Congratulations to Ines Kenfack Donfack on being the recipient of the **Hugh Riley Rone** Scholarship. This scholarship is for dual-sport athletes that are going to college, Ines was the captain of the soccer team for her Junior and Senior year and she also played softball for Coach Regan Rone for three years and would have been the senior captain this year. Ines has always been a real team player and role model for the underclassmen. She always did whatever was asked of her with a smile on her face. She was always the first one ready and the last one to leave.

Dayana Mejia received the Anibal Ramos, Jr. Civic Scholarship for \$1000. Diana received recognition during the school year for finding a cell phone on NT property and set an example of what the NT student body stands for, she returned the phone to the person who lost it and the woman was extremely grateful. She will be attending Montclair State University in the Fall.
