National Debate & Speech Association Award

To My Newark Tech Family,

I am proud to share that one of our seniors, **Doussou Toure**, earned the National Speech & Debate Association's Academic All-American award! From 141,000 student members, fewer than 1% of students earn this award every year. Doussou is among the top one percent of all student members in the country!

We are so very proud of her, and she is included in this email blast! Please join me in congratulating her!! I would also like to congratulate Mr. Rock for his commitment and dedication to the Debate team for the past couple of years!!

Go Terriers!!
