Schoology (en Español) Paso a Paso

¿Qué es Schoology?

Los maestros usan Schoology para publicar sus materiales de clase en línea; proporcionar un foro seguro para que los estudiantes discutan sus ideas y colaboren en proyectos; y asignar y recolectar tareas electrónicamente. Schoology ayuda a los estudiantes a mantenerse organizados y mantiene la clase conectada.

Schoology facilita que los padres se mantengan involucrados en la educación de sus hijos. Una cuenta para padres de Schoology le da acceso a:

- Las clases en las que está inscrito su hijo.
- Las próximas asignaciones de su hijo.
- Anuncios de la escuela y la clase.

Para registrarse en su cuenta de padres, vaya a www.schoology.com

1. Haga clic en Registrarse en la parte superior de la página y elija Padre.
2. Ingrese su código de acceso para padres. Código de acceso: 8254-MN83-TXD8
3. Complete el formulario con sus datos.
4. Haga clic en Registrarse para completar.

Al utilizar el código de acceso para crear una cuenta, se le asocia automáticamente a su hijo. Puede agregar niños adicionales a su cuenta usando el botón "Add Child" (agregar niño).

- Los códigos de acceso para padres son únicos para cada estudiante, pero se pueden usar para crear varias cuentas para padres.
- Si su Código de Acceso para Padres no le permite registrarse o, si el código no tiene 12 dígitos, comuníquese con la escuela para obtener más información.

About P-EBT

What is Pandemic Electronic Benefits Transfer (P-EBT)?

Pandemic-EBT (P-EBT) is a program to help purchase food for your school-aged child(ren) who were eligible for free- or reduced-price school meals, but whose schools went remote due to COVID-19.

P-EBT benefits in the amount of \$99.62 per eligible child are being issued for the 2020-2021 school year for the month of September for students receiving free- or reduced-price school meals who are attending schools with a remote learning schedule of at least 5 consecutive days. (This benefit is not available for students whose school are conducting classes in person or a hybrid of in-person and remote.) P-EBT benefits are now available to most families with an existing SNAP Families First EBT card. For non-SNAP recipients and certain SNAP recipients, P-EBT cards will be mailed in October.

Benefits were previously sent for students who received or became eligible for free- or reduced-price school meals for the 2019-2020 school year. If you have questions about benefits for the last school year see the 2019-2020 School Year Benefits section below.

Career Classroom: Essex County tech grads get real-world experience working on school project

By **Bruno Tedeschi**, Essex County - November 16, 2020

Erika Deleon, a graduate from Essex County Newark Tech High School, has been employed by the county through the Joint Apprenticeship and Training Committee of Sheetmetal Workers Local 22 to work on the renovation of Essex County West Caldwell Tech. - Photos by NJCCVTS

Bruno Tedeschi

Erika Deleon graduated in 2019 from Essex County [Newark Tech High School](#), where she was exposed to all of the construction trades, but it was welding that really sparked her interest.

Deleon knew that, instead of enrolling in college, she wanted to get some experience in the construction industry. So, for the last year, the Newark woman has been employed by the county, working on the renovation of [West Caldwell Tech](#).

She's worked on all aspects of commercial construction, learned the nuances of working on a job site, and had opportunities to meet with union officials and contractors.

"It was helpful to work in this environment, because you can see what's going on in the real world," said Deleon, who was offered an apprenticeship by the Joint Apprenticeship and Training Committee of [Sheetmetal Workers Local 22](#) in Cranford. "You can experience something new. If you've never worked construction before, this helps you make your decision."

Deleon is one of five graduates of Essex County Schools of Technology selected to participate in the county's nascent pre-apprenticeship program, which gives recent graduates an opportunity to launch their careers in the construction industry through hands-on experience.

The pre-apprenticeship program started two years ago during the construction of the [Donald M. Payne Sr. School of Technology](#) in Newark. The program was so successful that a second group was selected to work on the renovation of West Caldwell Tech.

"We have an exceptional building trades curriculum, and this was an opportunity for recent graduates to gain hands-on experience on a work site and to make an impression with the unions and contractors involved in the school construction," Essex County Executive Joseph DiVincenzo said.
