PRINCIPAL *FRED TERRANOVA*

To the class of 2004 let me congratulate you on the occasion of your graduation from the North 13th Street Center of the Essex County Vocational Schools, and to commend you most highly for your extraordinary achievements. You have impressed me throughout your four years as a truly outstanding class.

During the past four years, I have watched you grow more poised and confident in your capabilities and have been pleased to see that growth. You have contributed much to your school, and that contribution has helped your own development. Once again, congratulations to the class of 2004.

VICE-PRINCIPAL *CYNTHIA PORTERA*

This is my first year at North 13th Street, and I am quite pleased to be here with you. The staff and students have been great to work with, and you have my thanks.

I would like to congratulate the senior class for all their hard work. Use your diploma, and the knowledge you have gained here, for the betterment of yourself and our society.

God Bless you all!
