Overview & Resources

The School Performance Reports reflect the New Jersey Department of Education's (NJDOE) commitment to providing parents, students, and school communities with a large variety of information about each school and district. These reports can be used as a tool to help evaluate whether all students have equitable access to high quality education. We encourage you to use these reports to:

- **Learn more** about the school and the district
- **Start conversations** with school community members and ask questions
- **Engage** with school communities to identify where schools are doing well and where they can improve

Important Notes for 2019-2020: The ongoing COVID-19 pandemic has had a significant impact on the way the NJDOE was able to measure school performance and student achievement for the 2019-2020 School Performance Reports. Some data is not available at all and other data, while available, may not look the same as it did in prior years. The NJDOE also recognizes that our existing data can't begin to measure the hard work and perseverance of the students, families, educators and community members during this difficult year. This past year has been unlike any other, and the NJDOE believes that it is critical to use the available data in the reports, along with other information collected directly within districts and communities, to start conversations, identify gaps in information, and begin to find ways to address the impacts of COVID-19 and ensure all students receive the support that they need.

The 2019-2020 School Performance Reports will not include the following data elements:

- Statewide assessment participation and performance (NJSLA, DLM, ACCESS for ELLs)
- Student growth Data
- Chronic absenteeism rates
- Progress toward English language proficiency
- ESSA Summative ratings or indicator scores
- Status in meeting annual targets or standards for ESSA indicators

A new "Impact of COVID-19 on Data Availability" resource summarizes which data is available, which data is not available, and which data may have been impacted. Notes are included throughout the School Performance Reports and the Reference Guide to explain where data is missing or impacted by COVID-19. Look for "Important Note for 2019-2020" sections.

School Performance Report Resources:

The NJDOE has several resource documents that can help you understand and use the School Performance Reports, which can also be found under the "Resource Documents" link at the top of the page:

- New Impact of COVID-19 on Data Availability
- One-page guides to help start conversations for administrators, educators, elementary, and middle and high school families
- Reference Guide with details on all the data in these reports
- Frequently Asked Questions
- Understanding Adjusted Cohort Graduation Rates
- Understanding Student Growth Percentiles
- Data Privacy Rules (why you see *'s and N's in the reports)

Let the NJDOE know how we can improve future reports by taking our feedback survey. Contact reportcard@doe.nj.gov with any questions about the reports

NJ SCHOOL PERFORMANCE REPORT

Overview & Resources

School Contact Information

This table contains contact information including principal name, address, phone number, email address, and social media information, if provided.

Type	Contact Information
County	Essex
District	Essex County Schools of Technology
Principal Name	Ms. Carmen Morales
Address	91 West Market Street, Newark, NJ 07103
Phone Number	973-412-2204
Email Address	cmorales@essextech.org
Website	http://www.essextech.org

Demographics

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment Trends by Grade

This table shows the number of students enrolled by grade for the past three school years. Any students enrolled outside of the grades offered will be included in the total enrollment.

Grade	2017-18	2018-19	2019-20
9	247	210	177
10	173	229	194
11	163	169	206
12	178	153	162
Total	761	761	739

Enrollment Trends by Student Group

This table shows the percentage of students by student group for the past three school years. Note that 2019-20 is the first year that data was collected for non-binary/undesignated gender and, as a result, the 2019-20 data may not be a true representation of the student population. Additionally, to protect student privacy, gender percentages for 2019-20 are rounded to the nearest 0.5.

Student Group	2017-18	2018-19	2019-20
Female	57.2%	54.4%	54.5%
Male	42.8%	45.6%	45.5%
Non-Binary/Undesignated Gender			<1%
Economically Disadvantaged Students	86.2%	80.8%	81.2%
Students with Disabilities	0.8%	0.8%	0.8%
English Learners	18.1%	16.7%	12.9%
Homeless Students	0.3%	0.3%	0.0%
Students in Foster Care	0.3%	0.1%	0.1%
Military-Connected Students	0.0%	0.0%	0.0%
Migrant Students	0.0%	0.0%	0.0%

Enrollment by Racial and Ethnic Group

This table shows the percentage of students by racial and ethnic group for the past three school years.

Racial And Ethnic Group	2017-18	2018-19	2019-20
White	0.8%	0.4%	0.5%
Hispanic	44.3%	49.9%	52.6%
Black or African American	53.5%	47.7%	45.1%
Asian	0.5%	1.1%	0.8%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%
American Indian or Alaska Native	0.4%	0.5%	0.4%
Two Or More Races	0.5%	0.4%	0.5%

Demographics

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment Trends by Full and Shared Time Status

This table shows the number of full and shared time students for the last three years. The full time equivalent is the number of full time students plus half the number of shared time students.

Enrollment Status	2017-18	2018-19	2019-20
Full Time Students	761	761	739
Shared Time Students	0	0	0
Full Time Equivalent	761	761	739

NJ SCHOOL PERFORMANCE REPORT

Demographics

Enrollment data reflects enrollment reported at the end of the school year and only includes students attending the school. Students that attend programs at other schools or outside of the district are not included in enrollment counts and percentages.

Enrollment by Home Language

This chart shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown, and students with other home languages are included in the Other Languages total. To see this data in a table, click the Table View option below the chart.

| Language	Percentage
English	62.4%
Spanish	32.3%
Uncoded languages	1.8%
Portuguese	1.2%
Other	2.3%

Academic Achievement

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results for the New Jersey Student Learning Assessments (NJSLA), Dynamic Learning Maps (DLM), and ACCESS for ELLs assessments and related accountability measures are not available and will not be reported for the 2019-20 school year. Tables showing 2019-20 statewide assessment results and related accountability measures will not be included in this report.

## English Language Arts and Mathematics Performance Trends

These graphs show trends in the Proficiency Rate for Federal Accountability over the last three years. The data includes the results of students taking both the statewide assessment (NJSLA for 2018-19 and PARCC for 2017-18) and the DLM alternate assessment. The Proficiency Rate for Federal Accountability measures the percentage of students that met or exceeded expectations on the assessments (NJSLA/PARCC or DLM) with an adjustment made if the participation rate is below 95% to ensure reporting on at least 95% of students. NJSLA/PARCC results include only students in grades 3 through 10. Students that were enrolled for less than half a school year are excluded from performance results. The table below provides participation rates, proficiency rates, annual targets and status in meeting the targets, and statewide proficiency rates.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results are not available.

ELA Proficiency Rate for Federal Accountability
Math Proficiency Rate for Federal Accountability
Performance Measure	2017-18 ELA	2018-19 ELA	2019-20 ELA	2017-18 Math	2018-19 Math	2019-20 Math
Participation Rate	99.8%	100.0%		99.0%	99.8%	
Proficiency Rate for Federal Accountability	58.7%	68.7%		36.7%	31.1%	
Annual Target	50.7%	52.4%		29.6%	32.4%	
Met Annual Target?	Met Target	Met Target		Met Target	Met Target†	
Statewide Proficiency Rate for Federal Accountability	56.7%	57.9%		45.0%	44.5%	

† Target was met within a confidence interval.

Report Key:
* Data is not displayed in order to protect student privacy
** Accountability calculations require 20 or more students
N No Data is available to display
† This indicates a table specific note,see note below table

Academic Achievement

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results for the New Jersey Student Learning Assessments (NJSLA), Dynamic Learning Maps (DLM), and ACCESS for ELLs assessments and related accountability measures are not available and will not be reported for the 2019-20 school year. Tables showing 2019-20 statewide assessment results and related accountability measures will not be included in this report.

English Language Arts Assessment - Performance Trends

This graph shows the percentage of students who met or exceeded expectations on each grade level exam on the statewide assessment for English Language Arts (ELA) for the past three years. 2018-19 data is from the New Jersey Student Learning Assessment (NJSLA) and 2017-18 data is from the PARCC assessment.
Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results are not available.

Percentage of Students Meeting/Exceeding Expectations

Academic Achievement

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results for the New Jersey Student Learning Assessments (NJSLA), Dynamic Learning Maps (DLM), and ACCESS for ELLs assessments and related accountability measures are not available and will not be reported for the 2019-20 school year. Tables showing 2019-20 statewide assessment results and related accountability measures will not be included in this report.

Mathematics Assessment – Performance Trends

This graph shows the percentage of students who met or exceeded expectations on each grade level or end-of-course exam on the statewide assessment for Mathematics for the past three years. 2018-19 data is from the New Jersey Student Learning Assessment (NJSLA) and 2017-18 data is from the PARCC assessment.

Note: 2018-19 results for Algebra I, Geometry, and Algebra II do not include students in grade 11, but 2017-18 results do include students in grade 11. Therefore, trend data for these assessments may not be comparable.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results are not available.

Percentage of Students Meeting/Exceeding Expectations
† Grade level results do not include students who took the Algebra I, Geometry, or Algebra II end of course tests.

Essex County Newark Tech

(13-1390-070)

2019-2020

Report Key:

* Data is not displayed in order to protect student privacy

** Accountability calculations require 20 or more students

N No Data is available to display

† This indicates a table specific note,see note below table

Academic Achievement

DLM Alternate Assessment - Participation

This table shows the number of students taking the Dynamic Learning Maps (DLM) alternate assessment, which tests academic progress in English Language Arts (ELA) and Mathematics for students with different types of significant cognitive disabilities.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, DLM participation is not available for 2019-20.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. A student's expected growth is based on the student's initial year proficiency level and student growth expectations are increased by equal intervals each year so that the student meets the proficiency cut score of 4.5 within five years. The table shows the annual target for the percentage of students making expected growth and whether that target was met.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, English Language Progress to Proficiency is not available for 2019-20.

English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, ACCESS for ELLs 2.0 assessment participation and performance are not available for 2019-20.

Academic Achievement

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grades 5, 8, and 11 will take the NJSLA-Science assessment. Students receive a score of Level 1, 2, 3, or 4 where levels 3 and 4 represent proficiency. Visit the NJSLA-Science website for more information about NJSLA-S. These results do not include students that took the Dynamic Learning Maps (DLM) Science assessment, visit the assessment reports page for DLM results.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results are not available for 2019-20. Tables showing 2019-20 NJSLA Science assessment results will not be included in this report.

NJSLA Science Assessment: Grade 11 Summary

This table shows how students performed on the NJSLA Science assessment. Students scoring at Level 3 or 4 are considered proficient.

Important note for 2019-20: Due to the cancellation of statewide assessments and a federal waiver as a result of the COVID-19 pandemic, statewide assessment results for NJSLA Science are not available for 2019-20.
College and Career Readiness

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

Important note for 2019-20: Due to the COVID-19 pandemic, national administrations of the SAT, PSAT and ACT were cancelled in the spring and summer of 2020. As a result, 2019-20 participation and performance results may have been affected and NJDOE recommends using caution in comparing results for 2019-20 to prior or future years.

PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2019-20. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

Participation Type	School Participation Rate	State Participation Rate
10th and 11th graders taking PSAT 10/NMSQT in 2019-2020	98.8%	82.8%
12th graders taking SAT in 2019-2020 or prior years	100.0%	71.1%
12th graders taking ACT in 2019-2020 or prior years	3.7%	17.2%

PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

Participation Type	School Average Score	State Average Score	College Readiness Benchmarks	School - Students Scores at or above Benchmark	State - Students Scores at or above Benchmark
PSAT 10/NMSQT - Reading and Writing	439	476	Grade 10: 430 Grade 11: 460	45.0%	61.0%
PSAT 10/NMSQT - Math	450	473	Grade 10: 480 Grade 11: 510	21.0%	39.0%
SAT - Reading and Writing	481	536	480	50.0%	69.0%
SAT - Math	487	536	530	34.0%	52.0%
ACT - Reading	*	25	22	*	66.0%
ACT - English	*	24	18	*	81.0%
ACT - Math	*	24	22	*	65.0%
ACT - Science	*	24	23	*	58.0%

College and Career Readiness

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

Important note for 2019-20: Due to the COVID-19 pandemic, College Board administered AP tests online in spring 2020 and students were able to take assessments from home. Additionally, the written components of the IB assessments were not able to be administered in the 2019-2020 school year, however the IB program developed a reliable and valid score based upon the required assessed work during the two years of the courses to determine a final grade.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

Students enrolled in one or more AP or IB course

School 33.2%
State 35.7%

Students taking one or more AP or IB exam

School 27.4%
State 28.9%

Students with one or more exams with a score of at least 3 on AP exams or 4 on IB exam

School 18.5%
State 22.8%

Dual Enrollment Coursework - Participation

This graph shows the percentage of 11th and 12th graders who were enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

School 18.8%
State 20.2%

College and Career Readiness

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

Important note for 2019-20: Due to the COVID-19 pandemic, College Board administered AP tests online in spring 2020 and students were able to take assessments from home. Additionally, the written components of the IB assessments were not able to be administered in the 2019-2020 school year, however the IB program developed a reliable and valid score based upon the required assessed work during the two years of the courses to determine a final grade.

AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

AP/IB Course	Students Enrolled	Students Tested
AP Calculus AB	17	7
AP English Language and Composition	20	21
AP English Literature and Composition	30	19
AP Environmental Science	17	12
AP Spanish Language	64	57
AP U.S. History	15	12
Total Exams taken		128
Exams with scores of at least 3 on AP exams or 4 on IB exams		73

College and Career Readiness

This section contains information about participation in approved Career and Technical Education (CTE) programs and Structured Learning Experiences and students earning Industry-Valued Credentials. For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

Career and Technical Education Participation

The graphs below show the percentage of students in grades 9 through 12 who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time Career and Technical Education programs in a county vocational school district are included in the percentages for both the county vocational school and their sending school.

CTE Participants

(completed only one course in an approved CTE program)

School 50.3%
State 7.6%

CTE Concentrators

(completed two or more courses in a single approved CTE program and/or completed the entire CTE program)

School 49.7%
State 10.7%

Structured Learning Experiences Participation

The graph below shows the percentage of students in grades 9 through 12 who participated in Structured Learning Experiences during the school year. Structured Learning Experiences can include work-based learning programs, internships, apprenticeships, and service learning experiences and can be paid or unpaid.

Structured Learning Experiences

School 0.9%
State 2.9%

Report Key:

* Data is not displayed in order to protect student privacy

N No Data is available to display
† This indicates a table specific note,see note below table

College and Career Readiness

This section contains information about participation in approved Career and Technical Education (CTE) programs and Structured Learning Experiences and students earning Industry-Valued Credentials. For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

Career and Technical Education Participation by Student Group

This table shows the percentage of students, both overall and by student group, in grades 9 through 12 who were enrolled in courses in approved Career and Technical Education (CTE) programs. CTE participants have completed only one course in an approved CTE program. CTE concentrators have completed two or more courses in a single approved CTE program and/or have completed the entire CTE program. Students enrolled in shared-time CTE programs in a county vocational school district are included in the percentages for both the county vocational school and their sending high school.

Student Group	School: % CTE Participants	School: % CTE Concentrators	State: % CTE Participants	State: % CTE Concentrators
Schoolwide	50.3%	49.7%	7.6%	10.7%
White	*	*	5.9%	10.2%
Hispanic	53.0%	47.0%	10.5%	11.4%
Black or African American	46.4%	53.6%	9.1%	11.0%
Asian, Native Hawaiian, or Pacific Islander	*	*	5.7%	10.0%
American Indian or Alaska Native	*	*	8.8%	13.8%
Two or More Races	*	*	6.6%	11.5%
Female	53.3%	46.7%	7.3%	10.9%
Male	46.6%	53.4%	7.9%	10.4%
Non-Binary/Undesignated Gender	*	*	0.0%	5.9%
Economically Disadvantaged Students	49.8%	50.2%	10.6%	11.8%
Students with Disabilities	*	*	6.4%	9.4%
English Learners	61.1%	38.9%	8.5%	3.2%
Homeless Students	*	*	6.7%	7.4%

Migrant Students	*	*	3.0%	7.4%

College and Career Readiness

This section contains information about participation in approved Career and Technical Education (CTE) programs and Structured Learning Experiences and students earning Industry-Valued Credentials. For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

Industry-Valued Credentials

The graph below shows the percentage of students in grades 9 through 12 who earned one or more Industry-Valued Credential during the school year.

Important note for 2019-20: Due to school closures related to COVID-19, many high school students were not able to take the Technical Skills Assessment (TSA), which are end-of-program assessments for Career and Technical Education programs, in spring 2020. This may have impacted the number of industry-valued credentials earned during the 2019-2020 school year.

Students Earning Industry-Valued Credentials

School   0.0%
State   0.7%

Report Key:

* Data is not displayed in order to protect student privacy
** Accountability calculations require 20 or more students
N No Data is available to display

For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

Industry-Valued Credentials by Career Cluster

This table shows by Career Cluster the number of students enrolled in approved Career and Technical Education programs, the number of students that earned one or more industry-valued credential, and the total number of credentials earned. Students are only enrolled in one career cluster, but they may earn credentials in multiple clusters or earn multiple credentials within one cluster. Career Clusters without approved credentials are grayed out. Career Cluster rows will be hidden if no students were enrolled and no credentials were earned. The last row provides unique counts of students enrolled and students earning one or more credentials across all clusters.

Important note for 2019-20: Due to school closures related to COVID-19, many high school students were not able to take the Technical Skills Assessment (TSA), which are end-of-program assessments for Career and Technical Education programs, in spring 2020. This may have impacted the number of industry-valued credentials earned during the 2019-2020 school year.

Career Cluster	Students Enrolled in Program	Students Earning at least one Credential	Total credentials earned
Architecture & Construction	16	*	*
Business Management & Administration	*	*	*
Health Science	236	*	*
Hospitality & Tourism	*	*	*
Manufacturing	69	*	*
Science, Technology, Engineering & Mathematics	205	*	*
Transportation, Distribution & Logistics	64	*	*
Total	740	*	*

College and Career Readiness

Information about New Jersey Student Learning Standards can be found on the NJDOE website. An English course participation table is not included below because students are required to take four years of English in high school. Detailed information about students enrolled in AP/IB courses in English Language Arts and other subject areas is available in the AP/IB Courses Offered table in the College and Career Readiness Section of this report.

Mathematics - Course Participation

This table shows the number of students who were enrolled in Mathematics courses by grade and subject area. Students are counted more than once if they were enrolled in courses across multiple subject areas. The last two rows show the number of students enrolled in Advanced Placement (AP) or International Baccalaureate (IB) courses and Dual Enrollment courses by subject area. Subject areas where AP/IB courses are not offered are grayed out.

Grade	Algebra I	Geometry	Algebra II	Pre_Calculus	Calculus	Statistics	Other Math
9	174	52	0	0	0	0	21
10	1	169	24	0	0	0	27
11	0	0	189	37	0	0	163
12	0	0	0	115	17	5	19
Total	175	221	213	152	17	5	230
Enrolled in AP/IB Course					17	0	0
Enrolled in Dual Enrollment Course	0	0	0	0	0	0	67

Science - Course Participation

This table shows the number of students who were enrolled in Science courses by grade and subject area. Students are counted more than once if they were enrolled in courses across multiple subject areas. The last two rows show the number of students enrolled in Advanced Placement (AP) or International Baccalaureate (IB) courses and Dual Enrollment courses by subject area. Subject areas where AP/IB courses are not offered are grayed out.

Grade	Biology	Chemistry	Earth and Space Science	Environmental Science	Physics	Other Science
9	0	0	0	0	175	0
10	191	0	0	0	3	0
11	0	205	0	0	0	0
12	22	1	0	17	49	0
Total	213	206	0	17	227	0
Enrolled in AP/IB Course	0	0		17	0	0
Enrolled in Dual Enrollment Course	46	0	0	0	0	0

College and Career Readiness

Information about New Jersey Student Learning Standards can be found on the NJDOE website. An English course participation table is not included below because students are required to take four years of English in high school. Detailed information about students enrolled in AP/IB courses in English Language Arts and other subject areas is available in the AP/IB Courses Offered table in the College and Career Readiness Section of this report.

Social Studies and History - Course Participation

This table shows the number of students who were enrolled in Social Studies and History courses by grade and subject area. Students are counted more than once if they were enrolled in courses across multiple subject areas. The last two rows show the number of students enrolled in Advanced Placement (AP) or International Baccalaureate (IB) courses and Dual Enrollment courses by subject area. Subject areas where AP/IB courses are not offered are grayed out.

Grade	World History	US History I & II	Economics	Psychology	Sociology	Other Social Studies or History
9	0	175	0	0	0	0
10	0	194	0	0	0	0
11	0	5	0	0	0	23
12	159	0	0	0	0	21
Total	159	374	0	0	0	44
Enrolled in AP/IB Course	0	15	0	0		0
Enrolled in Dual Enrollment Course	0	25	0	0	0	44

World Languages - Course Participation

This table shows the number of students who were enrolled in World Languages courses by grade and language. Students are counted more than once if they were enrolled in courses across multiple languages. The last three rows show the number of students enrolled in level 3 or higher courses (such as French II or IV), Advanced Placement (AP) or International Baccalaureate (IB) courses, and Dual Enrollment courses by language.

Grade	Spanish	French	Italian	Latin	German	Chinese	Other Languages
9	N	N	N	N	N	N	N
10	91	0	0	0	0	0	0
11	164	0	0	0	0	0	0
12	N	N	N	N	N	N	N
Total	255	0	0	0	0	0	0
Enrolled in AP/IB Course	64	0	0	0	0	0	0
Enrolled in Dual Enrollment Course	48	0	0	0	0	0	0
Enrolled in Level 3 or Higher	0	0	0	0	0	0	0

† This indicates a table specific note,see note below table

College and Career Readiness

Information about New Jersey Student Learning Standards can be found on the NJDOE website. An English course participation table is not included below because students are required to take four years of English in high school. Detailed information about students enrolled in AP/IB courses in English Language Arts and other subject areas is available in the AP/IB Courses Offered table in the College and Career Readiness Section of this report.

Computer Science and Information Technology – Course Participation

This table shows the number of students who were enrolled in Computer Science and Information Technology (IT) courses by grade and subject area. Students are counted more than once if they were enrolled in courses across multiple subject areas. The last two rows show the number of students enrolled in Advanced Placement (AP) or International Baccalaureate (IB) courses and Dual Enrollment courses by subject area. Subject areas where AP/IB courses are not offered are grayed out.

Grade	Computer Programming	Computing Systems	Other Computer Science	Networking	Information Systems	Other IT
9	175	0	0	0	0	0
10	N	N	N	N	N	N
11	N	N	N	N	N	N
12	N	N	N	N	N	N
Total	175	0	0	0	0	0
Enrolled in AP/IB Course	0		0			0
Enrolled in Dual Enrollment Course	0	0	0	0	0	0

NJ SCHOOL PERFORMANCE REPORT

College and Career Readiness

Seal of Biliteracy

This table shows the number of Seals of Biliteracy earned by language. The New Jersey Department of Education State Seal of Biliteracy identifies graduating high school students who are able to demonstrate proficiency in English in addition to one or more languages. Students may be counted more than once if they earned Seals across more than one language. Visit the NJDOE Seal of Biliteracy website for more information.

Important Note for 2019-20: Governor Phil Murphy signed Executive Order 117 on April 7, 2020, which waived the graduation assessment requirement for any 12th grade student who was expected to graduate in the class of 2020 but, as of March 18, 2020, had not yet met the graduation assessment requirement. As a result, the Seal of Biliteracy requirement to demonstrate English language proficiency by meeting the graduation assessment requirements was also waived for any students who had not yet met the requirement by March 18, 2020.

Language	Students Earning a Seal of Biliteracy
Spanish	30
Total	30

State 33.1%

Graduation/ Postsecondary

Graduation rates are calculated based on the adjusted cohort graduation rate calculation. More information can be found on the NJDOE Graduation Rate page.

Important note for 2019-20: Governor Phil Murphy signed Executive Order 117 on April 7, 2020, which waived the graduation assessment requirement for any 12th grade student who was expected to graduate in the class of 2020 but, as of March 18, 2020, had not yet met the graduation assessment requirement. Additionally, NJDOE received a federal waiver which removed the requirement to report on status in meeting annual ESSA targets. As a result, annual targets and status in meeting those targets are not reported for Cohort 2019 4-year and Cohort 2018 5-year graduation rates (NJDOE uses prior year graduation rates for accountability purposes).

Graduation Rate Trends and Progress

These graphs show the 4-year and 5-year adjusted cohort graduation rates for the most recent three cohorts of students. The table below shows whether annual targets were met for each cohort. For accountability and annual targets, graduation data from the prior year is used, so annual target status for the most recent cohorts are not provided.

4-Year Graduation Rate Trends
5-Year Graduation Rate Trends
Performance Measure	Cohort 2018 4-Year Rate	Cohort 2019 4-Year Rate	Cohort 2020 4-Year Rate	Cohort 2017 5-Year Rate	Cohort 2018 5-Year Rate	Cohort 2019 5-Year Rate
Graduation Rate	96.2%	95.5%	96.9%	96.3%	98.3%	96.8%
Annual Target	N			N		
Met Annual Target?	Met Goal			Met Goal		
Statewide Graduation Rate	90.9%	90.6%	91.0%	92.4%	92.5%	92.2%

NJ SCHOOL PERFORMANCE REPORT

Graduation/ Postsecondary

Graduation rates are calculated based on the adjusted cohort graduation rate calculation. More information can be found on the NJDOE Graduation Rate page.

Important note for 2019-20: Governor Phil Murphy signed Executive Order 117 on April 7, 2020, which waived the graduation assessment requirement for any 12th grade student who was expected to graduate in the class of 2020 but, as of March 18, 2020, had not yet met the graduation assessment requirement. Additionally, NJDOE received a federal waiver which removed the requirement to report on status in meeting annual ESSA targets. As a result, annual targets and status in meeting those targets are not reported for Cohort 2019 4-year and Cohort 2018 5-year graduation rates (NJDOE uses prior year graduation rates for accountability purposes).

Cohort 2020 4-Year Graduation Cohort Profile

This table shows the percentage of students in the 2020 cohort who graduated, who are still enrolled ("Continuing Students"), or who dropped out of school or are no longer enrolled ("Non-Continuing Students") within four years of entering high school, both overall and by student group.

Student Group	Graduates	Continuing Students	Non-Continuing Students	State: Graduates	State: Continuing Students	State: Non-Continuing Students
Schoolwide	96.9%	2.5%	0.6%	91.0%	4.1%	4.9%

English Learners	98.0%			94.9%		

Graduation/ Postsecondary

Graduation Pathways

This table shows the percentage of Cohort 2020 graduates who met the high school graduation assessment requirements through each type of graduation pathway for both English Language Arts (ELA) and Math.

Important note for 2019-20: Governor Phil Murphy signed Executive Order 117 on April 7, 2020, which waived the graduation assessment requirement for any 12th grade student who was expected to graduate in the class of 2020 but, as of March 18, 2020, had not yet met the graduation assessment requirement. As a result, the pathway option of "Requirements waived under Executive Order 117" has been added to this table for 2019-20 to count these students.

Graduation Pathway	ELA Graduation Pathway	Math Graduation Pathway
Statewide Assessment	62.4%	52.2%
Substitute Competency Test	36.9%	44.6%
Portfolio Appeals Process	0.6%	3.2%
Alternate Requirements specified in IEP	0.0%	0.0%
Requirements waived under Executive Order 117	0.0%	0.0%
Unknown	0.0%	0.0%

Dropout Rate Trends

This table shows the percentage of students in grades 9 through 12 who dropped out during each of the past three school years.

School Year	School Rate	State Rate
2019-2020	0.0%	1.0%
2018-2019	0.1%	1.2%
2017-2018	0.0%	1.2%

**NJ SCHOOL PERFORMANCE REPORT**

Graduation/ Postsecondary

Information about students enrolling in colleges and universities after graduation is collected from the National Student Clearinghouse, which collects data from at least 95% of higher education institutions nationwide.

Important note for 2019-20: The National Student Clearinghouse has reported that undergraduate enrollment is down nationwide compared to the same time last year. As a result, caution should be used in comparing this year's results to prior or future years.

Postsecondary Enrollment Rate Summary

The graph and table below show the percentage of graduates that have enrolled in 2-year and 4-year institutions within 16 months of graduating for from high school for the last two years.

Postsecondary Enrollment 16 months after Graduation
Performance Measure	Class of 2018	Class of 2019
% Enrolled in 2-Year Institution	16.6%	24.0%
% Enrolled in 4-Year Institution	62.3%	55.3%
% Enrolled in Any Postsecondary Institution	78.9%	79.3%

Graduation/ Postsecondary

Information about students enrolling in colleges and universities after graduation is collected from the National Student Clearinghouse, which collects data from at least 95% of higher education institutions nationwide.

Important note for 2019-20: The National Student Clearinghouse has reported that undergraduate enrollment is down nationwide compared to the same time last year. As a result, caution should be used in comparing this year's results to prior or future years.

Postsecondary Enrollment Rates: Fall

This table shows information about Class of 2020 high school graduates enrolled in postsecondary institutions by the fall of 2020. The first column shows the percentage of graduates enrolled in any postsecondary institution, and the next two columns show the percentage of those enrolled students who were enrolled in 2-year and 4-year institutions.

Student Group	% Enrolled in Any Institution	% of Enrolled in 2-Year Institution	% of Enrolled in 4-Year Institution
Statewide	67.3%	27.9%	72.1%
Schoolwide	65.0%	13.7%	86.3%
White	N	N	N
Hispanic	55.4%	21.7%	78.3%
Black or African American	*	*	*
Asian, Native Hawaiian, or Pacific Islander	*	*	*
American Indian or Alaska Native	N	N	N
Two or More Races	N	N	N
Economically Disadvantaged Students	65.9%	11.5%	88.5%
Students with Disabilities	*	*	*
English Learners	6.7%	100.0%	0.0%

Graduation/ Postsecondary

Information about students enrolling in colleges and universities after graduation is collected from the National Student Clearinghouse, which collects data from at least 95% of higher education institutions nationwide.

Important note for 2019-20: The National Student Clearinghouse has reported that undergraduate enrollment is down nationwide compared to the same time last year. As a result, caution should be used in comparing this year's results to prior or future years.

Postsecondary Enrollment Rates: 16 month

This table shows information about Class of 2019 high school graduates enrolled in postsecondary institutions by the fall of 2020. The first column shows the percentage of graduates enrolled in any postsecondary institution, and the following sets of columns show the percentage of those enrolled students who were enrolled in 2-year and 4-year institutions, public or private institutions, and in-state and out-of-state institutions.

Student Group	% Enrolled in Any Institution	% of Enrolled in 2-Year Institution	% of Enrolled in 4-Year Institution	% of Enrolled in Public Institution	% of Enrolled in Private Institution	% of Enrolled in In-State Institution	% of Enrolled in Out-of-State Institution

English Learners	70.8%	76.5%	23.5%	88.2%	11.8%	100.0%	0.0%

Climate and Environment

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations. Students with fewer than 45 days in membership are excluded from attendance calculations.

Important Note for 2019-20: Due the COVID-19 pandemic, NJDOE received a federal waiver which removed the requirement to report on chronic absenteeism and related accountability measures for the 2019-20 school year. As a result, NJDOE will not report on chronic absenteeism and other attendance data for 2019-20. Tables showing 2019-20 attendance data will be hidden in this report.

Climate and Environment

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), starting in 2017-18, which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. Comparing current data to data from 2016-17 and earlier could lead to inaccurate conclusions in many reporting categories. In addition to the 2018-19 data below, NJDOE is required, under ESSA, to report on the most recent, publicly-available Civil Rights Data Collection (CRDC) data, which can be found on the NJDOE School Performance webpage.Please note that prior to school year 2017-2018, the CRDC and the State collection system, EVVRS, did not collect the same data elements. In an effort to better align the State system with the CRDC, the new Student Safety Data System (SSDS) collects all the required CRDC data elements. NJDOE is in the process of developing a reporting function for the SSDS which will allow LEAs to use the same data for both submissions.

Important note for 2019-20: Due to school closures as a result of Executive Order 107, discipline data for the 2019-20 school year may not be comparable to prior or future school years and NJDOE recommends caution in making comparisons.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	2
Weapons	0
Vandalism	2
Substances	1
Harassment, Intimidation, Bullying (HIB)	2
Total Unique Incidents	7
Incidents Per 100 Students Enrolled	0.95

Police Notifications

This table shows, by incident type, the number of cases where an incident led to police notification.

Incident Type	Incidents Reported to Police
Violence	0
Weapons	0
Vandalism	0
Substances	1
Harassment, Intimidation, Bullying (HIB)	0
Other Incidents Leading to Removal	0

NJ SCHOOL PERFORMANCE REPORT

Climate and Environment

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), starting in 2017-18, which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. Comparing current data to data from 2016-17 and earlier could lead to inaccurate conclusions in many reporting categories. In addition to the 2018-19 data below, NJDOE is required, under ESSA, to report on the most recent, publicly-available Civil Rights Data Collection (CRDC) data, which can be found on the NJDOE School Performance webpage. Please note that prior to school year 2017-2018, the CRDC and the State collection system, EVVRS, did not collect the same data elements. In an effort to better align the State system with the CRDC, the new Student Safety Data System (SSDS) collects all the required CRDC data elements. NJDOE is in the process of developing a reporting function for the SSDS which will allow LEAs to use the same data for both submissions.

Important note for 2019-20: Due to school closures as a result of Executive Order 107, discipline data for the 2019-20 school year may not be comparable to prior or future school years and NJDOE recommends caution in making comparisons.

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bulling (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

HIB Nature (Protected Category)	HIB Alleged	HIB Confirmed	Total HIB Investigations
Race	0	0	0
Religion	0	0	0
Ancestry	0	0	0
Gender	0	0	0
Sexual Orientation	0	0	0
Disability	0	2	2
Other	0	0	0
No Identified Nature	0		0

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	0	0.0%
Out-of-School Suspensions	*	*
Any Suspension	*	*
Removal to other education program	*	*
Expulsion	0	0.0%
Arrest	*	*

School Days Missed due to Out-of-School Suspensions
36

Climate and Environment

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Important note for 2019-20: The start and end times in this table may reflect standard hours for in-person instruction. These hours may have been adjusted due to remote or hybrid instruction schedules.

Category	School
Typical Start Time	8:15 AM
Typical End Time	2:55 PM
Length of School Day	6 Hrs. 40 Mins.
Full Time - Instructional Time	5 Hrs. 49 Mins.
Shared Time - Instructional Time	N

Device Ratios

This table typically includes information collected from the NJTRAx database. The NJDOE established the NJTRAx Digital Learning Readiness database to gauge the technology readiness of New Jersey schools and districts for online testing as well as to provide a tool to assist schools in determining readiness for digital learning. For more information about NJTRAx, visit the New Jersey Digital Learning and Assessment Portal.

Important Note for 2019-2020: Executive Order 107 required all schools to close and cease in-person instruction, and schools switched to remote instruction. As a result, the number of devices available in each school was not consistent throughout the 2019-2020 school year as districts worked to meet the technological needs of their students. Therefore, the device ratio is not included in the 2019-2020 School Performance Reports because a single device ratio would not give a full picture of the availability of devices and the changing nature of this information during the 2019-2020 school year. Instead, the NJDOE is sharing links to other school and district technology information collected during the 2020-2021 school year:

School and District Technology Information: data collected through NJ SMART in November 2020, which includes student device type and student device owner

The NJDOE Digital Divide page: includes weekly updated state summaries on student device and connectivity needs

Staff

Staff data reflects teachers and administrators reported by districts at the beginning of the school year.

Key terms for staff data:

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Experience: Experience is based on information submitted by districts on all their staff members. For purposes of this report, the ESSA Educator Equity and federal reporting requirements, NJDOE has defined teachers as "inexperienced" if they have fewer than four years of prior experience in a given district. The tables below report on "experienced" teachers and administrators for federal reporting purposes.

Out-of-Field: A teacher is labeled "out-of-field" if they are potentially teaching outsdie their area of certification. This could occur if the teacher cannot be found in the NJDOE's certification system, if their job code does not match their certification, of if the teacher has an expired certificate.

Teachers – Experience

This table shows information about the experience of teachers assigned to this school and across the state. No teachers in New Jersey are teaching under emergency or provisional credentials as defined the United States Department of Education. The number of out-of-field teachers is the number of teachers who are potentially teaching outside of their area of certification.

Category	Teachers in School	Teachers in State
Total Number of teachers	54	119,170
Average years experience in public schools	10.0	12.3
Average years experience in district	9.8	11.0
Percentage of Teachers with 4 or more years experience in the district	66.7%	75.8%
Number of out-of-field teachers	4	2,276

Administrators – Experience (District Level)

This table shows information about the experience of administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	18	9,574
Average years experience in public schools	14.0	16.2
Average years experience in district	13.4	12.3
Percentage of Administrators with 4 or more years experience in the district	83.3%	77.9%

Student and Staff Ratios

This table shows ratios of students and staff members in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Ratio	School Ratio	District Ratio
Students to Teachers	14:1	13:1
Students to Administrators	185:1	131:1
Teachers to Administrators	14:1	10:1
Students to Librarians/Media Specialists		1180:1
Students to Nurses		787:1
Students to Counselors		215:1
Students to Child Study Team Members		295:1

Staff

Staff data reflects teachers and administrators reported by districts at the beginning of the school year.

Key terms for staff data:

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Experience: Experience is based on information submitted by districts on all their staff members. For purposes of this report, the ESSA Educator Equity and federal reporting requirements, NJDOE has defined teachers as "inexperienced" if they have fewer than four years of prior experience in a given district. The tables below report on "experienced" teachers and administrators for federal reporting purposes.

Out-of-Field: A teacher is labeled "out-of-field" if they are potentially teaching outsdie their area of certification. This could occur if the teacher cannot be found in the NJDOE's certification system, if their job code does not match their certification, of if the teacher has an expired certificate.

Teachers and Administrators – Demographics

This table compares the percentage of students, teachers, and administrators by gender and by racial and ethnic group. Note that 2019-20 is the first year that data was collected for non-binary/undesignated gender and, as a result, the 2019-20 data may not be a true representation of the student or staff population. Additionally, to protect student privacy, gender percentages for 2019-20 are rounded to the nearest 0.5.

Category	Students in School	Teachers in School	Administrators in School	Students in State	Teachers in State	Administrators in State
Female	54.5%	44.5%	50.0%	48.5%	77.0%	55.5%
Male	45.5%	55.5%	50.0%	51.5%	23.0%	44.5%
Non-Binary/Undesignated Gender	<1%	<1%	<1%	<1%	<1%	<1%
White	0.5%	48.1%	25.0%	41.4%	83.2%	77.0%
Hispanic	52.6%	18.5%	50.0%	30.5%	7.6%	7.4%
Black or African American	45.1%	29.6%	25.0%	15.1%	6.6%	14.1%
Asian	0.8%	3.7%	0.0%	10.2%	2.1%	1.2%
American Indian or Alaska Native	0.4%	0.0%	0.0%	0.1%	0.1%	0.1%
Native Hawaiian or Pacific Islander	0.0%	0.0%	0.0%	0.2%	0.1%	0.1%
Two or More Races	0.5%	0.0%	0.0%	2.4%	0.2%	0.2%

Staff

Staff data reflects teachers and administrators reported by districts at the beginning of the school year.

Key terms for staff data:

**Teachers:** All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Experience: Experience is based on information submitted by districts on all their staff members. For purposes of this report, the ESSA Educator Equity and federal reporting requirements, NJDOE has defined teachers as "inexperienced" if they have fewer than four years of prior experience in a given district. The tables below report on "experienced" teachers and administrators for federal reporting purposes.

Out-of-Field: A teacher is labeled "out-of-field" if they are potentially teaching outsdie their area of certification. This could occur if the teacher cannot be found in the NJDOE's certification system, if their job code does not match their certification, of if the teacher has an expired certificate.

Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by teachers and administrators. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

Bachelor's Degree

Teacher 61.1%
Admin N/A

Master's Degree

Teacher 35.2%
Admin 100.0%

Doctoral Degree
Teacher 3.7%
Admin 0.0%

Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to this district in 2018-19 that were still assigned to this district in 2019-20. Staff who were not retained may have changed districts or no longer work for the state (including retirements).

Job Type	District	State
2018-19 Teachers: Same district 2019-20	94.2%	90.7%
2018-19 Administrators: Same district 2019-20	88.2%	87.8%

Per-Pupil Expenditures

Per-Pupil Expenditures by Source

The link below produces a table summarizing the most recently available expenses for regular and special education students taught at schools in the district. The amounts shown include expenditures for instruction, support services, administration, operations and maintenance, and extra-curricular activities.

For more information regarding this table please refer to the guidance for school level reporting, which is available on the NJDOE webpage ESSA School Level Reporting Information. More in-depth information about district and charter school spending can be found in the User Friendly Budget and the Comprehensive Annual Financial Report (CAFR) and Auditor Management Reports (AMRs).

Please be aware that the total district expenditures represented in these reports are taken from audited district financial data, but the subsequent allocation of these resources to specific schools is not audited or otherwise verified by the New Jersey Department of Education. If you have specific questions about the assignment (or lack of assignment) of school-level amounts, please contact the district for additional information.

Link to District Summary of 2019-20 School-Level Per Pupil Expenditures by Source

An option to download all school-level summaries by district in one spreadsheet is also available. However, because districts have flexibility in how certain costs are allocated to individual schools, school-level costs should not be compared between schools in different districts.

Accountability

New Jersey's Every Student Succeeds Act (ESSA) Accountability System

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). Based on New Jersey's approved ESSA state plan, NJDOE will identify schools in the following four federal categories every three years:

- **Comprehensive Support and Improvement (CSI): Overall Low Performing:**
  - Schools with a summative score in the bottom 5% of Title I schools.
- **Comprehensive Support and Improvement (CSI): Low Graduation Rate:**
  - High schools with a four-year graduation rate of 67% or less
- **Additional Targeted Support and Improvement: Low Performing Student Group (ATSI):**
  - Schools with one or more student group with a summative score that would be in the bottom 5% of Title I schools
- **Comprehensive Support and Improvement (CSI): Chronically Low Performing:**
  - Title I schools identified as Additional Targeted Support and Improvement; Low Performing Student Group (ATSI) that are identified for three or more consecutive years, i.e. ATSI schools that do not meet exit criteria.
  - The NJDOE has not yet identified schools in this category as no ATSI schools have been in status for three or more years.

Annually, NJDOE will identify schools in the following federal category:

- **Targeted Support and Improvement: Consistently Underperforming Student Group (TSI):**
  - Schools with one or more students group that missed annual targets or standards for all indicators for two years in a row

For purposes of ESSA accountability, only schools and student groups with data for 20 or more students are included in calculations.

For more information about New Jersey's accountability system, how indicator and summative scores were calculated, how federal accountability status is determined, and statewide progress toward long-term goals, see these accountability resources.

Important Note for 2019-2020: Due to the COVID-19 pandemic, New Jersey received a waiver from the United States Department of Education (USED) in March 2020 to waive statewide assessment, accountability, and reporting requirements in the Elementary and Secondary Education Act (ESEA) for the 2019-2020 school year. This removes the requirement to:

- Calculate indicator scores and summative scores for the 2019-2020 school year;
- Measure progress toward long-term goals and measures of interim progress for accountability indicators for the 2019-2020 school year; and
- Identify schools for comprehensive and targeted support and improvement during the 2020-2021 school year (based on 2019-2020 data).

As a result of the March 2020 waiver, any school that was identified for comprehensive or targeted support and improvement during the 2019-2020 school year for support during the 2020-2021 school year will retain the same status for the 2021-2022 school year and continue to receive support and interventions from the NJDOE.

For the categories that are identified every three years, the last identification occurred in the 2018-2019 school year (based on 2017-2018 data) and the next identification was scheduled for the 2021-2022 school year (based on 2020-2021 data). Due to the COVID-19 pandemic and associated federal waivers, New Jersey has submitted a proposed addendum to New Jersey's consolidated state plan to delay the next identification until the 2022-2023 school year (based on 2021-2022 data) and also delay the exit of all currently identified schools to align with the next identification.

For the annual identification of schools for Targeted Support and Improvement: Consistently Underperforming Student Group, no schools will be identified during the 2020-2021 school year as a result of the March 2020 waiver. New Jersey has submitted a request to USED to waive the next identification in the 2021-2022 school year due to the lack of two consecutive years of data.

Because these requests to adjust exit dates are dependent on approval by USED, exit dates are not included in the 2019-2020 reports. Updated exit dates will be shared directly with districts when they are finalized. Check the accountability resources page for current information.

The 2019-2020 Accountability Indicator Scores and Summative Ratings and Accountability Summary by Student Group tables will not be included in the report for 2019-2020 as these tables include indicator scores, summative scores, and progress toward long-term goals and those measures were waived under the March 2020 waiver.

Accountability

ESSA Accountability Status

The table below provides the school's federal school status for the 2021-22 school year, the category (or reason) for identification, the year the school is eligible to exit status, and, if applicable, the student groups identified for support. For additional information, the NJDOE ESSA Accountability webpage includes a list of all schools requiring comprehensive or targeted support and improvement with the amount of School Improvement Aid (SIA) funds received and information on exit criteria for identified schools.

Status for 2021-22 School Year	Not in Status
Category of Identification	n/a
Year Eligible to Exit Status	n/a
Student Group Status: White	
Student Group Status: Hispanic	
Student Group Status: Black or African American	
Student Group Status: Asian, Pacific Islander, Native Hawaiian	
Student Group Status: American Indian or Alaska Native	
Student Group Status: Two or More Races	
Student Group Status: Economically Disadvantaged Students	
Student Group Status: Students with Disabilities	
Student Group Status: English Learners	

† This flag is used if a school is identified for Comprehensive Support and Improvement, but one or more student groups met criteria for Targeted Support and Improvement.

ESSA Accountability Progress

The table below shows performance on each of New Jersey's ESSA accountability indicators for the last three years. ELA and Math Proficiency represent the percentage of students that met or exceeded expectations on statewide assessments (NJSLA/PARCC or DLM). ELA and Math Growth represent the median student growth percentile. Four- and five-year graduation rates represent the adjusted cohort graduation rates. Progress toward English Language Proficiency, which was first available in 2017-18, shows the percentage of English Learners that demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Chronic absenteeism represents the percentage of students that were absent for 10% or more of the days enrolled during the school year.

ESSA Acountability Indicator	2017-18	2018-19	2019-20
ELA Proficiency	58.7%	68.7%	
Math Proficiency	36.7%	31.1%	
ELA Growth	N	N	
Math Growth	N	N	
4-Year Graduation Rate†	96.2%	95.5%	96.9%
5-Year Graduation Rate†	96.3%	98.3%	96.8%
Progress toward English Language Proficiency	63.1%	62.9%	
Chronic Absenteeism	3.2%	8.0%	

† This table shows the most recent graduation rate for reference, but accountability calculations for a given year use the prior year's graduation rate.

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Highlights:

- Expanding Early College Initiative and Dual College Credit program
- College Dual Enrollment with students earning college credits and an Associates Degree
- Curriculum includes CTE Certifications in various programs including Certified Nursing Assistants

Mission, Vision, Theme:

MISSION STATEMENT: To ensure that every student strive to achieve excellence. VISION STATEMENT: Creating a nurturing learning environment where excellence is expected of everyone. Theme: The Pursuit of Excellence!!

NJ SCHOOL PERFORMANCE REPORT

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Awards, Recognition, Accomplishments:

Essex County Newark Tech recognized by NJ DOE as a National Blue Ribbon School. Also, recognized as a Title 1 Distinguish School in 2013 and as a high performing Reward School in 2013, 2014, 2015, and 2016.

Courses, Curriculum, Instruction:

Our educational program offers a variety of academic courses and Career and Technical Education (CTE) programs that meet the needs and interests of all of our students, including Honors, English Learners, and Special Education. In addition to college level courses, advanced placement courses are offered in the following areas: AP Language & Composition, AP Literature & Composition, AP Calculus AB, AP Spanish Language & Culture, AP US History, AP World History. Our CTE programs include: Advanced Manufacturing, Engineering/Robotics, Automotive Technology, Business Organization & Management, and Allied Health. These course offerings coupled with structured learning experiences afford our students a personalized educational experience that extends beyond the classroom walls and prepare them for college and careers. Additionally, an AssociateÕs degree program is offered to selected students.

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Sports and Athletics:

Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Bowling (Boys & Girls), Cheerleading (Coed), Cross Country (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Track and Field - Spring (Boys & Girls), Track and Field - Winter (Boys & Girls), Volleyball (Boys & Girls)

Home of the Terriers, Newark Techs athletics program has made indelible memories for students. Our scholar-athletes demonstrate competitiveness, sportsmanship, and teamwork. Our athletic program promotes outstanding character traits including discipline, respect, hard-work, integrity, and a healthy mind and body. Beyond the display of Terriers' pride, our athletes engage in community service, service learning, and leadership all while pursuing individual and team academic excellence.

Clubs and Activities:

Co-curricular and extra-curricular activities offered: Robotics, Debate, Fashion, FBLA, HOSA, Skills USA, Book Club, Technology, Cheerleading, National Honor Society, Music, Yearbook, Newsletter, Student Council, Girls Who Code, Dance, Gaming, Multi-Cultural and Work Study opportunities.

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Before and After School Programs:

Student progress is continuously monitored throughout the year. Struggling students are identified and assigned to academic support classes either before or after school, where they are provided with focused instruction in mathematics and language arts literacy. Classes are conducted for one hour each day, four days per week. Students assigned to these classes are identified by teachers, guidance counselors or through building based committees such as the Intervention & Referral Committee or the Attendance Committee. The academic support program is funded by the Title I. In addition, there are various clubs that meet after school, which are supported by local funds. The National Honor Society and Senior Mentors also provide peer tutoring for students in need in multiple subjects.

Staff and Professional Learning:

In addition to NJ mandated training, the school district offers a number of opportunities and resources to support continuous learning and professional growth. Professional learning is offered using a combination of online and in-person workshops, including Safe Schools, in-district workshops, tuition reimbursement courses/programs, and out-of-district conferences and workshop opportunities for the various content area teachers and school/district leadership. Workshops offered are geared towards enhancing teaching and learning and addressing the social and emotional needs of students. In addition, training was offered on using technology to accelerate learning. In particular, the district adopted a new Management Learning System, Schoology to deliver and assess curricular standards. Training was provided on using Schoology along with using other instructional software such as Albertio, Vocabulary.com, READ180.

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Postsecondary Information:

In 2019-20, over 80% of the graduating students indicated that they will be attending a 4 or 2-year College, including Rutgers, Howard University and NJ Institute of Technology. Just over 7% indicated employment, 4.6% technical schools, with 3.3% indicating joining the military. Over 30% indicated that they are the first in their family to attend college. Students attend classes before and after school, which prepare them for Ad Placement courses and college entrance examinations. In addition, there is a robust dual college credit program in which students gain college credits by completing various courses during the day. To further facilitate students in transitioning to post-secondary endeavors, the web-based platform Naviance is used. The program allows students to efficiently submit college applications, transcripts, school forms, recommendations and other documents. School counselors can also track the progress of individual students and communicate with students and parents.

Student Supports and Services:

English learners attend classes in the summer enrichment program, four hours each day for five weeks prior to the school year. Instruction is offered in math, ELA and STEM. Students also attend afterschool classes for an hour a day for four days during the school year. Supplemental instructional software such as Systems 44, READ180 universal and Continental e-books are used. In addition, students are provided with support by the Intervention and Referral Service team, Student Assistance Coordinator and instructional aides.

NJ SCHOOL PERFORMANCE REPORT

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Student Health and Wellness:

We are committed to provide students with healthy, nutritous foods. Encouraging the consumption of fresh fruit, vegetables, low fat milk, and whole grains. Supporting healthy eating through nutrition education. Provide students with the opportunity to engage in daily physical activity.

Parent and Community Involvement:

Newark Tech has a functional Parent Teacher Student Association (PTSA) and an ESL Parent Advisory Committee consisting of a president, vice-president, treasurer and secretary. The body meets at least once per month to evaluate initiatives and discuss ways to improve community outreach and parental involvement. Parents take an active role in their children's education by following and monitor their progress using the web-based PowerSchool portal. They are provided with training in various areas such as using the Power School Parent Portal, HIB, Financial Aid, and state assessments. With the advent of the COVID-19 pandemic there has been significant improvement in parental involvement, with hundreds of parents logging into virtual meetings.

NJ SCHOOL PERFORMANCE REPORT

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

Climate Surveys:

Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Administrators, Teachers. As part of our needs assessment, climate and culture surveys are conducted in the spring of each year. The surveys consist of questions that fall in various domains: Physical Environment, Teaching and Learning, Morale in the School Community, Relationships, Parental Support and Engagement, Safety, Emotional Environment, and Administration Support. The district solicits feedback from most stakeholders: students, parents, and staff. The feedback of the 2019-20 staff survey indicated a positive school culture, with the majority of staff indicating that they feel a sense of ownership and belonging to the school. Over 90% of all stakeholders indicated that there is a safe environment in and around the school, facilitating an environment conducive for learning. The majority of stakeholders also indicated that there are open lines of interpersonal communication, which are honest thus producing healthy, positive outcomes.

Facilities:

Essex County Newark Tech was constructed in 1970. A new gymnasium was added in 2003. In 2014 the Technology Enhanced Active Learning Center (TEALC) wing was added to the main structure of the building. The school has central air conditioning and will undergo major renovations in 2019 in order to enhance the educational facilities in the Career and Technical Education (CTE) areas.

Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact the school or district directly.

School Safety:

Newark Tech has taken multiple measures in ensuring the safety and security of all its students and staff. Some of the policies and procedures implemented are as follows: Trained security guards from Gateway Securities, Partnering with local Sheriff Department to be present before during and after school and during any afterschool functions that draw in large crowds, established a school emergency/crisis palnning team to develop procedures on how to respond to emergency/crisis situations, ensure all staff and students are aware of emergency procedures, school administrators are provided with two-way radios to communicate with school security personnel directly, conduct monthly security drills to test the emergency plans, videos surveillance around the school buildings to monitor/supervise common areas.

Technology and STEM:

Various STEM programs were implemented in the 2018-19 school year. Instructors collaborated in having students design motion scenarios that were viewed from multiple perspectives. Using the Pro cameras students worked hard to perfect and capture their scenarios. Students were particularly creative and showed a lot of enthusiasm at being able to use the cameras. The career and technical instructor also engaged students in Biomedical/Bio-mechanical research and assembling prosthetics. Students made finger and toe joints using a 3D printer and plan to scale the program for larger components. In addition, ZSpace laptop stations, which combine elements of virtual reality (VR) and augmented reality (AR) to create lifelike experiences that inspire curiosity, create engagement, and deepen understanding were used. Students were introduced to the world of 3D, looking at body parts using 3D glasses and exploring parts of the human body.

Learning During COVID-19:

With the advent of the COVID-19 pandemic, the school implemented full-time remote learning starting on March 16. All students were provided with a laptop and provided with assistance in accessing the Internet so that they could participate fully in online learning. Instructors were also trained and guided in offering effective instruction remotely. Throughout the period of online learning, which lasted until the end of the school year, the superintendent met virtually with the staff everyday to offer support and provide timely information. District and school administrators also provided continuous training and resources to instructors and students. The result was a successful completion of the school year, with very few struggling students who had to be enrolled in credit recovery classes in the summer.
