Every year, the graduating class dedicates their yearbook to someone. This year, the class of '99 has decided to dedicate our yearbook to Mr. Eric Love. Mr. Love gave great help and support to the Seniors of '99. He helped make our Senior year special. Mr. Love sacrificed many things for the Senior Class and for the yearbook. This we'll never forget.

The Class of '99

FACULTY

Mr. Steven Gary Jr.
Principal

To the Class of 1999:

Congratulations! Your graduation from high school is a very important milestone in your lives. Do you realize the magnitude of your accomplishment? Your graduation means that you understand the relationship between effort and achievement. Your graduation means that you value goal setting and that you understand the nexus between sacrifice and goal attainment. Your graduation means that you recognize the role that tenacity plays in life's successful pursuits. Having this understanding should equip each of you with some of life's most important tools. Equipped with these tools, you now have the responsibility to become some of society's "difference-makers." The real challenge, as the millennium nears, is to use these tools to become the architects of a better world.

Steven Gary, Jr.
Principal

Mr. Fred Terranova

THIS IS YOUR TIME TO SHINE

Time ON OUR HANDS

in our Junior Year

Our years at North 13th Street High School were a real challenge. We met great friends and teachers along the way. We have many memories, happy and sad. We have lived life to the fullest but now we must go and face life's new challenges. We had great years here at North 13th Street and it is now coming to an end but we will keep our memories in our heart. With love and appreciation, Good luck to the class of '99.

COACH OF THE YEAR

As a first time soccer coach Mr. Ramos has taught our soccer team what it means to be dedicated and what school spirit is all about. We never had a soccer team before, although with Mr. Ramos's determination we made it all the way to the state finals. He has shown us that when we put our hearts and minds into it we can accomplish anything. He has helped us gain a better reputation by expressing, through the accomplishment of the team, that the students of No. 13th St. can do anything if we put our minds to it.

Not only is he appreciated in our school, but others have acknowledged his hard work. CONGRATULATIONS, Mr. Ramos, for being chosen as coach of the year in all of Essex County. It was a great season and we all look forward to next season, which we know you will help us once again reach for the top.

CHEERLEADERS

COUGAR CHEERLEADERS ARE NO. 1 AGAIN!!

For the second year, the No. 13th Street Cougar Cheerleaders took first place in the Cheer/Dance Non-stunt division of the Central Jersey All-Star Cheering Competition.

On Saturday, March 6, 1999, the Cougar Cheerleaders beat out Riverdell, Cheer Academy and Dumont taking first place in the 1999 competition. The amazing news about this win is that the Cheerleaders that participated in the competition were all JV except for one. The eight minute cheer step routine was choreographed by both squads and performed by Freshmen Danielle Howard, Keisha Louis-Pierre, Karsheena Oliver, Rasheeda Woodson, Fatimah Brown and Sophomore, Jennifer Taylor.

No. 13th Street Applauds their Cougar Cheerleaders for a job well done!

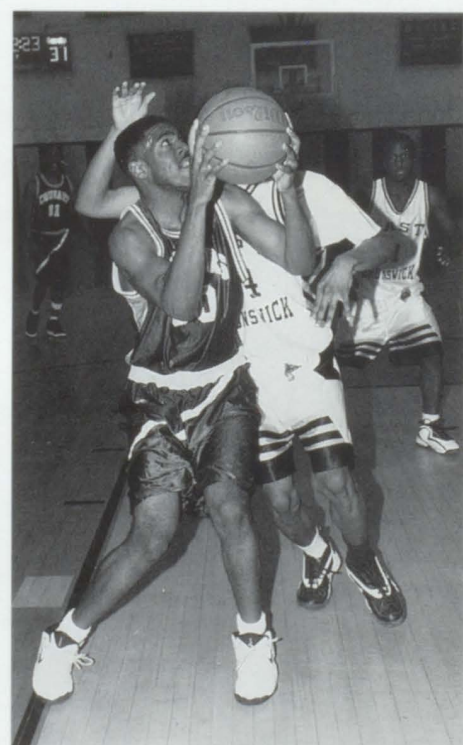

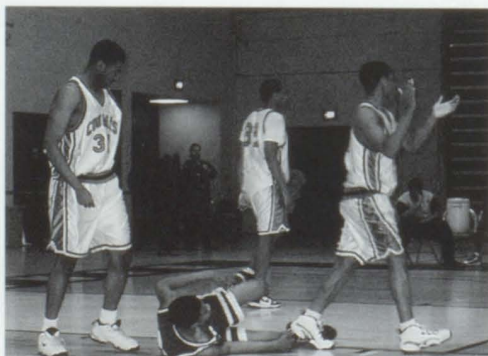

*Racquel Rahming (Senior) has been the Cheerleading Manager for two years.

On February 8, 1999, the boy's basket team defeated Newark Tech for the first time in our school's history. It was a game of the unexpected. The Cougars surprised the entire school system by upsetting Newark Tech. The final score for NO. 13th was 59 and TCC 49. They also made it to the State play-offs after more than two years. They lost in the second round of the play-offs to Westside, but played a hard game. We're extremely proud of our team. Cougars had a great year, with an outstanding record of 15-3.

Friends Forever

The Last Class

Last is not always bad,
Last is not always good,
We're the class of '99
Ponder that if you would.

We've been good,
And we've been bad.
We've made people happy,
and we've made people sad.

We would like to learn,
We strive on your teaching.
We have many questions.
We are always asking.

The good, the bad,
The big, the small.
We all have walked
Down that long school hall.

1999
It went by quick for us.
We're all adults now.
We're on the same bus.

T'was a very long trip,
We've all taken it.
Now that it's over,
we can't wait to sit.

Life is just too short,
We're just at the start.
And we've all just passed
the easiest part.

But it's not over yet.
We can't sit and rest.
