September 2003
a bit shorter,
a lot younger,
and without
direction. All
we knew was
that we had four
years to prepare
for our futures.

We wanted to
have fun, to make
the most of our
High School time.
We played. We
cheered. GO! GO
COUGARS! GO
COUGARS!!

We even
contemplated
our futures with
our classmates.
Where are we
going?
Where are we
headed?

It's finally time! We quietly enter our classrooms. One more long set of 182 days of high school. We can't wait until June. Then we realize that this will be the last time we say these words, "I wish I was a Senior!" This is IT!! You have just 10 months to learn more and make some memories.

Kenny is striking a pose hoping a pretty little lady will ask him to the prom.

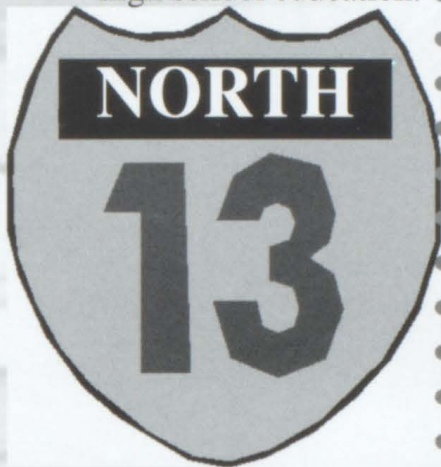

Yes, that is Sean and Kayyun posing for a picture. What you don't see is their team is losing the game!

TAKE A CLOSER LOOK

north 13th **faculty**

Four years went by quickly. Our students studied hard. They collaborated with each other in class and made the grade. We are so proud of the Class of 2007. Many of whom are going on to post high school education.

As teachers we need to take every opportunity to have fun. We need to show our true colors. We want to show the students that we are human, too. Mrs. Davis is showing her "wild" side on Senior Hat Day.

The Junior/Senior Cookout may have been rainy but it wasn't a bust. We swam, ate, talked and partied. Mrs. Ballance even "shook her thang" on the improvised dance floor. It's a good thing she had on sneakers! That floor was slippery!

Unfortunately, Mr. Ramos and Mrs. Curren couldn't go swimming. They decided to keep dry as they guarded the food. In fact, it does appear that Mr. Ramos is saying, "Hey, the food is over here!"

Mrs. Minneci and Ms. Wells try to see if smiling is contagious.

To the Class of 2010:
Study hard - the HSPA is no joke.
Make friends - it's better to argue
with someone than to be all alone.
Laugh - but not in class, you'll be
serving detention by yourself.

Don't hide from the camera, that picture just might make it into the yearbook. Embrace the camera!!

Select your shop wisely. You just may be working in that field for the rest of your life. You want to be sure you really enjoy the career.

Sophomore year, the second of four. You are no longer the new kid. You have begun to command respect. That is, until you try to sell that elevator pass.

Joseph takes a break to smile for the camera while the cheerleaders get ready to show their stuff.

Getting ready to cheer seems like it may be a bit tense for this Sophomore cheerleader.

Always ready with a smile for the camera. Shouldn't you be watching the Pep Rally?

Sophomore year: work and play

north 13th **juniors**

Junior year is the last chance to have some fun before the final time crunch.

Get involved as much as you can. You need to be well-rounded for your college applications. Play a sport, join a club, or read a book and chatter. Do something you like.

Color your world with fun and learning. Keep your legs and brain moving.

Never stand still! Unless, of course, you are taking a picture! Good luck, Juniors!

The soccer team finished another outstanding season with an overall record of 11-victories and 4 losses. The team was primarily composed of underclassmen - four seniors, four juniors, and eight freshmen. With many inexperienced players, the team advanced to the semi-finals of the New Jersey Vocational Tournament and to the second round of the State tournament Group 1 Section 2. The players showed discipline on and off the field and at the same time demonstrated hard work, dedication and commitment towards the North 13th Street Program.

The Varsity Volleyball team took the court this year with team captains Gerri Barker and Blanca Morales leading the way. This young team dedicated themselves all summer to intensive training sessions and Syracuse training camp in order to maintain their status as the premier vocational volleyball team in the state. Head Coach Howard Weshnak achieved his 8th straight winning season and the team finished third in the State Vocational Tournament.

The Junior Varsity Volleyball team defied all odds and completed the season with an astonishing record of 27 wins and 6 losses. Team captains Shanice Rivera and Stephanie Jiminez led this team with courage, discipline and a will to believe winning to the fullest is our mission and purpose. At the end of the season the team stood with the best JV record in the school history!

Many games were played this year by the Cougars. But, before the boys hit the court, they needed to "hit the books". The Junior Varsity and Varsity teams worked hard each day doing school work. When they finished, they would make their way to the gym. Drills, drills, and more drills. That could make anyone crazy! But the boys did them and did them well. This season was competitive and our JV and Varsity teams did great!

Lady Cougar Basketball was a thrill for all to see. New coaches, new uniforms, and new players made this an exciting year everyone. Despite all the changes, the Lady Cougars fought hard and had a successful season! Way to go Ladies!!

north 13th **Seniors**

We took the ride - a full four years. We walked, we rode the bus, we were chauffeured. It is only now that we can drive our selves. Well, at least most of us can.

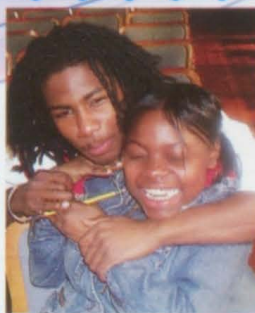

What a long, strange trip it's been! Block scheduling and split blocks made us all crazy! Do we have gym? Do we have health? Is it Social Studies or English today? When do we eat lunch? We may not know, but we sure had fun finding out; even if it did mean detention!

Huddling together, Meilani, Andrea, and Tiffany stay warm at the rainy Senior-Junior Cookout.

Despite the rain, these brave souls got into the pool to have some fun! Once your wet, who cares if it's rain or pool water!

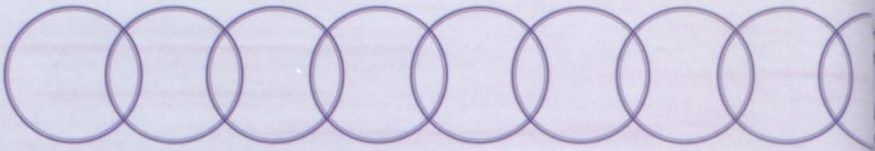

Now we will venture down the road with our heads held high. We will grab the steering wheel of our lives and hold on tight. We will not swerve from our course plan. We will avoid any potential hazards and reach the finish line proud and in first place!

Bringing back the Chorus Line!

Essex County Vocational Technical High School gives its students a chance to learn and earn time toward a career in various vocations. Many students choose to continue in these vocations. Many receive their license when they graduate.

Whether it is Nail Technology, Cosmetology, Culinary Arts, or Carpentry the students work hard and gain valuable working experience.

There's also Business Technology, Computer Services, Electronics, Graphic Design, Drafting, Allied Health, and Industrial Maintenance for students to choose.

Regardless of their shop choice, they study hard. Many will go into the vocation they studied in school and many will go on to college.

Some will simply benefit from and enjoy the skills others have learned.

Just a few years ago.....

north 13th candidS

Trying to make the final ten months of our High School career fun, we did some crazy stuff.

We even came to school after rolling out of bed, pulling on a t-shirt, and running for the bus.

We decorated for the holidays and tried to win breakfast.

We got glue on our fingers, tape in our hair, and still lost out to Mrs. Nawrocki's Block 1 English class.

We acted silly and said we were mature.

We tried real hard to be cool hoping that the ladies would ask us to the Prom.

We put on many hats over these 4 years!

Now, it's time to go!

Shanera Anderson

The last four years have been a time of challenge and change. You have been challenged to push yourself and you have done just that. The change in you was like that of a caterpillar turning into a butterfly. Out of the cocoon emerged a beautiful young lady who learned she had strength to fly

You have become a wonderful, caring, and compassionate person who would make anyone proud. Never follow down anyone else's path but remember that you are unique. This means never being untrue to what God has placed deep within. Always remember to trust in God who will never leave you no matter what life holds. We love you very much and are so proud of this accomplishment.

Love,
The Family

Girl, you are an all out trip!!! I will really miss you and that fabulous smile! Hmm..... grumpy and yet she smiles!

Love, Ms. Wojcik

Madeline Reyes

What more can I say? Now that I'm graduating from North 13th I just want to say "Thank You" to everybody who helped me along the way. To my mother: I love you with all my heart and always will. To my teachers: the knowledge that I learned has motivated me to continue on and reach my goals and excel in life.

To my "Get Flit" friends: Thanks for keeping the smile on my face. Y'all made the days go by. Lastly, to the haters: "A job well done." Y'all did y'all thing. It's time to turn the page. College, here I come!!!!

We love you,

Mommy & Roger

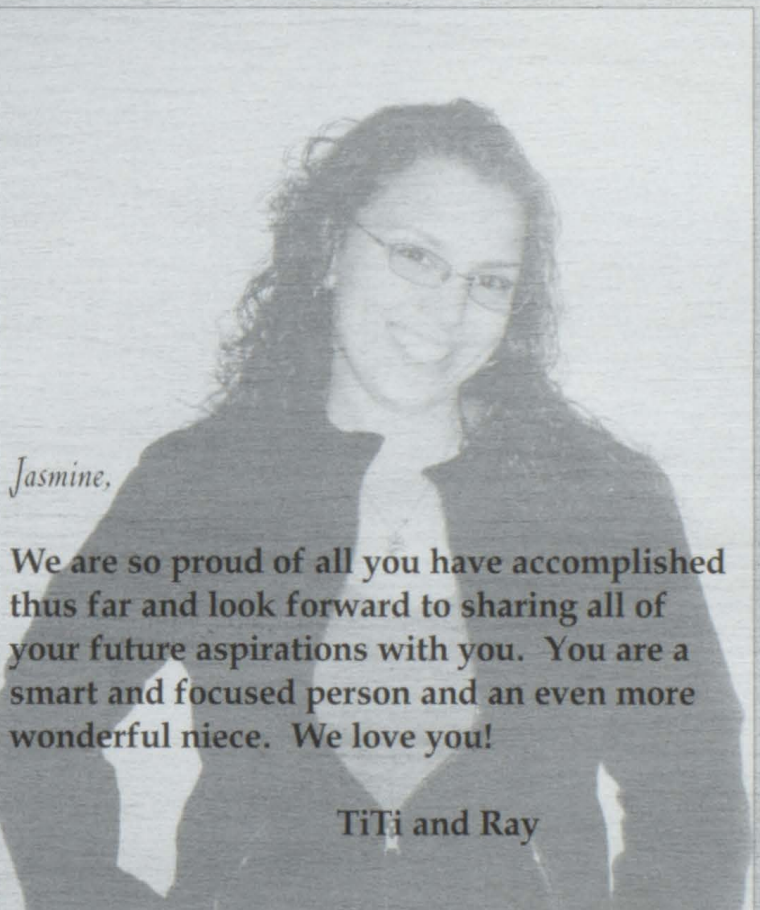

CONGRATULATIONS JASMINE!
