicate my senior year to my late aunt Rhonda Wilson and Clarence (bubby) Davis. Also to my god daughter Takeya and my sister Sharon. I Love You all.
