September 3<sup>rd</sup>, 2025

Dear Newark Tech Parents and Guardians,

Welcome to an exciting new chapter at **Essex County Newark Tech** as we launch the 2025–2026 school year with renewed energy, purpose, and pride! This year, our guiding mantra is:

**“Dream Big, Act Bold, and Always Believe in the Power of Education.”** These words are more than a slogan—they’re a call to action for our students, our staff, and our entire school community.

As we continue to grow and elevate our standards, **Newark Tech is setting the bar for Career and Technical Education (CTE) and Academic Excellence**, proudly positioning ourselves as one of the top schools of choice in New Jersey. Your continued partnership and support are vital to this mission.

Whether your child is just beginning their journey with us or preparing to take their final steps toward graduation, please know that **they are part of a nurturing, high-expectation environment** where every student is seen, heard, and valued. We are committed to helping every learner thrive—academically, emotionally, and socially.

We encourage you to:

- **Stay connected** with your child’s progress and celebrate their growth
- **Engage in open communication** with our teachers and staff
- **Join us at school events** and contribute your voice to our community
- **Uplift our mantra at home**, reminding students to stay focused, take risks, and never stop believing in the power of their potential

Let’s work together to make this school year unforgettable—for all the right reasons. Thank you for trusting us with your child’s education and for being a valued part of the **Newark Tech family**.

With gratitude and excitement,

**Dr. Williams**

Principal, Essex County Newark Tech
