The summary reports are meant to provide parents, educators, and communities highlights from the district, along with a high-level summary of how well a school or district is performing. We encourage you to use these reports to:

- **Learn more** about this school or district by viewing the detailed report. Use the link in the "Jump to" menu at the top right.
- **Start conversations** with school community members and ask questions. Use the one-page guides on the Resources page for suggestions.
- **Engage** with your school communities to identify where schools are doing well and where they can improve.

## *School Highlights Reported by the District:*

- Payne Tech's college acceptances have now included some of the country's finest colleges and universities including UPenn, Brown University, College, NYU Tisch, Amherst
- Payne Tech has been recognized in 2023 by the US News and World Report as one of the top 100 high schools in New Jersey. NICHE has awarded our school an A- and #7 in the state as a Standout High Sch
- Payne Tech was chosen to be a pilot school for the new AP African American Studies course; only 15 schools in NJ were chosen.

How did students perform on assessments? ℹ️

This section shows the percentage of students who met or exceeded expectations on statewide assessments (NJSLA and DLM). This percentage reflects the federal proficiency rate which makes adjustments to the proficiency rate if the participation rate was below 95% to ensure reporting on at least 95% of students. The chart indicates whether performance was above the state average or above 80% proficient.
