VICE-PRINCIPAL

Dear Parents and Guardians,

As the 2021-2022 school year quickly approaches, it is my pleasure to welcome everyone back for another great year at Essex County Newark Tech. High School. It is our mission to engage and empower every child and to have them feel a part of the Newark Tech Terrier family. Additionally, we strive to challenge each student to grow **academically**, **socially** and **emotionally**. As a new school year approaches, it allows us to work hand in hand with all parents to ensure the very best for all children.

The first day of school for all students is on **Thursday, September 2nd**. During the first week of school, we will conduct an orientation with all students to help them adjust to a new school year and a new location. At this time we will also review school-wide expectations and daily procedures. All students are expected to wear their full uniform. The first two days of school, 9/2 and 9/3, we will be operating on a half-day schedule. Students will be dismissed at 12:43 pm. Please be reminded that our regular school hours are 8:15 - 2:49.

Please check our school website for updates prior to school and throughout the year at www.essextech.org. We would also like to encourage you to check out our school's **Instagram** page at **[principal.morales77](#)** and our **twitter page** by following **Essex County Newark Tech**. Here you will find the most up to date information and announcements throughout the year.

Once again, we are honored to serve the Essex County Newark Tech family. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth. If you have any questions, please contact the school at 973-412-2266.

Educationally yours,

Carmen Morales, Ed.S
Principal
