

## NT Points of Pride

December 2020

### Students of the Month

Congratulations to the following students on being selected as Student of the Month for the month of December:

### Quarter 1 Principal's Honor Roll/Honor Roll

233 students have achieved the Honor Roll and 77 students have achieved the Principal's Honor Roll

Making the honor roll/principal's honor roll is no small feat especially during a Global Pandemic! This achievement shows the students' commitment. The Newark Tech Family is very proud of our students!

-Mr. Williams, Vice Principal

### Attendance

**80.95 % of the students achieved perfect attendance**

### Teacher of the Month

Congratulations to Ms. Sutton on being selected as Staff Member of the Month for the month of December 2020

## **CTE**

### ***Cabinet-Making/Manufacturing:***

- One of my graduates from last year, Kyree Moultrie, is currently employed at Eppley Building and Design in Hawthorne, NJ where he is engaged in very high-end custom cabinetry and installation work. The owner is very pleased with his performance and I am glad that I was able to facilitate that connection.
- 2020 graduate Scarlet Pujols has signed on with the Stageworkers Union and is doing well. An employed, productive citizen.

### ***Health Careers Academy:***

The Junior and Senior classes presented Medical Grand Rounds to a group of their peers, teachers and administrative staff this week. The students researched and created clinical case scenarios/case studies based on their assigned medical specialty (cardiologist, pulmonologist, neurologist, infectious disease and orthopedic surgery). They discussed the pathophysiology of diseases/disorders such as asthma, carpal's tunnel syndrome, congenital heart disease, COVID-19, Huntington's disease, and Schizophrenia to name just a few.
