

The Role of the Equity Committee

- Promote inclusion, justice and equity in our schools
- Collaborate with the district to identify and implement initiatives that best support students
- Build alliances and sustain communications with stakeholder groups in the community to support district equity goals

The board is interested in appointing a diverse committee that includes people of different races, ethnicities, identities, abilities, and perspectives who:

- Bring a connection to relationship with, and advocacy for specific communities
- Know how to impact institutional change in the areas of equity, diversity and inclusion
- Have experience across multiple dimensions of diversity
